2.—His Excellency further directs it to be notified that, under the Rules now existing, no persons can be nominated by Depositors, under the before mentioned Notice, but such as are under 40 years of age, and are of some one of the following callings, viz.:—Agricultural Laborers, Shepherds, Herdsmen, and Female Domestic and Farm Servants.

LAND AND IMMIGRATION DEPOSITS.

In pursuance of instructions received from the Right Honorable the Secretary of State, His Excellency the Governor, with the advice of the Executive Council, has been pleased to establish the following Regulations, under which, persons who may deposit in the Colonial Treasury sums intended by them to be invested in the purchase of Crown Lands, will receive an allowance of Interest thereon, with the right of nominating the Emigrants on whose introduction the portion of the money which is applicable to Immigration purposes shall be expended:—

1.—Money intended to be invested in the purchase of Crown Lands, under the ordinary Regulations of the Government, may be deposited in the Colonial Treasury, at Sydney or Melbourne, in even sums of not less than Five Pounds each, and on all money so deposited there will be allowed Interest at the rate of Five per cent. per annum for any period, not exceeding Five years from the date of the Deposit, during which the money shall remain unapplied to the purchase of Crown Lands. On any money which shall have remained unapplied to the purchase of Crown Lands for a period exceeding Five years, no further interest will be paid.

2.—The Interest will be payable in cash half-yearly, and may be demanded at the Treasury on or after the 1st January and the 1st July in each year.

3.—For all Deposits under this Notice a receipt will be given which will be available as cash at any Government Land-sale, or in payment for any Crown Land which having been offered at auction, may be open to selection under the Regulations of the 1st March, 1843, Clauses 11 and 12, or for any lands beyond the Settled Districts which may be purchased under the pre-emptive right conferred by Her Majesty's Order in Council of the 9th March, 1847;—but no sums deposited will be returnable in any other shape than a credit in the purchase of land.

4.—If the price of Crown Land purchased at one time by a holder of a Deposit Receipt shall be less than the amount deposited, the difference or balance will still remain at the credit of the holder of the Receipt for the purchase of a further portion of land, and the Receipt will be returned with an Endorsement stating the extent to which it has been used.

5.—Receipts for Deposits under this Notice will be transferable, but they must be transferred by endorsement in the same manner as Bills of Exchange. The last person to whom any Receipt may be endorsed will be considered the holder of it, and it will be received at the Colonial Treasury, at Sydney, or Melbourne, from him or his Agent only.

6.—Every Depositor under this Notice or the last Endorsee of his Receipt (should the original Depositor and the previous Endorsees have failed to avail themselves of the privilege) will be allowed, at any time within two years from the date of the Deposit, to demand that any portion not exceeding Eighty per cent. of the amount deposited shall be applied towards the payment of passages to this Colony for such Emigrants as he may nominate, provided that such Emigrants be eligible in all respects for free passages under the Regulations of the Colonial Land and Emigration Commissioners.* (For form of application for passages under this clause see Schedules A. and B. below.)

7.—Should the persons nominated by Depositors, in accordance with the provisions of the preceding Clause, prove to be ineligible under the Commissioners' Regulations, or should they fail to embark when and where the Commissioners may direct, the selection of other Emigrants in their stead will rest with the Commissioners, and no further nomination on the part of the Depositors will be admitted.

8.—Persons availing themselves of the privilege conferred by Clause 6, will be required to produce their Deposit Receipts at the Office of the Colonial Secretary, in Sydney, or at the Office of the Superintendent of Port Phillip, in Melbourne, in order that their nomination of Emigrants may be noted thereon.

The above Regulations are to take effect at the commencement of the ensuing year:

IMMIGRATION REMITTANCES.

