VACATED RUN.

REFERRING to the Notice issued from the Colonial Secretary's Office, dated the 29th May, which appeared in the Port Phillip Government Gazette, No. 26, 6th of June, 1849, it is hereby notified, that no satisfactory tender having been received for the lease of the vacated Run, known as "Upper portion of Holland's Creek;" fresh tenders will be received at this office, until noon of Monday, the 1st day of July next, from all persons who may be desirous to enter into competition for the lease of the said Run.

C. J. LATROBE.

Colonial Secretary's Office,
Sydney, 29th May, 1849.

VACATED RUNS.

IT is hereby notified, that application having been made for the purchase of the leases of the runs of Crown lands hereunder described, which after having been occupied, have become vacant, Tenders, in the prescribed printed form, will be received at the office of His Honor the Superintendent, Port Phillip, until noon of Monday, the 6th day of August next, from the applicants and from any other persons desirous to enter into competition with them, for the purchase of the lease of the said runs.

2. Every such tender must state the term of years (not exceeding fourteen,) for which it is proposed to take the run, and whether in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of yearly premium per thousand sheep, or equivalent number of cattle, for the lease.

3. As the grazing capabilities of the run have not yet been determined, it will be necessary that each tender contain an estimate of the number of sheep or cattle that the run will carry.

4. Until the run has been regularly surveyed and its grazing capabilities determined, the future lessee will be required to pay rent according to his own estimate, as given in his tender; and in the event of the rent so paid, proving to have been less than that determined by valuation, he will be required to make up the difference previously to the execution of the lease.

5. It is also to be distinctly understood, that the Government reserves to itself the right of excluding from the lease of the run, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of Chapter II. of Her Majesty's Order in Council, dated 9th March, 1847.

6. Forms of tender can be obtained from the office of His Honor the Superintendent, Port Phillip, and also from the Crown Commissioners of the districts.

NOTICE.

ONE of the editions of the Chart of Port Phillip, made by Captain Hobson, of H.M.S. 'Rattlesnake,' and the first edition of the Chart published by Captain Stokes, of H.M.S. 'Beagle,' containing a serious misprint in the bearing laid down, as the course, for vessels entering the Port Phillip Heads. Masters of vessels should be very careful in examining their Charts, and altering, should they give the bearing of North-east by East (N.E. by E.) Such a course must inevitably carry the vessel pursuing it from the outside, directly upon the point Lonsdale Reef.

The proper course for entering the Port Phillip Heads is, North-east by North (N.E. by N.)
