LICENSES TO CUT TIMBER ON CROWN  
LANDS.

MIDDLE DISTRICT.

(Former Regulations cancelled. New to take effect  
from 1st January, 1851.)

**T**HE Regulations dated 21st May, 1839, relating to the issue of Licenses for cutting Timber on Crown Lands, requiring amendment in certain particulars, His Excellency the Governor, with the advice of the Executive Council, has been pleased to cancel the Regulations referred to, and to substitute the following, to take effect upon and after the first day of January, 1851.

(Applications to be made to Court of Petty Sessions.)

2. Applications for Licenses to cut Timber on the vacant Crown Lands, within the Settled Districts, are to be addressed in the form annexed, (A) to the principal Court of Petty Sessions of the District within which the License is to be used.

(Or Crown Commissioner beyond Settled Districts.)

3. Applications for Licenses to cut Timber on vacant Crown Lands beyond the Settled Districts, are to be made in the same form (A); but addressed to the Crown Commissioner of the District.

(Recommendation required.)

4. Every such application must be supported by the recommendation of at least two respectable persons, to the satisfaction of the Bench of Magistrates or Commissioner, as the case may be.

(Discretion given to issue Licenses.)

5. The Bench of Magistrates and Crown Commissioners are authorised to exercise a full discretion in the giving or withholding of the Licenses applied for, according to the merits of each case.

(Applications to be filed.)

6. Applications for Timber Licenses shall be filed of record, by the Bench or Commissioner, to whom they may have been addressed, for the convenience of future reference, if need be.

(Return of applications to be made to Colonial Secretary.)

7. A return in the form annexed (B) of all applications granted or refused, is to be made half-yearly to the Colonial Secretary, by the different Benches within the Settled Districts, and to the Chief Commissioner of Crown Lands, by the several Crown Commissioners beyond the Settled Districts. These returns will briefly state the grounds of the decision in any case where the Bench or Commissioner may have seen fit to refuse the License applied for.

(License personal.)

8. The License in the form annexed (C) will be personal, and will entitle no one but the actual holder to any privilege whatsoever; neither will it be transferable.

(Separate License for each person.)

9. A separate License must be taken out by every person actually employed in felling, cutting, sawing, splitting, or removing Timber from Crown Lands; as well dead Timber, underwood, or roots cut for fuel, as growing Timber cut for other purposes.

*(Lessees may cut Timber for certain purposes without License.)*

10. The preceding Regulation does not, of course, apply to the Lessee or Licensed Occupant of Crown Lands, either within or beyond the Settled Districts, who is at liberty to cut any Timber growing thereon, for domestic uses, for firebote, fencing, or other convenience for the enjoyment of the land, but not for sale or barter.

*(Licenses.)*

11. The Licenses shall be of two kinds—one empowering the holder to cut any kind of Timber as well Cedar and Pine as hardwood; the other will be restricted to hardwood alone.

*(Fees.)*

12. The fee for a Cedar or Pine License shall be £4, which must be paid to the Clerk of Petty Sessions, or Crown Commissioner as the case may be, previously to the issue of the License; and the fee for a hardwood License shall be £2, to be paid in like manner.

*(Clerks of Benches to account.)*

13. The sums so paid to the Clerks of Benches or Crown Commissioners are to be accounted for and paid over in the same way as other public moneys passing through their hands.

*(Operation of License.)*

14. The Licenses shall be operative only within the Police District, or Commissioner's District for which they are granted.

*(How available in another District.)*

15. Licenses granted for one District may be made available in another without the payment of any additional fee, provided that the Licensee obtain the written consent of the Bench or Commissioner of such last mentioned District, to be endorsed on the License and recorded in the office of the principal place for holding Courts of Petty Sessions or of the Commissioner as the case may be.

*(Duration of License.)*

16. The Licenses shall be in force for twelve months from the 1st January in each year; Licenses taken out on or after the 1st July, shall in like manner determine on 31st December, but they will be charged only half the regulated fee.

*(Timber to be removed.)*

17. In order to prevent needless waste of Timber, all Timber must be removed from off the Crown Lands, within 12 months from the time at which it was cut; otherwise it will be liable to be seized, forfeited, and sold on behalf of the Crown, notwithstanding that it was cut under the authority of a license duly obtained.