HIS Excellency the Governor has been pleased to direct the republication, for general information, of the notice of 22nd December, 1848, which established regulations for facilitating the remittance of money by residents in this Colony, to pay for the emigration of their friends or relatives:

2. In republishing the above mentioned notice, the regulations of the Land and Immigration Commissioners, on the subject of providing passage for Emigrants, subjoined thereto as Schedule B, have been omitted, and an extract of the latest regulations issued by them, which have been received in the Colony, substituted instead.

3. His Excellency has further been pleased, with the advice of the Executive Council, to direct it to be intimated, that none but persons coming under class 1 of the Commissioners' regulations, and below the age of 40 years, will be entitled to obtain a passage to this Colony, under the 8th clause of the notice of 22nd December, 1848, above referred to.

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 22nd December, 1848.

IMMIGRATION REMITTANCES.

His Excellency the Governor, with the advice of the Executive Council, has been pleased to direct the publication of the following notice, setting forth the measures which will be adopted in pursuance of instructions from the Right Honorable the Secretary of State, for facilitating the remittance of any sums of money which persons settled in the Colony may desire to send to their relatives or friends, or others in the United Kingdom, for the purpose of enabling them to emigrate to this Country.

1.—In the Country Districts the Clerks of Petty Sessions throughout the Colony will be directed to receive, on every Public Court day during the sitting of the Court, but at no other time or place, any sums which residents in the district may desire to remit to the Colonial Land and Emigration Commissioners for the purpose of being applied to the provision of steerage passages to this Colony for their friends or relatives or others. In Sydney and Melbourne such sums will be received at the Treasury, where they can be paid in at any time during the usual office hours.

2.—The Clerks of Petty Sessions on receiving any sums under this notice, will enter into the printed form annexed (Schedule A) the name and address of the depositor, the name, age, calling, and residence of the person or persons in the United Kingdom, for whose benefit the money is to be applied, and the names and residences of such persons of note as the depositors may refer to for the purpose of answering any enquiries which the Land and Emigration Commissioners may have to make; and will write at the foot of the same, receipts for the amounts paid into their hands. These forms will, in each case, be filled up in triplicate, and the three copies having been certified by one or more of the Magistrates present, one of them will be handed to the depositor, another will be forwarded to the Colonial Treasurer with the list mentioned in the following clause, and the third will be retained as a record in the office of the Clerk of Petty Sessions.

3.—The Clerks of Petty Sessions will be required to forward to the Colonial Treasurer, in Sydney, or to the Sub-Treasurer at Melbourne, on the 1st and 16th days of every month, all sums received by them under this notice during the preceding half month, with a list of the names and addresses of the persons by whom the payments were made, and of those in the United Kingdom for whose benefit the money is to be applied. The amounts thus forwarded will be then paid into the Military Chest of this Colony, by order of His Excellency the Governor, who will forward to the Right Honorable the Secretary of State, certificates of the payments, and copies of the lists.

4.—The sums paid into the Military Chest will be placed by order of the Lords of the Treasury, at the credit of the Land and Emigration Commissioners, who will apply the money in providing passages to the Colony for the parties named in the lists.

5.—In cases in which it may be expected that the parties intended to emigrate may be enabled themselves to raise from their own resources, or by the assistance of others, a portion of their passage money, their friends in the Colony may not consider it necessary to remit a sum sufficient to pay the whole cost of the passage. In all such instances it must be understood that the Commissioners will only undertake to apply to the best advantage, for the benefit of the parties, such sums as may be furnished to them, either by remittances from the Colony, or by contributions in the Mother Country, and not to provide passages in cases where the money placed in their hands is insufficient for the purpose.

6.—In any case in which the amount remitted may exceed that required for the payment of the intending Emigrant's passage, the balance will either be paid to the Emigrant or returned to the person who made the remittance, according to the directions which may be given by the latter, but in order to prevent this arrangement being used for the purpose of making remittances unconnected with Emigration, it is necessary to state, that the Commissioners will not undertake to make payments of money in England to any persons but those for whom they have provided passages to this Colony.

