ELECTORAL LISTS.

HIS Excellency the GOVERNOR desires to draw the attention of the several returning Officers, Benches of Magistrates, Assessors, and other persons who have any duty imposed on them under the Electoral Act, to the provisions of the recent Act of Council, 11th Victoria, No. 8, which affords further

SPEECH OF HIS EXCELLENCY THE
GOVERNOR ON PROROGUING THE
LEGISLATIVE COUNCIL.

MR. SPEAKER, AND GENTLEMEN OF THE LEGISLATIVE COUNCIL,

The business of the Session having been brought to a close, I am happy to have the power of releasing you from a further attendance upon your Legislative duties at a season of the year when I am aware that the private avocations of many of you require your personal superintendence.

The Session has not passed over without the enactment of many useful Laws which I doubt not will be found highly beneficial to the public interests.

The important alteration that has been made in the principle of charging the duties on the importation of Spirits by removing those of a discriminating nature, will, I trust, be followed by results advantageous both to the Colony and to those Countries with which it is calculated to open out a direct intercourse.

In thanking you for the supplies which you have liberally voted for the ensuing year, I have pleasure in acknowledging the readiness with which you acceded to the measure I submitted to you for the Assessment on Stock beyond the Boundaries of Location. The additional funds which it is anticipated will be realized under this enactment, will enable me to carry on the public service of the Colony without difficulty or em-

barrassment to the Government, and I beg to assure you, that the whole of the means which you have placed at my disposal, shall be administered with due care and economy.

The Address to Our Most Gracious Sovereign, on the subject of Immigration, shall be forwarded to Her Majesty, with my strong recommendation that such measures as may be found practicable, may be speedily adopted for securing the introduction into the Colony, of a sufficient number of Emigrants from the Mother Country, to meet the pressing demands for labor experienced in all the chief branches of Colonial industry.

I now declare this Council to be prorogued until Tuesday, the sixteenth day of November next ensuing.

CH^s A. FITZ ROY.

15. But in country districts, where such a Board of Survey cannot be conveniently assembled, the party

objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

20. It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made.

21. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

1. Tenders will be received for the whole of a District, or separate for the different Stations mentioned in it.

2. All the articles required by this notice are to be of the best quality of their several kinds.

3. The Flour and Bread must be the produce of clean sound Colonial Wheat, from which 20 per cent. has been extracted in bran and waste.

4. The Tobacco to be Colonial.

5. When it may be necessary to substitute one article for another, the following proportions are to be observed, viz. :—1lb. wheat flour or 1lb. biscuit, equal to 1 $\frac{1}{4}$ lb. of bread; 1lb. salt beef or 1lb. mutton, or 10oz. salt pork, equal to 1lb. fresh beef. These substitutions are to be made only when required by the Officers authorized to draw the several Rations.

6. The supplies are to be delivered at the nearest fixed Stations to the places where the party may be employed, on the requisition of the Officer in charge, being previously to removal from the Contractor's premises approved by a person, if any, authorized for the purpose; and in case the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the Ration undermentioned, viz. :—

The maize or barley 4-12, the hay 5-12, the bran 2-12, the straw, 1-12.

7. The Tenders are to express the price per Ration only.

8. The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the

latter is required, one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement will be to provide for both Horses and Oxen.

9. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided in the following way:—the party objecting, will name one person as arbitrator, the Contractor or his Agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

10. If the arbitrators or umpire, shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which, it will be procured by the party requiring it, and the expense charged to the Contractor.

11. In the event of any unnecessary delay, or failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

12. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for the decision of the arbitrators, the Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality—it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which, it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

13. A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

14. It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of full three calendar months to the opposite party, and to end the contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the contract is made, or agreed to be made,

15. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

16. Printed forms of Tender may be obtained at this Office, from the Commandant of the Mounted Police, from the Commissioners of Crown Lands, and from the Benches of the several Districts; and at the foot of every Tender there must be a memorandum signed by the party tendering, and two res-

ponsible persons as sureties, agreeing to be responsible for the due performance of the Contract, in the event of the Tender being accepted, and undertaking in that event, that they will severally execute and deliver within two months from the usual notification of acceptance, a Bond to Her Majesty, in the penal sum of one hundred pounds, for securing such performance, otherwise such Tender will not be taken into consideration.

17. The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

18. Each Tender must be in the form referred to in paragraph 16, and is to be enclosed in a separate envelope, and marked "*Tender for provisions, &c., for Police Districts beyond the Boundaries.*"

19. Further particulars and information may be obtained on application to this Office, or to the Auditor General.

20. The party Tendering or an Agent authorised in writing to act for him, is requested to attend at this Office, at the time appointed for receiving the Tenders, to afford such explanation or information as may be required.
