COURT OF CLAIMS.

NOTICE is hereby given, that the following Claims for Deeds of Grant of town allotments will be ready for the examination of the Commissioners appointed for that purpose, under the Act of Council, 5 William IV., No. 21, at the expiration of two months from this date, before which day any caveat or counter claim must be entered at the Office. Due notice will be given of the days appointed for the hearings.

Case No. 1284.—Trustees of the late Simeon Lord, by their Solicitors Messrs. Rodd and Dawson, opposed by the Bank of New South Wales.

Nineteen perches, more or less, County of Cumberland, City of Sydney, parish of St. James, allotment No. — of section No. —; bounded on the south by the building line in Bridge-street, commencing at the wall on the east side of the tank stream, bearing easterly 111 feet, more or less, to that part of the said premises already granted to Simeon Lord; on the north-east by those premises, being a line bearing, according to the deed of grant, west 35 degrees, north 125 feet, more or less, to the said wall on the east side of the tank stream; and thence on the west by the aforesaid wall, bearing south 2 degrees, west 99 feet, more or less, to the point of commencement.

This Land having been in possession of the late Simeon Lord, prior to the 30th June, 1823, and not being reserved to the Crown, a Deed of grant thereof is claimed, under the provisions of Governor Darling's Proclamation of 8th June, 1829.

Case No. 1285.—William Benson, of Richmond, by his trustees William Bowman and Stephen Field, both of Richmond.

Two acres and 20 perches, County of Cumberland, parish of Ham Common, Town of Richmond, allotment No. 7 of section No. 9; bounded on the north-west by allotment No. 6, being a line bearing 8 chains 21 links; on the south-west by Lennox-street, being a line bearing east 20½ degrees, south

2 chains 60 links; on the south-east by East Market-street, being a line bearing north $18\frac{3}{4}$ degrees, east 8 chains $27\frac{1}{2}$ links; and on the north-east by March-street, being a line bearing west $19\frac{1}{2}$ degrees, north 2 chains 56 links.

This allotment formed the subject of the Case No. 1197, and the Commissioners recommended a Deed of Grant to issue to Samuel Bayliss, but its preparation being delayed by legal consideration, Bayliss in the mean time became insolvent, and the trustees of his estate sold the allotment to John Fawcett, who, dying, devised in trust to claimant.

Case No. 1286.—John Wedderburne, of Keith House, Haddingtonshire, North Britain, by his Solicitors Messrs. Holden and M'Carthy.

Two thousand five hundred and sixty acres, County of Durham, parish of Howick, commencing at the western extreme of the north boundary line of James Robson's 2000 acre grant, and bounded on part of the south by that boundary line bearing east 80 chains; on part of the east by 40 chains of the west boundary line of J. K. James' 2000 acre grant, bearing north to the north extreme thereof; on the residue of the south by the north boundary line of T. H. James' grant aforesaid, bearing east 80 chains; on the residue of the east by a north line of 140 chains; on the north by a west line of 160 chains; and on the west by a south line of 180 chains to the western extreme of the north boundary line of James Robson's 2000 acre grant aforesaid.

This land was located on an order of Governor Darling's, dated 17th October, 1828, in favor of John Tooth, who it is alleged, sold to Thomas Horton James, from whom claimant derives his title.

By the direction of the Commissioners,
