*Colonial Secretary's Office,
Sydney, 11th May, 1849.*

HIS Excellency the GOVERNOR is pleased to direct the publication, for general information, of the following extract from a report made

by Lieutenant Yule, of Her Majesty's schooner "Bramble," respecting a shoal not at present laid down in the charts of the coast off Tuggerah Lake, to the northward of Broken Bay, which has been transmitted to this Office by Captain Stanley, of Her Majesty's survey ship "Rattlesnake."

*By His Excellency's Command,
E. DEAS THOMSON.*

**EXTRACT FROM LIEUT. YULE'S REPORT
TO CAPTAIN OWEN STANLEY.**

"THE outer extremity of the shoal is on a line with Bird Island and Bungarynora Point, Tuggerah Point bearing north 64 degrees west, distant 1.95 nautical miles. At intervals between the breaking of the rollers, I succeeded in getting soundings of 3 fathoms, rocky bottom. I observed continuous breakers from the outer extremity of the shoal to Point Tuggerah, in a north-west direction, sufficient to upset or swamp a small coaster. The shoal may be avoided by keeping outside the transit line I have mentioned,—namely, Bird Island on with Bungarynora Point. I beg to add, that I observed heavy breakers extending a considerable distance from Point Bungarynora, which should warn the smaller vessels to keep well outside that point."
