FORFEITED AND VACATED RUNS.

HIS Excellency the GOVERNOR directs it to be notified, that application having been made for the purchase of the Leases of the Runs of Crown Land hereunder described, which after having been occupied, have become vacant (by forfeiture or otherwise) Tenders, in the prescribed printed form, will be received at this Office, until noon of Monday, the 6th day of November next, from the previous applicants, and from any other persons desirous to enter into competition with them, for the purchase of the Lease of any one of the said Runs.

2. Every such Tender must state the term of years, (not exceeding fourteen,) for which it is proposed to take the Run; and whether in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of *yearly* premium for the lease.

3. As the grazing capabilities of these Runs have not yet been determined, it will be necessary that each Tender contain an estimate of the number of sheep or cattle that the Run will carry.

4. Until the Runs have been regularly surveyed, and their grazing capabilities determined, the future lessees will be required to pay rent according to their own estimates, as given in the Tenders; and in the event of the rent so paid proving to have been less than that determined by valuation, they will be required to make up the difference previously to the execution of the leases.

5. It is also to be distinctly understood, that the Government reserves to itself the right of excluding from the lease of any of these Runs, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of chapter II of Her Majesty's Order in Council, dated 9th March, 1847.

6. A separate Tender must be made for each separate Run.
