The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages, and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants or passengers, or otherwise to the prejudice of the Post Office Revenue, under penalty of £5 for each and every offence.

The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster-General, from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party tendering or an agent for him, must attend at this Office on the day appointed for opening the Tenders; and each Tender must bear the signature of two respectable and solvent persons, engaging to enter into a bond with the Contractor for the safety of the Mails, and the due performance of the Contract, and every stipulation therein.
