NOTICE.

One of the editions of the Chart of Port Phillip, made by Captain Hobson, of H. M. S. "Rattlesnake," and the first edition of the Chart published by Captain Stokes, of H.M.S. "Beagle," containing a serious misprint in the bearing laid down, as the course, for vessels entering the Port Phillip Heads, Masters of vessels should be very careful in examining their Charts, and altering, should they give the bearing of north-east by east, (N.E. by E.) Such a course must inevitably carry the vessel pursuing it from the outside, directly upon the point Lonsdale Reef.

The proper course for entering the Port Phillip Heads is north-east by north, (N.E. by N.)

(1.) Each tender must be for an even sum of hundreds of pounds, and must be endorsed "Tender for Debentures."

(2.) If the tender be accepted, Land and Immigration Debentures for £100 each, secured upon the Territorial Revenue of the Sydney or Middle District, will be issued for the sum advanced, and will bear interest at the rate of 3½d. per diem, or £4 18s. 10½d. per £100 per annum, payable half-yearly, on the first of January, and first of July.

(5.) The principal will also be redeemable at par, at the option of the holder for the time being after the expiration of five years from the date of the Debenture, on his giving three months' notice to that effect to the Colonial Agent General, in London, or the Colonial Treasurer in Sydney, as the case may be.

(6.) At the expiration of the three months' notice given either by the Government or the holder, the interest on the Debenture to which such notice shall apply, will cease and determine.

(8.) Whenever a Debenture may be made payable in London, a Duplicate thereof will be transmitted by the Colonial Treasurer to the Colonial Agent General by such opportunity as the holder may desire, in order that the same may be available on proof of the loss of the original.

(9.) The Debentures will be transferable, if made out in blank, in the same manner as Exchequer Bills; but if made payable to any individual or firm, then by endorsement as in the case of Bills of Exchange.

(10.) Any number of Debentures will, for the convenience of the holders, be consolidated into one or more of the aggregate amount, on application at the Colonial Treasury, provided that such consolidate Debentures shall be issued for even sums of £500 or £1000 only.
