ADJUSTED NEW RUNS.

**H**IS Excellency the Governor directs it to be notified, that Tenders having been received for the undermentioned New Runs of Crown Land, the boundaries of which required to be adjusted so as to exclude lands already under lease or promise of lease, or applied for by other parties, sealed

Tenders, in the prescribed printed form, will be received at this Office until noon of Monday, the 6th day of November next, from the previous applicants, and from any other persons desirous to enter into competition with them, for the purchase of the lease of any one of the said Runs, according to the amended descriptions hereto annexed, for a term not exceeding fourteen years.

2. Every such Tender must state the term of years, (not exceeding fourteen,) for which it is proposed to take the Run; and whether, in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of *yearly* premium for the lease.

3. As the grazing capabilities of these Runs have not yet been determined, it will be necessary that each Tender contain an estimate of the number of sheep or cattle that the Run will carry.

4. Until the Runs have been regularly surveyed, and their grazing capabilities determined, the future lessees will be required to pay rent according to their own estimates, as given in the Tenders; and in the event of the rent so paid proving to have been less than that determined by valuation, they will be required to make up the difference previously to the execution of the leases.

5. It is also to be distinctly understood, that the Government reserves to itself the right of excluding from the lease of any of these Runs, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of chapter II. of Her Majesty's Order in Council, dated 9th March, 1847.

6. A separate Tender must be made for each separate Run.