7.—For the information of persons who may desire to make remittances under this regulation, it is hereby notified, that the cost of steerage passages to this

"Colony," under the Commissioners' contracts, will not be likely to exceed fourteen pounds for persons above the age of fourteen years. For persons under the age of fourteen years half price only is charged. The cost of outfit for the voyage is estimated as follows, in the latest publication of the Commissioners which has reached the Colony.

For a Single Man	about £4 10 0
For a Single Woman	„ £5 0 0
For a Married Couple	„ £9 0 0

The cost of an outfit for children varies with their size. Generally speaking three children under 7, or two between that age and 14, may be clothed for about £5; but a well grown girl or boy of 13 years of age will cost nearly as much as an adult.

8.—As it must be expected that the limited funds at the disposal of the Government will oblige the Colonial Land and Emigration Commissioners to reject for a time many eligible applicants for free passages to this Colony, His Excellency the Governor, with the advice of the Executive Council, has further directed it to be notified, that residents in this Country may secure a preference for such of their own relatives or friends as may be in every respect qualified under the Commissioners' general regulations for free passages, by contributing and remitting, in the manner above provided for, the undermentioned sums, viz. :—

For each person of the age of 14 years and upwards.....£8 0 0

For each person of the age of 14 years and upwards.....	18	0	0
For each person between the ages of 1 and 14 years.....	£4	0	0

The remainder of the cost of the passage, which will amount to about one-third, will be defrayed by the Government.

The subjoined notice (Schedule B) will shew the descriptions of persons who are eligible for free passages under the Commissioners' regulations, and who will be entitled to the benefit of the rule laid down in this clause.

9.—The balance of the passage money will also be granted, subject to the conditions below stated, to persons depositing the undermentioned sums towards the payment of the passages to this Colony of able bodied labourers or tradesmen and their families, who though ineligible for free passages under the general regulations; may be considered of such a description as to justify a limited contribution from the Land Revenue towards their introduction.

For each person of the age of 14 years and upwards.....£10

For each person between the ages of '1 and '14 years,, £ 5

But no deposits will be received under this clause without a written authority from the Government to be produced by the depositor at the time of tendering his money, and the allowance of the balance of the passage money will in every instance depend upon the approval of the Colonial Land and Emigration Commissioners after the enquiry which they will make in each case respecting the persons nominated. (Forms of application under this clause see Schedules C and D annexed.)

The above regulations are to take effect at the commencement of the ensuing year.

By His Excellency's Command;
E. DEAS-THOMSON.

SCHEDULE B.

EXTRACT OF REGULATIONS.

To be observed in the selection of Labourers for a Passage to New South Wales, and South Australia; and also the conditions on which the Passage, when granted, must be understood to be accepted. (May, 1849.)

DESCRIPTION OF EMIGRANTS.

1.—The Emigrants must consist principally of married couples, not above 40 years of age. All the adults must be capable of labour, and must be going out to work for wages. The candidates most acceptable are young married couples without children.

2.—The separation of husbands and wives, and of parents from children under 16, will in no case be allowed.

3.—Except in special cases, single women under 18 are not eligible, unless they are emigrating with their parents, or under the immediate care of some near married relatives.

4.—Young men under 18, not accompanying their parents, are admissible only on payment of the sum in third class of the scale in article 13.

5.—No Emigrants, whether adults or children, can be accepted unless they have been vaccinated, or have had the small-pox.

6.—Persons intending to buy land in the Colony, or to invest capital in trade there, are not eligible for a passage.

7.—Persons in the habitual receipt of parish relief cannot be taken. Temporary inmates of work-houses, or persons not in the habitual receipt of parish relief, will be charged under the third class.

8.—No applicant will be accepted without decisive certificates of good character, and of efficiency in his professed trade or calling.

APPLICATION AND APPROVAL.

