Melbourne, 8th May, 1850.  
**VACATED RUN.**

**R**EFERRING to the Notice issued from the Colonial Secretary's Office, dated the 29th May, which appeared in the Port Phillip Government Gazette, No. 26, 6th of June, 1849, it is hereby notified, that no satisfactory tender having been received for the lease of the vacated Run, known as "Upper portion of Holland's Creek," fresh tenders will be received at this office, until noon of Monday, the 1st day of July next, from all persons who may be desirous to enter into competition for the lease of the said Run.

C. J. LATROBE.

Colonial Secretary's Office,  
Sydney, 29th May, 1849.  
**VACATED RUNS.**

**I**T is hereby notified, that application having been made for the purchase of the leases of the runs of Crown lands hereunder described, which after having been occupied, have become vacant, Tenders, in the prescribed printed form, will be received at the office of His Honor the Superintendent, Port Phillip, until noon of Monday, the 6th day of August next, from the applicants and from any other persons desirous to enter into competition with them, for the purchase of the lease of the said runs.

2. Every such tender must state the term of years (not exceeding fourteen,) for which it is proposed to take the run, and whether in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of yearly premium per thousand sheep, or equivalent number of cattle, for the lease.

3 As the grazing capabilities of the

run have not yet been determined, it will be necessary that each tender contain an estimate of the number of sheep or cattle that the run will carry.

4. Until the run has been regularly surveyed and its grazing capabilities determined, the future lessee will be required to pay rent according to his own estimate, as given in his tender; and in the event of the rent so paid, proving to have been less than that determined by valuation, he will be required to make up the difference previously to the execution of the lease.

5. It is also to be distinctly understood, that the Government reserves to itself the right of excluding from the lease of the run, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of Chapter II. of Her Majesty's Order in Council, dated 9th March, 1847.

6. Forms of tender can be obtained from the office of His Honor the Superintendent, Port Phillip, and also from the Crown Commissioners of the districts.

## MURRAY DISTRICT.

2. A block of land known as upper portion of Holland's Creek, situated on the Broken River, and estimated to contain 16,000 acres; bounded as follows: On the north by unsurveyed country; on the south by Denaran, the licensed station of Keith Jackson King, in the Devil's River country; and on the west by Messrs. Heape and Grice's station, commencing about six miles from their head station, and including the heads of the creek above named; this run, was formerly occupied by Messrs Cheyne.

**TRANSFERABLE AND REMITTABLE LAND AND IMMIGRATION DEBENTURES.**

**S**EALD Tenders will be received at this Office, until noon of Monday, the twenty-fourth of June, from persons desirous of advancing the whole or any portion of the sum of Ten thousand pounds on the following security, and subject to the undermentioned terms and conditions, viz:—

- (1) Each tender must be for an even sum of hundreds of pounds, and must be endorsed "Tenders for Debentures,"
- (2.) If the tender be accepted, Land and Immigration debentures for £100 each, secured upon the Territorial Revenue of the Sydney or Middle District, will be issued for the sum advanced, and will bear interest at the rate of 3½d per diem, or £4 18s 10½d, per £100 per annum, payable half-yearly, on the first of January, and first of July.
- (3.) They will be receivable as cash at any time for the purchase of Crown Lands in the Sydney District, or for any

(4.) The principal will not otherwise be payable for a period of less than three years from the date of the Debenture, but it will be redeemable at par at any time thereafter at the option of the Government, but not of the holder on three months' notice to that effect being given in the New South Wales or London *Gazette*, according as the same may be payable in the Colony or in England.

(5.) The principal will also be redeemable at par, at the option of the holder for the time being after the expiration of five years from the date of the Debenture, on his giving three months' notice to that effect to the Colonial Agent-General, in London, or the Colonial Treasurer in Sydney, as the case may be.

(6.) At the expiration of the three months' notice given either by the Government or the holder, the interest on the Debenture to which such notice shall apply, will cease and determine.

(7.) The principal and interest of each Debenture will be payable at the option of the holder for the time being, either in Sydney or London; any change which it may be desired to make in this respect, being previously registered at the Colonial Treasury, in Sydney, and in the Office of the Colonial Agent-General, in London, and endorsed upon the Debenture, which must be presented accordingly at both these Offices for that purpose.

(8.) Whenever a debenture may be made payable in London, a Duplicate thereof will be transmitted by the Colonial Treasurer to the Colonial Agent-General by such opportunity as the holder may desire, in order that the same may be available on proof of the loss of the original.

(9.) The Debentures will be transferable, if made out in blank, in the same manner as Exchequer Bills; but if made payable to any individual or firm, then by endorsement as in the case of Bills of Exchange.

(10.) Any number of Debentures will, for the convenience of the holders, be consolidated into one or more of the aggregate amount, on application at the Colonial Treasury, provided that such consolidate Debentures shall be issued for even sums of £500 or £1000 only.

VACATED RUNS.

**I**T is hereby notified, that application having been made for the purchase of the leases of the runs of Crown lands hereunder described, which after having been occupied, have become vacant, Tenders, in the prescribed printed form, will be received at the office of His Honor the Superintendent, Port Phillip, until noon of Monday, the 6th day of August next, from the applicants and from any other persons desirous to enter into competition with them, for the purchase of the lease of the said runs.

2. Every such tender must state the term of years (not exceeding fourteen,) for which it is proposed to take the run, and whether in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of yearly premium per thousand sheep, or equivalent number of cattle, for the lease.

3. As the grazing capabilities of the run have not yet been determined, it will be necessary that each tender contain an estimate of the number of sheep or cattle that the run will carry.

4. Until the run has been regularly surveyed and its grazing capabilities determined, the future lessee will be required to pay rent according to his own estimate, as given in his tender; and in the event of the rent so paid, proving to have been less than that determined by valuation, he will be required to make up the difference previously to the execution of the lease.

5. It is to be distinctly understood, that the Government reserves to itself the right of excluding from the lease of the run, any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of Chapter II. of Her Majesty's Order in Council, dated 9th March, 1847.
