2. No Tender will be entertained in future unless made in the *prescribed printed form*, containing all the necessary particulars.

3. The Tenders must be endorsed "Tender for New Run," or "Tender for vacated Run," as the case may require.

4. As it is intended to act strictly on these rules, any person failing to comply with them, will, after this intimation, have no reason to complain, if he shall thereby lose any benefit which a compliance with them would have secured to him.

3.—As the grazing capabilities of the Run have not yet been determined, it will be necessary that each Tender contain an estimate of the number of sheep or cattle that the Run will carry.

4.—Until the Run has been regularly surveyed, and its grazing capabilities determined, the future lessee will be required to pay according to his own estimate, as given in his Tender; and in the event of the rent so paid proving to have been less than that determined by valuation, he will be required to make up the difference, previously to the execution of the Lease.