9.—Applications must be made in the form annexed, which must be duly filled up and attested as explained in the form itself, and then forwarded to this office, with certificates of birth and marriage of the applicants. It must, however, be distinctly understood, that the filling up of the form confers no claim to a passage; and that the Commissioners do not pledge themselves to accept any candidates, though apparently within the regulations, unless they are deemed desirable for the Colony and can be accepted, consistently with the Board's arrangements, at the time the application is under consideration.

10.—If approved of, the Emigrants will receive a passage as soon as the arrangements of the Commissioners will admit. But no preparation must on any account be made by the applicants either by withdrawing from employment or otherwise, until the decision of the Board has been communicated to them. Those who fail to attend to this warning will do so at their own risk, and will have no claim whatever on the Commissioners.

11.—After the applicants have received their deposit circulars, and made the payments required by article 13, they will, as soon as practicable, receive notice of the ship in which they are to embark, and of the time and place of joining her. The selecting agents of the Board have no authority to promise passages in any case.

12.—Should it be found that any of the signatures attached to the certificates are not genuine, or that any other deception is attempted, the application will be rejected; or should any Emigrant, on personal examination at the port of embarkation, in dock, or on board, be discovered to have made any misstatement whatever with regard to age, trade or calling, health, &c. such person will not be allowed to proceed in the ship. To prevent disappointment, therefore, applicants should be very careful to have their trade or calling and ages correctly stated in their application form.

SUBSEQUENT PROCEEDINGS.

16.—The expense of reaching the port of embarkation must be paid by the Emigrants. If, after arrival, they, or any of their family, are found not to be in a fit state of health to embark, or to have any mental or bodily defect likely to impair their usefulness as labourers, they will be refused admission on board the ship, or if embarked, will be landed again, without having any claim on the Commissioners.

17.—If any Emigrants fail to attend at the appointed time and place for embarkation, or to proceed in the ship, they will forfeit out of any money that may have been paid, the sum of £2 for each person of 14 and upwards, and £1 for each child under that age, unless they give to the Commissioners timely notice, and a satisfactory explanation of their inability to proceed. Emigrants thus making default will not be eligible a second time for a passage.

18.—Provisions, medical attendance, and cooking utensils, will be provided by the Commissioners; also new mattresses, bolsters, blankets, and counterpanes, canvas bags to contain linen &c. knives and forks, spoons, metal plates, and drinking mugs, which articles will be given to the Emigrants after arrival in the Colony, provided they behave well on the voyage.

19.—The Emigrants must bring their own clothing, which will be inspected at the Port by an Officer of the Commissioners; and all parties are particularly desired to observe that they will not be allowed to embark unless they provide themselves with a sufficient supply for the voyage. The lowest quantity that can be admitted for each person is as follows:—

FOR MALES.

Six Shirts
Six pairs Stockings
Two ditto Shoes
Two complete suits of exterior
Clothing

FOR FEMALES.

Six Shifts
Two Flannel Petticoats
Six pairs Stockings
Two ditto Shoes
Two gowns.

They must also bring their own sheets and towels, and a supply of soap. As a general rule, it may be stated that the more abundant the stock of clothing, the better for health and comfort during the passage. The usual length of the voyage to the Australian Colonies is about four months, and at whatever season of the year it may be made, the Emigrants have to pass through very hot and very cold weather, and should therefore be prepared for both.

20.—It is desirable that Emigrants should take out with them the necessary tools of their trades; bulky agricultural implements, however, cannot be admitted, on account of their inconvenient size and weight; neither can furniture be received on board; mattresses and feather beds are especially prohibited.

21.—The whole quantity of baggage for each adult Emigrant must not measure more than 20 cubic or solid feet, nor exceed half a ton weight. It must be divided into two or three boxes; the contents of which must be closely packed, so as to save space in the ship. Large packages and extra baggage will not be taken unless paid for, and then only in case there be room in the Ship.

22.—Each family will be allowed to take only its own luggage. Any violation of this rule will subject the party to a forfeiture of his passage.

