ACT OF COUNCIL.

HIS Excellency the GOVERNOR is pleased to direct the publication of the following Despatch from the Right Honorable the Secretary of State, having reference to the Act of the Colonial Legislature, 11 Victoria, No. 54, intituled, "An Act to remove doubts concerning the validity of certain Grants of Land in the City of Sydney," together with the Act of Parliament alluded to in His Lordship's Despatch, which for the reason therein assigned, has been passed in substitution of the Local Act.

By His Excellency's Command,
E. DEAS THOMSON.

(No 97.)

Downing-street,
16th June, 1849.

SIR,

Amongst the twenty-three Acts transmitted to me for Her Majesty's allowance, with your Despatch No. 179, of 12th August last, is one intituled "An Act to remove doubts concerning the validity of certain Grants of Land in the City of Sydney," (11 Vict., No. 54.)

2. On looking into the Act it appeared to me that a serious doubt might arise as to its validity, and one which Her Majesty's confirmation could not remove. The grants of these allotments by Sir Ralph Darling were grants of Crown Land, and, according to your Despatch, it is questioned whether such of these grants as do not recite certain existing leases are good.

But if there is any foundation for this objection the allotments would revert to the Crown at the expiration of the leases. Consequently it appears at least extremely doubtful whether any enactment of the Local Legislature to confirm these titles would not be a violation of the provision of the Constitutional Act,—that no Law of the Legislature of New South Wales shall interfere in any manner with the sale or other appropriation of the land belonging to the Crown.

3: Considering, therefore, that this doubt existed, and that, as I have before stated, the simple confirmation of Her Majesty would not remove it, and consequently that these titles would remain insecure, it appeared to me that the best course to take was to confirm the grants in question by Act of Parliament. The Bill introduced for this purpose has now been passed into a Law, (12 Vict., No. 24) and I transmit it with this Despatch.

4. You will observe that it merely repeats the language of the Local Act, confirming the grants made between the date of Sir Ralph Darling's Proclamation and the 17th June, 1848, being the date of the Local Act.

5. The latter Act is, therefore, as I apprehend, now of no objection, and probably the most convenient course will be to disallow it, which I shall accordingly advise Her Majesty to do, unless I receive any suggestions from you to the contrary before the period for disallowance expires.

I have, &c.,
(Signed) GREY.

GOVERNOR SIR CHARLES FITZ ROY,
&c., &c., &c.

ANNO DUODECIMO VICTORIÆ
REGINÆ.
CAP. XXII.

An Act to remove doubts concerning the validity of certain Grants of Land in the Colony of New South Wales. [24th May, 1849.]

WHEREAS by a Proclamation bearing date the eighth day of June, One thousand eight hundred and twenty-nine, made and published by His Excellency Lieutenant-General

Ralph Darling, then Captain-General and Governor-in-Chief of the Colony of New South Wales, reciting that much inconvenience had been occasioned by the want of sufficient titles for allotments of land in the Town of Sydney, and that such titles had not been issued by the Government, except in a few instances, since the thirtieth day of June, one thousand eight hundred and twenty-three; in order to remedy the said inconvenience, and to give the necessary security to private property, it was thereby ordained and proclaimed, that, on application being made, a grant in fee simple should be issued, under the conditions in the said Proclamation specified, to every person, or his lawful representative, who on or before the said thirtieth day of June, one thousand eight hundred and twenty-three was *bonâ fide* in possession, by lease from the Government, whether such lease was then expired or not, or by mere right of occupancy, of any allotment of land in the Town of Sydney which had not theretofore been alienated by the Crown; and not specified in a certain Order of the Government, bearing even date with the said Proclamation number thirty, or otherwise notified theretofore as being required for public purposes, reserving, however, and keeping harmless, all rights of other private individuals which might be lawfully established at any time thereafter: And whereas since the issuing of the said Proclamation grants in fee simple of allotments of land in Sydney which had been before leased by the Government have from time to time been made and issued to divers persons claiming the said land, under the terms and conditions set forth in the said Proclamation: And whereas at the time of the making and issuing of divers of the said grants, leases which had been issued by the Government of lands comprised in such grants were unexpired, and the said leases were not surrendered nor cancelled, nor recited nor mentioned in the said grants: And whereas doubts have been entertained whether such grants are valid; and it is expedient that such doubts as aforesaid should be removed by authority of Parliament: Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Grants of lands authority of the same, That all in Sydney con- grants made and issued after the date and publication of the said Proclamation, and before the seventeenth day of June, one thousand eight hundred and forty-eight, by or in the name of the Governor or person administering the Government of the said Colony for the time being, or by or in the name of either of Her Majesty's predecessors King George the Fourth and King William the Fourth, or by or in the name of Her Majesty, of any lands situated in Sydney, shall (notwithstanding that the leases which had been issued of the same lands were at the time of the making and issuing of such grants unexpired, and that such leases were not recited in the said grants,) be and be deemed and taken to have been from the respective dates thereof as valid and effectual in the law to grant and convey such lands to all intents and purposes as if such leases had been recited and set forth in such grants.

