Public Thoroughfares.

IT having been represented to the Government, that fences have been erected in several places across the usual line of road, by persons holding Depasturing Licenses in the District beyond the boundaries of location, whereby great public inconvenience has been sustained, his Excellency the Governor deems it necessary to point out that a License to depasture gives no right to the party holding it to place obstructions upon Crown Land which has hitherto been used as a customary public thoroughfare, or is necessary as a way to more distant stations; and his Excellency, therefore, calls upon all persons who have caused such obstructions to remove the same without delay.

By his Excellency's command,

Indulgences to Convicts.

HIS Excellency the Governor has been pleased to direct, that the Notice from this Office of the 1st May, 1846, respecting Indulgences to Convicts, be republished; and that the particular attention of all persons in charge of Convict Establishments be drawn to the periods of probation necessary to entitle Prisoners to have their applications forwarded for his Excellency's decision.

These periods are on no account to be abridged, unless for some special meritorious service, to be separately reported on through the Principal Superintendent of Convicts; and it is to be explained to all Prisoners seeking indulgence, that the caution given in the last paragraph of the Regulations referred to will in future be rigidly enforced.

By His Excellency's Command,
E. DEAS THOMSON.

Indulgences to Convicts.

CIRCUMSTANCES appearing to require a revision of the Regulations under which Tickets of Leave and Conditional Pardons are now granted to Prisoners of the Crown in this Colony, His Excellency the Governor is pleased to direct, that the following modifications be adopted in these Regulations from the date hereof.

1.—Without reference to the periods fixed by former Regulations, any Convict who may have served three entire years without punishment, and without any record of misconduct being made against him, may apply in the usual manner for a Ticket of Leave; and if on the investigation of his case, he appear to be deserving of the indulgence, and no legal or other impediment exist to his receiving it, a Ticket of Leave will be granted to him, and will remain in force during the Governor's pleasure.

2.—In like manner, any person who may have held a Ticket of Leave with continued good conduct during a period of not less than three years, and may be recommended by not less than three Magistrates or other persons of respectability known to the Government, may apply, by Petition, to the Governor for a Conditional Pardon.

In promulgating these Regulations, however, the Governor feels it necessary to remark, that his attention has been drawn to the unnecessary labour which is occasioned in the Department of the Principal Superintendent of Convicts, by the irregular and improper applications of persons for indulgences which they are not entitled to ask for; and His Excellency gives this general Notice, that all persons who may hereafter by their applications give unnecessary trouble of any sort, will expose themselves to the loss of the advantage promised by these Regulations, or to other punishment as the case may require.

E. DEAS THOMSON.

- 3.—To men of the Mounted Police, there shall be allowed the sum of one shilling and ninepence per diem for every day they may be necessarily detained in attendance on the Court, but they are not to receive any allowance for travelling.

Postage.

HIS Excellency the Governor has been pleased to direct the publication, for general information, of the accompanying copy of a letter from the Secretary to the General Post Office, to the Post Master General of this Colony, explaining the Regulations under which letters from New South Wales conveyed to the Indian Ports, by the Sydney Packees, will be transmitted to England, and the rates of Postage chargeable on such letters.

By His Excellency's Command,
E. DEAS THOMSON.

(Copy)

General Post Office,
25th August, 1846.

SIR,

I am directed by the Postmaster General to inform you, that the last Homeward Mails from New South Wales were landed at Calcutta, and forwarded thence to this Country via Marseilles, and that the correspondence brought by these mails was consequently charged with a postage of 2s. 2d. for each letter under a quarter of an ounce, whereas if the mails had been forwarded via Southampton, the letters would have been liable only to a charge of 1s. 4d. under the weight of half an ounce.

The Contractors for the conveyance of the Sydney Mails have the option, as you are aware, under their Contract, of landing the Homeward Mails at either Calcutta, Madras, Singapore, or Ceylon, although this is the first time they have availed themselves of their privilege, and the various Officers in India, entrusted with the despatch of the British Mails, have orders to send all letters for England by the route of Marseilles, that being the quickest route, unless specially addressed to be forwarded via Southampton.