23.—On arrival in the Colony, the Emigrants will be at perfect liberty to engage themselves to any one willing to employ them, and to make their own bargain for wages. No re-payment service or otherwise is required from them for the passage out. The only return expected is strict observance, on board, of the Regulations framed with a view to their health and comfort during the voyage, and general good conduct and industrious habits in the Colony.

24. Letters and Applications should be addressed, Post-paid, to Stephen Walcott, Esquire, Secretary to the Board of Emigration, No. 9, Park-street, Westminster.

By Order of the Board,
(Signed) STEPHEN WALCOTT,
Secretary.

By His Excellency's Command,

F. DEAS THOMSON.

GOD SAVE THE QUEEN.

PROCLAMATION.

By his Excellency Sir Charles Augustus Fitz Roy, Knight Companion of the Royal Hanoverian Guelphic Order, Captain-General and Governor-in-Chief in and over Her Majesty's Territory of New South Wales and its Dependencies, and Vice-Admiral of the same, &c. &c.

I, SIR CHARLES AUGUSTUS FITZ ROY, the Governor aforesaid, do by this my Proclamation, publicly notify and declare, that Her Most Gracious Majesty the Queen has been pleased by the Order in Council hereto annexed, to make and establish the addi-

tional Rules and Regulations therein contained, for regulating the occupation of Waste Lands of the Crown in the Colony of New South Wales.

Given under my Hand and Seal, at Government House, Sydney, this twenty-third day of April, in the Year of Our Lord, one thousand eight hundred and fifty, and in the thirteenth year of Her Majesty's Reign.

(L. S.) CHS. A. FITZ ROY.
GOD SAVE THE QUEEN!

At the Court at Osborne House, Isle of Wight, the 18th day of July, 1849.

PRESENT:

The Queen's Most Excellent Majesty.
His Royal Highness Prince Albert.

Lord President.
Marquis of Clanricarde.
Lord Steward.
Earl Grey.
Viscount Palmerston.
Lord Campbell.
Sir George Grey, Bart.
Sir Francis Baring, Bart.

Whereas by an act passed in the Session of Parliament holden in the ninth and tenth years of the reign of Her present Majesty, intituled, "An Act to amend an Act for regulating the sale of the Waste Land belonging to the Crown in the Australian Colonies, and to make further provision for the management thereof," after reciting that it might be expedient that various rules and regulations should be made respecting certain matters therein specified, and, among the rest, respecting the more effectually making Demises or Licenses of such Waste Land as aforesaid, and respecting the insertion in such Demises or Licenses of such conditions and clauses of forfeiture as therein mentioned, and respecting any other matters which might be requisite, either for carrying into more complete effect the occupation of such Waste Lands, or for preventing the abuses incident thereto, it was enacted, That it should be lawful for Her Majesty, by any Order in Council, to make and establish all such rules and regulations as to Her Majesty should seem meet, for the purpose so specified, or for any of them; and any such rules and regulations again to repeal, renew, alter, and amend; and that all such Orders in Council should have the force and effect of law in the said Australian Colonies.

And whereas by an Order in Council, made on the ninth day of March, in the year of our Lord one thousand eight hundred and forty-seven, in pursuance of the powers given by the said Act, it

was ordered, that it should be lawful for the Governor, or officer for the time being administering the Government of the Colony of New South Wales, to grant Leases of Land for pastoral purposes, (hereinafter described as pastoral leases,) in such manner, and subject to such restrictions as are therein described.

And whereas it is expedient that all such pastoral leases should contain such conditions, clauses of forfeiture, exceptions, and reservations, as may be necessary for securing the peaceable and effectual occupation of the lands comprised in such leases, and for preventing the abuses and inconveniences incident thereto: It is hereby ordered, by the Queen's Most Excellent Majesty, by and with the advice of Her Privy Council, that it shall be lawful for the Governor for the time being, or for the officer for the time being administering the Government of the aforesaid Colony, to insert in any pastoral lease hereafter to be made, such conditions and clauses of forfeiture, exceptions, or reservations, as to him shall seem requisite for the purposes last aforesaid; and that any condition, clause of forfeiture, exception, or reservation, which may be endorsed on any pastoral lease, after the execution thereof, and signed by the lessee, his executor, administrator, or assign, and by the Governor or officer administering the Government of the said Colony, shall be as effectual, to all intents and purposes, as if it had been inserted in the body of such lease, in pursuance of the powers given by this order.

