Separate Tenders will be required for the forage in the District of Sydney, but the other supplies for that District are to be tendered for together.

The supplies for each of the other Districts, with the exception of those for the Protestant Orphan School, the Institution for Destitute Roman Catholic Children, and the Lunatic Asylums, are intended to be included in one Contract, and therefore no Tenders can be received, unless for supplying the whole that may be required in the entire of a District, and for each District there must be a separate Tender, excepting Hartley and Blackheath, and Yass, Gunning, and Narrawa, and Bathurst and Orange, for each of which places Tenders may be sent in separately.

Separate Tenders must also be made for the Protestant Orphan School, the Institution for Destitute Roman Catholic Children, and for the Lunatic Asylums.

CONDITIONS.

1. All the articles required by this Notice are to be of the best quality of their several kinds.

2. The Flour and Bread must be the produce of clean sound Colonial wheat, from which, when forming part of the Ration to Prisoners of the Crown, 10 per cent., and in all other cases, 20 per cent. has been extracted in bran and waste.

3. Beef and Mutton to be issued in such proportions as may be required for the Ration to Immigrants, and when the quantity admits of it, this, as well as the Convict Ration of Beef, to be delivered in fore and hind quarters alternately.

4. Beef to be issued to the Protestant Orphan School on five days, and Mutton on two days of the week, for the Boys; and for the Girls, Beef be issued three days, and Mutton four days of the week.

5. The Maize Meal to be similar in quality the Wheat Meal, and to be twice ground.

6. The Tobacco to be Colonial.

7. Mutton, or 10oz. salt Pork, equal to 1lb. of fresh Beef; 1lb. of Coal equal to 3lbs. of Firewood.

8. These substitutions are to be made only when required by the Officers authorised to draw the several Rations.

15. The Tenders for Provisions and Forage, when required by Rations, according to the scale under their respective heads, are to express the price per Ration only.

16. The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one-half of the allowance fixed for Horses will be drawn, and one-half the price, allowed to the Contractor, whose engagement will be to provide for both Horses and Oxen.

17. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed

by persons named by the Government, according to the practice of the service. But in country districts, where such a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

18. If the board, arbitrators, or umpire shall decide that the article is not of proper quality it must be immediately replaced by the Contractor, failing of which, it will be procured by the Department requiring it, and the expense charged to the Contractor.

19. In the event of any unnecessary delay, or failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

20. In cases where the article of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the Department, or Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject, the place of delivery, such article or articles are obviously of inferior quality; it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the meantime, he must take back the rejected article, and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

21. A repetition of irregularity in the quality or quantity of the supplies or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

22. Great inconvenience having been experienced former years from the discontinuance of Contracts, under the option given after three months notice on either side, parties tendering will observe that no such power will be reserved in respect to the Contracts for 1850, but that the same will be for the full period of the year, whatever may be the fluctuations in the prices of provisions or otherwise.

23. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

24. The value of all packages to be included in the prices demanded.

25. Printed forms of Tender may be obtained at this Office, or from the Police Magistrates or Benchmen of the several Districts; and at the foot of every Tender, there must be a Memorandum, signed by the party tendering, and two responsible persons as sureties, agreeing to be responsible for

the due performance of the Contract, in the event of the Tender being accepted, and undertaking in that event, that they will severally execute and deliver, within one month from the usual notification of acceptance, a bond to Her Majesty, for securing such performance, otherwise such Tender will not be taken into consideration.

26. The Tenders to contain the names of the Tenderers and their Sureties, and places of residence at length.

27. Each Tender must be in the form referred to in paragraph 25, and enclosed in a separate envelope, marked: "*Tender for Provisions, &c.*"

28. Further particulars and information may be obtained on application at this Office, or to the Auditor General.

29. The Party tendering, or an Agent authorised in writing to act for him, is requested to attend at this Office, at the time appointed for receiving the Tenders, to afford such explanation or information as may be required.

E. DEAS THOMSON.

COURT OF CLAIMS.

NOTICE is hereby given, that the following claims for deeds of grant of lands, will be ready for the examination of the Commissioners appointed for that purpose, under the Act of Council 5 William 4, No. 21, at the expiration of two months from this date, before which day any caveat or counter claim must be entered at the Office. Due notice will be given of the days appointed for the hearings.

