- It is to be understood that the mails are to be despatched on the days and hours to be fixed by the Chief Postmaster, either according to the present arrangement, or as he may afterwards determine, for the public convenience.

It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters, which may be delivered to them, under authority of the Chief Postmaster, or any of the Postmasters, and to provide secure lockers for the mails in carriages, and dry-coverings for the bags on horse-back.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants or passengers, or otherwise, to the prejudice of the Post Office revenue, but all loose letters collected on the road are to be delivered up to the Postmaster, at first Post Office arrived at, under penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five or ten minutes respectively.

Contractors will be strictly bound not to assign any portion of their contract, without consent of the Chief Postmaster.

A mail-cart or carriage, drawn only by one horse, must not carry more than one passenger; by two horses not more than three passengers; and by three or more horses, not more than six passengers, exclusive of the driver, under the penalty of three pounds for each offence.

All vehicles and horses employed in the conveyance of mails, are to be at all times subject to the inspection and approval, or rejection of the Chief Postmaster, or person appointed by him for that purpose.

The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement, are to be deducted by the Chief Postmaster from the next quarterly instalment falling due to the Contractor, and are to be considered as over and above any penalties established by any Act of Council.

Each party tendering, or an agent for him, must attend at this office, on the day appointed for opening the Tenders, and each Tender must bear the signature of two respectable and solvent persons, engaging to enter into a bond with the contractor, for the safety of the mails, and the due performance of the contract, and every stipulation therein.

The hours of starting from each Post Office, or stage, and all other particulars may be ascertained at the Post Office, Melbourne, where parties proposing to tender are invited to seek information.

Printed forms of tender may be had on application at the Melbourne Post Office
