Separate Tenders must also be made for the Male Orphan School, the Female Orphan School, the Institution for Destitute Roman Catholic Children, and for the Lunatic Asylum.

CONDITIONS.

1. All the articles required by this Notice are to be of the best quality of their several kinds.

2. The Flour and Bread must be the produce of clean sound Colonial wheat, from which, when forming part of the Ration to Prisoners of the Crown, 10 per cent., and in all other cases, 20 per cent. has been extracted in bran and waste.

3. Beef and Mutton to be issued in such proportions as may be required for the Ration to Emigrants, and when the quantity admits of it, this, as well as the Convict Ration of Beef, to be delivered in fore and hind quarters alternately.

15. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed by persons named by the Government, according to the practice of the service. But in country districts, where such a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

16. If the board, arbitrators, or umpire shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which, it will be procured by the Department requiring it, and the expense charged to the Contractor.

17. In the event of any unnecessary delay, or failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

18. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the Department, or Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

19. A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establish-ment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor

may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

20. It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made.

21. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

22. The value of all packages to be included in the prices demanded.

23. Printed forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches of the several Districts; and at the foot of every Tender, there must be a Memorandum, signed by the party tendering, and two responsible persons as sureties, agreeing to be responsible for the due performance of the Contract, in the event of the Tender being accepted, and undertaking in that event, that they will severally execute and deliver, within one month from the usual notification of acceptance, a bond to Her Majesty, for securing such performance, otherwise such Tender will not be taken into consideration.

NOTICE.

THE system of recording all Transfers of Goods in Bond, as introduced in the year 1846, having been found to work extremely ill, the Honorable the Board of Customs have authorised its being altered, with the sanction of His Excellency the Governor; and notice is therefore hereby given, that in future no transfer of such goods will be recorded in the Transfer Book, except in cases where the goods sold are the property of the occupier of a Bonding Warehouse, as provided for in the 9th section of the Imperial Act of Parliament, 8 and 9 Victoria, chap. 91; and that no goods will in future be delivered from the warehouse except upon the order of the person whose name is endorsed on the back of the bonding certificate, which will render it necessary that every time a sale of goods in bond takes place, the seller shall endorse on the back of the bonding certificate that the goods are sold to the person to whom the certificate is transferred.

In all cases the purchaser of goods under bond is authorised, by the 66th section of the 9th Victoria, No. 15, to give security, by bond, that no part of such goods shall be taken out of the warehouse until duly entered for home consumption or exportation, thereby showing that he is the owner of those goods, a course, however, which has never been adopted in this Colony, even when the transfer system was not in force.

Collector.

Due notice will be given of the day appointed for the hearing.

Case No. 1281.—George Mitchell, of Cleveland-street, Redfern, surviving trustee of Farrell Cuff, deceased, opposed by Patrick McKeone, of Richmond, by his solicitor, R. Gowland.

Two acres and nineteen perches, county of Cumberland, parish of Ham Common, town of Richmond, allotment No. 5 of section No. 2; bounded on the north-west by allotment No. 4, being a line bearing south 19 degrees 45 minutes west 8 chains 22 links to March-street; on the south-west by that street, being a line bearing west 19 degrees 25 minutes north 2 chains 58½ links; on the south-east by Bosworth-street, being a line bearing north 19 degrees 45 minutes east 8 chains 23 links to Windsor-street; and on the north-east by that street, being a line bearing west 19 degrees 20 minutes north 2 chains 48½ links.

On the original plan of Richmond, this allotment is shewn as No. 9, unlocated; on subsequent maps, and in a list dated 1822, it is shewn as purchased by Simmonds, and in 1827 it was found to be in his occupation. Simmonds sold to Farrell Cuff, who, in 1839 sold to John Cuff, who dying, devised to Farrell Cuff, who dying, devised in trust to Charles Farrell, (now deceased,) and George Mitchell, the Claimant. McKeone the opponent alleges, that on the 15th June, 1846, Farrell Cuff conveyed to him on condition of support during life. It will be necessary to shew how Simmonds became possessed. The Deed of Grant will be subject to the conditions of Quit Rent now estant.

By direction of the Commissioners,
