CROWN LANDS WITHIN THE SETTLED DISTRICTS.

(LEASES BY AUCTION.)

HIS Excellency the GOVERNOR directs it to be notified, for the information of all parties concerned, that Leases of the hereunder described portions of land which have been applied for under the 28th section of the Regulations of the 29th March, 1843, will be put up to auction at 11 o'clock of Wednesday, the eighteenth day of September next, at the places respectively mentioned, and upon the conditions set forth in the Regulations in question.

2. Further information respecting the lands can be obtained from the Surveyor General, and respecting the conditions from the Colonial Treasurer, Sydney, and at the Police Offices of the Districts.

3. The upset price of each lot is 5s. per section of 640 acres, for the half year commencing 1st July last.

4. The full price bid for each lot must be paid down at the time of sale, in failure of which, or if not bid for, the lands will become open to selection without competition, in conformity with sections 37 and 38 of the Regulations; or liable to be taken by pre-emption by persons who have omitted to avail themselves of that privilege, and in default they will again be offered at the next general sale, to take place in the month of November next.

5. Parties obtaining these leases will be allowed to renew them for the ensuing year, 1851, provided payment be made at the time of sale, of the rent for that year, at the same rate as bid at the sale, (or to the Colonial Treasurer, Sydney, on or before the 30th September next.) They will also have power to renew for subsequent years under the 12th clause of the Regulations, upon payment for the same to the Colonial Treasurer, within the time prescribed by the notice of the 26th July, 1849, namely, by the 30th September in each of such years.

It is to be understood that the Mails are to be dispatched on the days and hours to be fixed by the Postmaster-General, either according to the present arrangement, or as he may afterwards determine for the public convenience.

It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the Contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags letters and newspapers which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants or passengers, or otherwise to the prejudice of the Post Office Revenue, under penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five or ten minutes respectively.

Contractors will be strictly bound not to assign any portion of their Contract without consent of the Postmaster-General.

A Mail Cart or Carriage, drawn only by one horse, must not carry more than one passenger; by two horses not more than three passengers, and by three or more horses, not more than six passengers, exclusive of the driver, under a penalty of £3 for each offence.

All vehicles and horses employed in the conveyance of Mails are to be at all times subject to the inspection and approval, or rejection of the Postmaster-General, or person appointed by him for that purpose.

The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster-General, from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party tendering or an agent for him must attend at this Office on the day appointed for opening the Tenders; and each Tender must bear the signature of two respectable and solvent persons, engaging to enter into a bond with the Contractor for the safety of the Mails, and the due performance of the Contract, and every stipulation therein.

The hours of starting from each Post Office or stage and other particulars, may be ascertained at the General Post Office, where parties proposing to Tender are invited to seek information.

Printed forms of Tender may be had on application at the General and all other Post Offices throughout the Colony.

By His Excellency's Command,
