CLAIMS TO LEASES OF CROWN LAND

BEYOND THE SETTLED DISTRICTS.

HIS Excellency the GOVERNOR directs it to be notified, for the information of all persons interested, that in pursuance of Her Majesty's Order in Council, of 9th March, 1847, the under-mentioned persons have demanded Leases of the several runs of Crown Land, particularized in connexion with their respective names.

Persons who object to any of these claims, either wholly or in part, should lodge caveats at this Office within two months from the present date, specifying the Lands to which their objections extend, and the grounds on which their objections are based.

It is to be distinctly understood, that the Government does not pledge itself to the issue of a Lease in any case until due enquiry has been made into the validity of the claim, and whether or not it may be necessary to reserve any portion of the Land claimed, for any of the public purposes contemplated in the Order in Council.