Provided always, that no such condition or clause of forfeiture, exception, or reservation, shall entitle any person, other than the holder of such lease, to use the lands comprised therein for the purpose of pasture or cultivation.

And it is further ordered, that all pastoral leases shall be transferable, under such conditions, and in such manner and form as shall be determined by the Governor or officer for the time being administering the Government of the Colony.

And it is further ordered, that this Order in Council shall be of no effect until it shall have been proclaimed in the Colony of New South Wales, by the Governor or Officer administering the Government, thereof.

And the Right Honorable Earl Grey, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

VACATED RUN.

REFERRING to the Notice issued from the Colonial Secretary's Office, dated the 29th May, which appeared in the Port Phillip Government Gazette, No. 26, 6th of June, 1849; it is hereby notified, that no satisfactory tender having been received for the lease of the vacated Run, known as "Upper portion of Holland's Creek," fresh tenders will be received at this office, until noon of Monday, the 1st day of July next, from all persons who may be desirous to enter into competition for the lease of the said Run.

C. J. LATROBE.

Colonial Secretary's Office,
Sydney, 29th May, 1849.

VACATED RUNS.

IT is hereby notified, that application having been made for the purchase of the leases of the runs of Crown lands hereunder described, which after having been occupied, have become vacant, Tenders, in the prescribed printed form, will be received at the office of His Honor the Superintendent, Port Phillip, until noon of Monday, the 6th day of August next, from the applicants and from any other persons desirous to enter into competition with them, for the purchase of the lease of the said runs.

2. Every such tender must state the term of years (not exceeding fourteen,) for which it is proposed to take the run, and whether in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of yearly premium per thousand sheep, or equivalent number of cattle, for the lease.

3. As the grazing capabilities of the run have not yet been determined, it will be necessary that each tender contain an estimate of the number of sheep or cattle that the run will carry.

4. Until the run has been regularly surveyed and its grazing capabilities determined, the future lessee will be required to pay rent according to his own estimate, as given in his tender; and in the event of the rent so paid, proving to have been less than that determined by valuation, he will be required to make up the difference previously to the execution of the lease.

5. It is also to be distinctly understood, that the Government reserves to itself the right of excluding from the lease of the run, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of Chapter II. of Her Majesty's Order in Council, dated 9th March, 1847.

6. Forms of tender can be obtained from the office of His Honor the Superintendent, Port Phillip, and also from the Crown Commissioners of the districts.

MURRAY DISTRICT.

2. A block of land known as upper portion of Holland's Creek, situated on the Broken River, and estimated to contain 16,000 acres; bounded as follows: On the north by unsurveyed country; on the south by Denaran, the licensed station of Keith Jackson King, in the Devil's River country; and on the west by Messrs. Heape and Grice's station, commencing about six miles from their head station, and including the heads of the creek above named; this run was formerly occupied by Messrs. Cheyne.

NOTICE.

ONE of the editions of the Chart of Port Phillip, made by Captain Hobson, of H.M.S. 'Rattlesnake,' and the first edition of the Chart published by Captain Stokes, of H.M.S. 'Beagle,' containing a serious misprint in the bearing laid down, as the course, for vessels entering the Port Phillip Heads. Masters of vessels should be very careful in examining their Charts, and altering, should they give the bearing of North-east by East (N.E. by E.) Such a course must inevitably carry the vessel pursuing it from the outside, directly upon the point Lonsdale Reef.

The proper course for entering the Port Phillip Heads is, North-east by North (N.E. by N.)