*(Licenses to be notified.)*

18. A return will be published, from time to time, in the *Government Gazette*, of all Timber Licenses issued.

*(Licenses to extend only to vacant Crown Land.)*

19. It is distinctly to be understood, that Licenses granted under these Regulations will extend only to the vacant Crown Lands in the District for which they are granted. Lands therefore temporarily Leased within the Settled Districts, or in Licensed occupation beyond the

Settled Districts, will not be open to use for this purpose, unless with the consent of the Lessee or Licensed occupant; neither will any Lands which have been or may hereafter be reserved by a public notification to that effect.

*(Renewal of Licenses.)*

20. Persons holding Licenses under these Regulations may renew them annually, on payment of the regulated fee, without any fresh recommendation; unless the Bench of Magistrates or Crown Commissioner, as the case may be, may be aware of any assignable reason for declining to issue the License in any particular case.

*(Occupying Land without authority.—Penalties.)*

21. The Commissioner of Crown Lands, within and beyond the Settled Districts are charged with the prosecution of persons illegally cutting Timber on Crown Lands. If there be any act of occupancy, such as "residing" or "erecting a hut or building" upon Crown Lands without License, the offender is liable to the penalties imposed by section 4 of the Imperial Act 9th and 10th Victoria, cap. 104; and informations under that Act, can be laid by the Commissioner of the District, provided he holds a letter of authorisation in that behalf from His Excellency the Governor.

*(Cutting Trees without authority, proceedings against.)*

22. Should there be no such occupancy, the offenders may be proceeded against under the 39th section of the Larceny Act, 7 and 8 Geo. IV., cap. 29, for cutting trees of the Crown with intent to steal part thereof, injury being thereby done to the extent of one shilling. Under this enactment, the offenders may be summarily convicted before one Justice of the Peace, and upon a first conviction be fined to the extent of five pounds beyond the value of the timber stolen or injury done; for a second offence they would be liable to imprisonment not exceeding twelve months; and upon a subsequent conviction they would be liable to punishment as for Simple Larceny.

*(The proof required.)*

23. In order to remove a misapprehension which is understood to have been entertained, parties are warned that it is not essential to a conviction under the above Act, that the offender should be detected in the act of falling Timber on Crown Lands, but that (as in the case of ordinary charges.) the offence may be established by evidence of facts, from which its commission by the party charged may be reasonably concluded.

*(Instructions to Commissioners for prosecuting.)*

24. In prosecuting offenders in the manner referred to in the three preceding clauses, the Crown Commissioners beyond the Settled Districts will be guided by such instructions, general or otherwise, as they may receive from the Chief Commissioner of Crown Lands; but those Commissioners who act within the Settled Districts, will report as heretofore each case for the instructions of the Government. And they will receive the remuneration authorised by law in those cases only in which they have acted under the special direction of the Government.

*(Seizure of Timber.)*

25. The Crown Commissioners should seize all timber cut by unlicensed persons, and all cut timber lying on Crown Lands, which they may have cause to believe has not been cut by a person duly authorised to cut the same; but in case a right to such timber shall be asserted within 14 days after the notice to be presently mentioned, and shall be established to the satisfaction of the Commissioner seizing the same, it shall be restored to the claimant.

*(To be sold after due notice.)*

26. All such timber when seized is to be marked with the broad arrow, and after due notice of the seizure thereof, by a writing to be posted up at the principal place of Petty Sessions of the District, shall in case no claimant shall appear and establish his claim within 14 days thereafter, be there sold, such timber, being previously removed thither, or sold for delivery on the spot, as may appear most expedient to the Commissioner, on condition of its removal within a convenient time, to be specified in each case.

*(Proceeds.)*

27. The proceeds of the sale of timber so seized are to be accounted for, and paid over like other public monies.

*(Regulations only applicable to the Sydney District.)*

28. The foregoing Regulations have exclusive reference to the Sydney or Middle District of the Colony. In the Port Phillip District the Regulations of 21st May, 1839, will remain in force until new ones shall be framed by the local authorities.
