**AMENDED REGULATIONS RESPECTING THE LIGHTS TO BE EXHIBITED BY STEAM-VESSELS.**

**T**HE Board appointed under the provisions of the Act of the Governor and Council, 11th Victoria, No. 3, for the Regulation of Sea-going Steam and other Vessels, carrying Passengers, having had under consideration a copy of an order issued by the Lords Commissioners of the Admiralty, regarding lights to be exhibited by Steam Vessels, with a view to prevent collisions, have, with the approval of His Excellency the Governor, determined that, from and after the expiration of one month from the date of the publication of this notice, the following conditions shall be observed with respect to the mast-head and paddle-box lights, at present carried by all Steam-going Vessels, under the amended Regulations published in the *Government Gazette*, of the 29th of December, 1848, No. 147, that is to say:—

1. The mast-head lights to be visible at a distance of, at least, five miles in a clear dark night, and the lantern to be so constructed as to show an uniform and unbroken light over an arc of the horizon of twenty points of the compass, viz.—from right a-head to two points abaft the beam on each side of the ship.

2.—The coloured side lights to be visible at a distance of, at least, two miles in a clear dark night, and the lanterns to be so constructed as to shew an uniform and unbroken light over an arc of the horizon of ten points of the compass, viz. from right a-head to two points abaft the beam on their respective sides.

3.—The side-lights to be, moreover, fitted with inboard screens, of at least three feet long, to prevent them from being seen across the bow. The screens to be placed in a fore and aft line with the inner edge of the side lights.

4.—The lantern used by Steam Vessels when at anchor, elsewhere than at their respective wharves at Sydney, or the Out Ports, to be constructed so as to show a good light all around the horizon.
