VACCINATION.

HIS Excellency the GOVERNOR has directed the re-publication of the Notice of 11th January, 1847, with a view of drawing the attention of Parents and Guardians to the importance of Vaccination.

By His Excellency's Command,

E. DEAS THOMSON.

Colonial Secretary's Office,

Sydney, 11th January, 1847.

VACCINATION.

His Excellency the Governor directs it to be notified, that a Vaccine Institution has been established in Sydney, and that Dr. Savage, the Health Officer, has been appointed to carry out the objects of the Institution.

His Excellency further directs it to be notified, that Dr. Savage will be in attendance at the Immigration Barracks, Bent-street, between the hours of 10 and 12 o'clock on every Tuesday and Saturday to Vaccinate, free of charge, such children as may be taken to him for the purpose. But as the operation itself, without any proof of its having taken effect, would be insufficient security to the public mind, His Excellency has been pleased to direct, that the sum of one shilling shall be deposited for every child Vaccinated, which sum will be returned on the presentation of the child on the next vaccination day.

His Excellency very strongly recommends Parents and Guardians to avail themselves of the means thus afforded to them of taking this necessary and proper precaution with respect to all children not already vaccinated.

In order that a constant supply may be kept up throughout the Colony, the Health Officer will furnish lymph to any Medical Practitioners in the Country Districts who may apply for the same.

All communications with that Officer on the subject of Vaccination, sent through the Post Office, must be enclosed under cover to the Colonial Secretary, with the word "Vaccination" on the lower left hand corner of the envelope.

By His Excellency's Command,

E. DEAS THOMSON.

Colonial Secretary's Office,

Sydney, 12th April, 1849.

COURT OF CLAIMS.

NOTICE is hereby given, that the following Claims for Deeds of Grant of town allotments will be ready for the examination of the Commissioners appointed for that purpose, under the Act of Council, 5 William IV., No. 21, at the expiration of two months from this date, before which day any caveat or counter claim must be entered at the Office. Due notice will be given of the days appointed for the hearings.

Case No. 1284.—Trustees of the late Simeon Lord, by their Solicitors Messrs. Rodd and Dawson, opposed by the Bank of New South Wales.

Nineteen perches, more or less, County of Cumberland, City of Sydney, parish of St. James, allotment No. — of section No. —; bounded on the south by the building line in Bridge-street, commencing at the wall on the east side of the tank stream, bearing easterly 111 feet, more or less, to that part of the said premises already granted to Simeon Lord; on the north-east by those premises, being a line bearing, according to the deed of grant, west 35 degrees, north 125 feet, more or less, to the said wall on the east side of the tank stream; and thence on the west by the aforesaid wall, bearing south 2 degrees, west 99 feet, more or less, to the point of commencement.

This Land having been in possession of the late Simeon Lord, prior to the 30th June, 1823, and not being reserved to the Crown, a Deed of grant thereof is claimed, under the provisions of Governor Darling's Proclamation of 8th June, 1829.

Case No. 1285.—William Benson, of Richmond, by his trustees William Bowman and Stephen Field, both of Richmond.

Two acres and 20 perches, County of Cumberland, parish of Ham Common, Town of Richmond, allotment No. 7 of section No. 9; bounded on the north-west by allotment No. 6, being a line bearing

8 chains 21 links; on the south-west by Lennox-street, being a line bearing east $20\frac{1}{2}$ degrees, south 2 chains 60 links; on the south-east by East Market-street, being a line bearing north $18\frac{3}{4}$ degrees, east 8 chains $27\frac{1}{2}$ links; and on the north-east by March-street, being a line bearing west $19\frac{1}{2}$ degrees, north 2 chains 56 links.

This allotment formed the subject of the Case No. 1197, and the Commissioners recommended a Deed of Grant to issue to Samuel Bayliss, but its preparation being delayed by legal consideration, Bayliss in the mean time became insolvent, and the trustees of his estate sold the allotment to John Fawcett, who, dying, devised in trust to claimant.

Case No. 1286.—John Wedderburne, of Keith House, Haddingtonshire, North Britain, by his Solicitors Messrs. Holden and M'Carthy.

Two thousand five hundred and sixty acres, County of Durham, parish of Howick, commencing at the western extreme of the north boundary line of James Robson's 2000 acre grant, and bounded on part of the south by that boundary line bearing east 80 chains; on part of the east by 40 chains of the west boundary line of J. K. James' 2000 acre grant, bearing north to the north extreme thereof; on the residue of the south by the north boundary line of I. H. James' grant aforesaid, bearing east 80 chains; on the residue of the east by a north line of 140 chains; on the north by a west line of 160 chains; and on the west by a south line of 180 chains to the western extreme of the north boundary line of James Robson's 2000 acre grant aforesaid.

This land was located on an order of Governor Darling's, dated 17th October, 1828, in favor of John Tooth, who it is alleged, sold to Thomas Horton James, from whom claimant derives his title.

By the direction of the Commissioners,
JOHN THOMPSON,
