19. In the event of any unnecessary delay, or failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

20. In cases where the article is of a perishable nature, or from some other cause injury would be

sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the Department, or Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject, at the place of delivery, such article or articles as are obviously of inferior quality; it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the meantime, he must take back the rejected article, and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

21. A repetition of irregularity in the quality or quantity of the supplies or of any delay in delivery or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

22. Great inconvenience having been experienced in former years from the discontinuance of Contracts, under the option given after three months notice on either side, parties tendering will observe that no such power will be reserved in respect to the Contracts for 1851, but that the same will be for the full period of the year, whatever may be the fluctuations in the prices of provisions or otherwise.

23. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

24. The value of all packages to be included in the prices demanded.

25. Printed forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches of the several Districts; and at the foot of every Tender, there must be a Memorandum, signed by the party tendering, and two responsible persons as sureties, agreeing to be responsible for the due performance of the Contract, in the event of the Tender being accepted, and undertaking in that event, that they will severally execute and deliver, within one month from the usual notification of acceptance, a bond to Her Majesty, for securing such performance, otherwise such Tender will not be taken into consideration.

26. The Tenders to contain the names of the Tenderers and their Sureties, and places of residence at length.

27. Each Tender must be in the form referred to in paragraph 25, and enclosed in a separate envelope, marked "*Tender for Provisions, &c.*"

28. Further particulars and information may be obtained on application at this Office, to the Auditor General, and to the several Police Magistrates or Benches.

29. The Party tendering, or an Agent authorised in writing to act for him, is requested to attend at this Office, at the time appointed for receiving the Tenders, to afford such explanation or information as may be required.

Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., &c., &c.

To the Sheriff of New South Wales, or his lawful Deputy,—GREETING:—

WHEREAS, upon the Petition to the Honorable the Judges of our Supreme Court of New South Wales, of Walter Beames, of Sydney, gentleman, against Charles Lewis, late of the Little River, near Yass, in the Colony of New South Wales, it appears to us, that the said Charles Lewis is justly and truly indebted to the said Walter Beames, in the sum of Three hundred and forty pounds of lawful money, or thereabouts, for money lent by the said Walter Beames, to the said Charles Lewis, and interest thereon, and that, in or about the month of February last past, the said Charles Lewis, having possession of certain property, abandoned the same, and departed from this Colony, with intent to defeat or delay the said Walter Beames, and other, his Creditors, in obtaining payment of their just debts, and did thereby

commit an act of Insolvency, and that the said Charles Lewis did, in or about the said month of February, depart from his said dwelling house, at the Little River aforesaid, or otherwise absent himself with the like intent as aforesaid, and did thereby commit another act of Insolvency, whereupon the said Walter Beames prayed that the Estate of the said Charles Lewis might be sequestrated for the benefit of his creditors, and that the leaving a true copy of this summons, and of the notice subjoined hereto, at the last usual residence of the said Charles Lewis, at the Little River, near Yass aforesaid, and the insertion of a copy of this writ, and of the said notice, in three successive publications of the New South Wales *Government Gazette*, might be deemed good service upon the said Charles Lewis; and whereas, it further appears to us, in our said Court, that the Honorable John Nodes Dickinson, one of the Judges of the said Court, did, by order under his hand, bearing date the twenty-fifth day of September, in the year of our Lord One thousand eight hundred and fifty, place the Estate of the said Charles Lewis, under sequestration, in the hands of the Chief Commissioner of Insolvent Estates, at Sydney, until the same should be adjudged to be sequestrated, or the said petition should be discharged according to Law, and that service of this writ in manner aforesaid should be deemed good service on the said Charles Lewis. Now therefore we command you that you summon the said Charles Lewis, that he be before our Justices of our Supreme Court aforesaid, on the sixteenth day of October next, at ten o'clock in the forenoon, to shew cause why his Estate should not by sentence of the said Court be adjudged to be sequestrated for the benefit of his creditors, and return you then and there this writ, with whatever you have done thereupon.

Witness the Honorable Sir Alfred Stephen, Knight, Chief Justice of our said Court, this twenty-seventh day of September, in the year of our Lord one thousand eight hundred and fifty, and in the fourteenth year of our Reign.