No irregularity, therefore has been committed in this case, the proceedings being strictly in accordance with the standing Regulations.

As, however, the Postmaster General fears, that notwithstanding the benefit which the public have derived by the earlier delivery of their correspondence, much dissatisfaction will be experienced by reason of the higher charge to which the letters have been subjected, his Lordship, with the view of obviating, as far as

possible, the inconvenience which may result from this circumstance happening again, thinks it right thus to explain to you the Regulations under which letters from New South Wales conveyed to any of the Indian Ports before mentioned by the Sydney Packets, will be transmitted to this country; and he directs me to suggest, that such notices may be, at once, issued to the public as will put them in possession of the requisite information on this subject.

I have to add, for your information, the following table shewing the number of British and French rates to which letters, forwarded via Marseilles, are liable, according to their weight.

	British	French
A Letter under $\frac{1}{4}$ of ounce is liable to 1 and 1 Rate		
Do. weighing $\frac{1}{4}$ & not exceeding $\frac{1}{2}$ oz.	1	2
Do. exceeding $\frac{1}{4}$ & under $\frac{1}{2}$ oz.	2	3
Do. weighing $\frac{1}{2}$ & not exceeding 1 oz.	2	4
Do. exceeding 1 oz. and under $1\frac{1}{4}$ oz.	4	5

It must be observed, however, that the English and French modes of charging by weight are dissimilar, a letter not being liable to an increased British rate, unless it exceeds the half-ounce or ounce, while an additional foreign rate is chargeable if it actually attain, though it do not exceed the quarter, half, three-quarters of an ounce, or ounce respectively.

The single rate of postage, therefore, for a letter from New South Wales, weighing under a quarter of an ounce, forwarded via Marseilles, will be

	s.	d.
British	1	5
Foreign	0	5
Indian Ship-letter rate	0	4
	<hr/>	
	2	2

when forwarded via Southampton it will be under half an ounce.

	s.	d.
British rate	1	0
Indian Ship-letter rate	0	4
	<hr/>	
	1	4

When letters are forwarded to Ceylon for despatch to this country, the Indian Ship-letter rate is not chargeable. You are aware, of course, that in both cases the postage must be collected in England.

Newspapers, when sent via Marseilles, will be liable to a charge of 3d. each.

As it may be useful also for you to know the days of the month on which the Contract Packets usually leave the Indian Ports with the Homeward Mails, I have to state that they leave

- Calcutta on the 10th of each month,
- Madras " 15th
- Singapore " 10th
- Point de Galle 19th
- (Ceylon)

and that the mails via Marseilles generally arrive in London four or five days earlier than those forwarded via Southampton.

I have the honor to be,

Sir,

Your obedient humble servant,

(Signed) W. A. MAYBERLY,
J. RAYMOND, Esquire,

Colonial Secretary's Office,
Sydney, 2nd Dec., 1846.

CONDITIONAL PARDONS.

HIS Excellency the Governor directs it to be notified, that it has been decided by Her Majesty's Government to qualify, in the Pardons granted to Convicts in Australia, that condition which confined the effect of the Pardon to the Australian Colonies, and to give to the Convict, either Colonial or British, the power of removing to any place which he may desire, provided he should not return to the Country or Colony from which he had been transported.—

Conditional Pardons granted hereafter will, therefore, be available every where save in the Country or Colony from which the parties to whom they may be issued may have been transported.

It is further notified, that this arrangement is to have a retrospective effect, and that all persons who may hold Exceptive Absolute Pardons, available every where except in Europe, or Conditional Pardons, available either in the Australian Colonies, or in New South Wales only, will have extended to them the benefit of this Regulation, provided they have not disqualified themselves for receiving this indulgence by any colonial offence subsequent to the issue of their former Pardons.

Those persons who are desirous of obtaining new Pardons will apply, in writing, to the Principal Superintendent of Convicts, enclosing, at the same time, the Pardons they now hold.
