**SUBSTANTIAL AND COMMODIOUS CITY RESIDENCE, AND COTTAGES AND LAND ADJOINING.**

By order of Mr. George King, Assignee in the Insolvent Estate of Mr. Acton Sillitoe.

**M**ORT AND BROWN will sell by public auction, at their Rooms, on Wednesday, the 17th September, at 11 o'clock,—

The whole of that magnificent City property, immediately opposite St. James' Church, in the following lots:—

Lot 1.—The Mansion, as at present occupied by Mrs. M'Dermot, and the Business Premises and Stores attached, now in the occupation of Mr. Sillitoe.

The extent and convenience of these buildings render them of great value, either for Merchants, or for an Hotel, Boarding-house, or Public Institution; and we had almost omitted to mention, that from their central position they would be peculiarly adapted for any first-rate medical practitioner.

They are so well known as amongst the best household property in Sydney, that any detailed description is not necessary; especially as a personal inspection can be made at any time by application to the auctioneers.

The present temporary rental is only £260 per annum; but at least £100 per year more could be obtained, judging from the present yearly value of other buildings.

Lots 2 and 3.—Adj in the above Property, and are Building Plots, having each a frontage of 18 feet 6 inches to King-street, by a depth of from 42 to 64 feet; and in order to enable any party so wishing to erect extensive premises, whether for chambers for the legal profession, or for other purposes, the purchaser of the first lot will have the option of taking the other at the same rate per foot.

Lot 4.—Consists of the Premises at the corner of King and Phillip-streets, at present occupied by Mr. Goodwin, at the nominal rental of £1 per week. The frontage to King-street is 30 feet; to Phillip-street, 42 feet; and from its position, is perhaps one of the most valuable pieces of land in the city.

Lot 5.—Is the Cottage in Phillip-street, adjoining the above. Its frontage is 33 feet 9 inches, by a depth of 54 feet. The cottage contains 4 rooms, with a loft over them, besides kitchen, &c., and there is a yard in the rear. This is now let at 15s. per week.

Lot 6.—Adjoins the above, and consists of a Cottage, not now rented, worth about the same as lot 5.

The whole of the properties have access to their back premises by a lane leading from Phillip-street.

The total present rental of this valuable City Estate, about £365 per annum, but with a very trivial amount of attention and outlay Fifty per cent. might be added to this. Looking to the future certain and rapid extension of our metropolis, there can be no doubt that such a property will quickly double its present value; the auctioneers will not however run the risk of being accused of exaggeration by expatiating on this point, but simply state that they can call to mind no instance in their experience for so successful a venture.

Terms at sale.

Plans are on view at the Auctioneers' Rooms.

N. B.—The above will be put up in one lot, if, at the time of sale, the intending purchasers wish it.