Case No. 1289.—John Bede Polding, Archbishop, by his solicitors Messrs. Dunsmure and Longmore, Fifty acres, County of Cook, parish unnamed, on the Comleroy Road, Kurrijong; commencing on the Comleroy Road, at the south-west corner of Thomas Frost's 50 acres; and bounded on the north by a line east 29 chains; on the east by a line south 14 chains; on the south by a line west 39 chains 50 links to the Comleroy Road; and on the west by that road to the south-west corner of Frost's 50 acres aforesaid.

This land was located on an order of Sir Thomas Brisbane, dated 21st February, 1825, in favor of John Ryan. The order was confirmed by Governor Darling, on the 30th April, 1827, and possession was authorised on the 9th June, 1827. On the 10th November, 1834, Ryan conveyed to the Reverend C. V. Dowling, who it is alleged has conveyed to claimant.

Case No. 1290.—John Tindale, of Penrith, as executor of the estate of Thomas Appledore, opposed by Richard Appledore, of Emu Plains, as heir at law.

Eighty-nine acres, County of Cumberland, parish of Castlereagh, on the Nepean River; commencing at the south-east corner of Jacob Russell's 28 acres; and bounded on the west by that land northerly 40 chains 60 links to a Government road; on the north by that road bearing east 24 chains 32 links to W. N. Chapman's 1300 acres; on the east by W. N. Chapman's 1300 acres, southerly 31 chains 17 links to the Nepean River; and on the south by that river to the point of commencement.

By deed dated 1st July, 1803, 50 acres of land were granted to Thomas Appledore, but the quantity appropriated is 100 acres. The deed is void for uncertainty in the description of the parcels, and for error in the area, provided it were originally intended to convey the whole 100 acres to Thomas Appledore, but Richard Appledore alleges that another deed of 50 acres for Appledore's children, ought also to have issued in 1803. Thomas Appledore by deed dated 10th July, 1809, sold a portion of the land to Jacob Russell. See case No. 1291. If it can be proved that 50 acres out of the 100 acres were intended for Appledore's children, these claimants will be entitled to 39 acres only, out of the remaining 89 acres above described.

Case No. 1291.—Jacob Russell, of the Nepean River.

Twenty-eight acres, County of Cumberland, parish of Castlereagh, on the Nepean River; commencing at the south-east corner of R. Westmore's 80 acres; and bounded on the west by that land northerly 42 chains 14 links to a Government road; on the north by that road bearing easterly 6 chains and 93 links to T. Appledore's 89 acres; on the east by the said T. Appledore's 89 acres, southerly 40 chains and 60 links to the Nepean River; and on the south by that river to the point of commencement.

By deed dated 1st July, 1803, 50 acres of land were granted to Thomas Appledore, but the quantity appropriated is 100 acres. The deed is void for uncertainty in the description of the parcels and for error in the area, provided it were originally intended to convey the whole 100 acres to Thomas Appledore. On the 10th July, 1809, Thomas Appledore sold a portion of the land as above described, to Jacob Russell; a fresh deed being required by Appledore's representatives. See case No. 1290, A deed of this Russell's portion is likewise necessary.

Case No. 1292.—Richard Archibald, of Lane Cove, opposed by M. Cahill, of Surry Hills.

Six hundred acres, County of Cumberland, parish of Willoughby; bounded on the west and partly on the south by Mrs. G. Brown's one hundred and sixty acres, commencing at the south-east corner thereof, and bearing north fifty-three chains and south sixty degrees, west fifty chains; thence on the south-west by part of Isaac Nicholl's two hundred acres, bearing west sixty degrees, north thirty chains fifty links; and south sixty degrees, west four chains to the Lane Cove Road, and by that road northerly to a point one chain distant from the south-west corner of D. D. Matthew's four hundred acres; on the north-west by a reserved road 1 chain wide separating it from the said four hundred acres and bearing north sixty degrees, east seventy-five chains fifty links; on the north-east by a line bearing east sixty degrees, south one hundred and twenty-four chains eighty-five links; and on the south by a reserved road bearing west twenty-seven chains eighty-three links to John Williams twenty acres purchase; then by the east, north, and by eighteen chains thirty-five links of the west boundary line of that purchase; and thence by a line bearing west eighteen chains ten links to the commencing point.

This land was located on an order of Sir Thomas Brisbane, dated 14th September, 1825, in favor of Richard Archibald, deceased; claimant is his heir at law; the opponent Cahill alleges that the land is his property.

By the direction of the Commissioners,
JOHN THOMPSON,
Secretary.
