It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the Contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags letters and newspapers which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants or passengers, or otherwise to the prejudice of the Post Office Revenue, under penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five or ten minutes respectively.

Contractors will be strictly bound not to assign any portion of their Contract without consent of the Postmaster-General.

A Mail Cart or Carriage, drawn only by one horse, must not carry more than one passenger; by two horses not more than three passengers, and by three or more horses, not more than six passengers, exclusive of the driver, under a penalty of £3 for each offence.

All vehicles and horses employed in the conveyance of Mails are to be at all times subject to the inspection and approval, or rejection of the Postmaster-General, or person appointed by him for that purpose.

The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster-General, from the next quarterly instalment falling

due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party tendering or an agent for him must attend at this Office on the day appointed for opening the Tenders; and each Tender must bear the signature of two respectable and solvent persons, engaging to enter into a bond with the Contractor for the safety of the Mails, and the due performance of the Contract, and every stipulation therein.

The hours of starting from each Post Office or stage and other particulars, may be ascertained at the General Post Office, where parties proposing to Tender are invited to seek information.