II. Provided always and be it enacted, That nothing in this Act contained shall be deemed or taken to affect or prejudice the rights of any person or persons to any lands or hereditaments which have been erroneously or wrongfully granted to any grantee thereof, contrary to the true intent and meaning of the said Proclamation, anything in any such grant or in this Act to the contrary notwithstanding.

COURT OF CLAIMS.

NOTICE is hereby given, that the following claims for deeds of grant of lands, will be ready for the examination of the Commissioners, appointed for that purpose, under the Act of Council 5 William 4, No. 21, at the expiration of two months from this date, before which day any caveat or counter claim must be entered at the Office. Due notice will be given of the days appointed for the hearings.

Case No. 1289.—John Bede Polding, Archbishop by his solicitors Messrs. Dunsmore and Longmore,

Fifty acres, County of Cook, parish unnamed, on the Comleroy Road, Kurrijong; commencing on the Comleroy Road, at the south-west corner of Thomas Frost's 50 acres; and bounded on the north by a line east 29 chains; on the east by a line south 14 chains; on the south by a line west 39 chains 50 links to the Comleroy Road; and on the west by that road to the south-west corner of Frost's 50 acres aforesaid.

This land was located on an order of Sir Thomas Brisbane, dated 21st February, 1825, in favor of John Ryan. The order was confirmed by Governor Darling, on the 30th April, 1827, and possession was authorized on the 9th June, 1827. On the 10th November, 1834, Ryan conveyed to the Reverend C. V. Dowling, who it is alleged has conveyed to claimant.

Case No. 1290.—John Tindale, of Penrith, as executor of the estate of Thomas Appledore, opposed by Richard Appledore, of Emu Plains, as heir at law.

Eighty-nine acres, County of Cumberland, parish of Castlereagh, on the Nepean River; commencing at the south-east corner of Jacob Russell's 28 acres; and bounded on the west by that land northerly 40 chains 60 links to a Government road; on the north by that road bearing east 24 chains 32 links to W. N. Chapman's 1300 acres; on the east by W. N. Chapman's 1300 acres, southerly 31 chains 17 links to the Nepean River; and on the south by that river to the point of commencement.

By deed dated 1st July, 1803, 50 acres of land were granted to Thomas Appledore, but the quantity appropriated is 100 acres. The deed is void for uncertainty in the description of the parcels, and for error in the area, provided it were originally intended to convey the whole 100 acres to Thomas Appledore, but Richard Appledore alleges that another deed of 50 acres for Appledore's children, ought also to have issued in 1803. Thomas Appledore by deed dated 10th July, 1809, sold a portion of the land to

Jaco Russell. See case No. 1291. If it can be proved that 50 acres out of the 100 acres were intended for Appledore's children; these claimants will be entitled to 39 acres only, out of the remaining 89 acres above described.

Case No. 1291.—Jacob Russell, of the Nepean River.

Twenty-eight acres, County of Cumberland, parish of Castlereagh, on the Nepean River; commencing at the south-east corner of R. Westmore's 80 acres; and bounded on the west by that land northerly 42 chains 14 links to a Government road; on the north by that road bearing easterly 6 chains and 93 links to T. Appledore's 89 acres; on the east by the said T. Appledore's 89 acres, southerly 40 chains and 60 links to the Nepean River; and on the south by that river to the point of commencement.

By deed dated 1st July, 1803, 50 acres of land were granted to Thomas Appledore, but the quantity appropriated is 100 acres. The deed is void for uncertainty in the description of the parcels and for error in the area, provided it were originally intended to convey the whole 100 acres to Thomas Appledore. On the 10th July, 1809, Thomas Appledore sold a portion of the land as above described, to Jacob Russell; a fresh deed being required by Appledore's representatives. See case No. 1290, A deed of this Russell's portion is likewise necessary.

Case No. 1292.—Richard Archibald, of Lane Cove, opposed by M. Cahill, of Surry Hills.

Six hundred acres, County of Cumberland, parish of Willoughby; bounded on the west and partly on the south by Mrs. G. Brown's one hundred and sixty acres, commencing at the south-east corner thereof, and bearing north fifty-three chains and south sixty degrees, west fifty chains; thence on the south-west by part of Isaac Nicholl's two hundred acres, bearing west sixty degrees, north thirty chains fifty links; and south sixty degrees, west four chains to the Lane Cove Road, and by that road northerly to a point one chain distant from the south-west corner of D. D. Matthew's four hundred acres; on the north-west by a reserved road 1 chain wide separating it from the said four hundred acres and bearing north sixty degrees, east seventy-five chains fifty links; on the north-east by a line bearing east sixty degrees, south one hundred and twenty-four chains eighty-five links; and on the south by a reserved road bearing west twenty-seven chains eighty-three links to John Williams twenty acres purchase; then by the east, north, and by eighteen chains thirty-five links of the west boundary line of that purchase; and thence by a line bearing west eighteen chains ten links to the commencing points

This land was located on an order of Sir Thomas Brisbane, dated 14th September, 1825, in favor of Richard Archibald, deceased; claimant is his heir at law; the opponent Cahill alleges that the land is his property.

By the direction of the Commissioners,
