FORFEITED AND VACATED RUNS.

HIS Excellency the GOVERNOR directs it to be notified, that application having been made for the purchase of the Leases of the Runs of Crown Land hereunder described, which after having been occupied, have become vacant (by forfeiture or otherwise) Tenders, in the prescribed printed form, will be received at this Office, until noon of Monday, the 6th day of November next, from the previous applicants, and from any other persons desirous to enter into competition with them, for the purchase of the Lease of any one of the said Runs.

2. Every such Tender must state the term of years, (not exceeding fourteen,) for which it is proposed to take the Run; and whether in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of *yearly* premium for the lease.

3. As the grazing capabilities of these Runs have not yet been determined, it will be necessary that each Tender contain an estimate of the number of sheep or cattle that the Run will carry.

4. Until the Runs have been regularly surveyed, and their grazing capabilities determined, the future lessees will be required to pay rent according to their own estimates, as given in the Tenders; and in the event of the rent so paid proving to have been less than that determined by valuation, they will be required to make up the difference previously to the execution of the leases.

5. It is also to be distinctly understood, that the Government reserves to itself the right of excluding from the lease of any of these Runs, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of chapter II of Her Majesty's Order in Council, dated 9th March, 1817.

6. A separate Tender must be made for each separate Run.

WHEREAS by an Act of the Governor and Legislative Council of New South Wales, passed in the eleventh year of the reign of Our Lady the Queen, intituled, "An Act to regulate the admission, in certain cases, of Barristers of the Supreme Court of New South Wales," after reciting that it was expedient to make provision, in certain cases, for the admission of properly qualified persons to practise as Barristers of the Supreme Court of New South Wales—

It is enacted, that the Judges of the Supreme Court at Sydney, the Attorney General for the time being, and two Barristers of the Supreme Court, to be annually elected in the month of December for the year then ensuing, by the practising Barristers of the said Court, should form a Board for the approval of properly qualified persons to be Barristers of the Supreme Court of New South Wales, and that the said Board should, as soon as conveniently might be after the passing of the said Act, and from time to time, as might appear to them to be expedient, make and promulgate rules for the examination of candidates in the ancient classics, both Greek and Latin, in Mathematics, in Law, and in such other branches of knowledge as they should deem meet; and that the said Board might, from time to time, depute the examination of such candidates to such persons as they should consider competent to examine such candidates, subject to the payment of such reasonable fees to the examiners respectively, as the said Board should order to be paid by such candidates: Provided that two Barristers should be elected members of the said Board within three months after the passing of the said Act for the present year.

We, the members of the Board of Examiners for the remainder of the present year, in pursuance of the said Act, do hereby make and promulgate the following rules for the examination of candidates applying to be admitted as Barristers of the Supreme Court of New South Wales during the present year.

6. The Board shall meet on the third Saturday, in each Term, to determine as to the admission of the Candidates; and it shall then, or on some day of adjournment, consider the examination papers of such Candidates, and decide on their admission or rejection.
