CROWN LANDS.

COMMENCEMENT OF PASTORAL LEASES.

HIS Excellency the GOVERNOR-GENERAL with the advice of the Executive Council, has been pleased to establish the following Regulation, with respect to the dates from which are to be computed, the terms of the Leases to be issued for Crown Lands in the Intermediate and Unsettled Districts, under Her Majesty's Order in Council of the 9th March, 1847.

2. As in consequence of the unavoidable delay that has occurred in the intended issue of Pastoral Leases, the licensed occupants of Crown Lands have not hitherto been in the enjoyment of all the advantages which would have accrued to them from the possession of such leases, and as moreover it is known that many persons, in the full conviction that the terms of the leases would be computed from the date of issue, have disposed of their interest in Pastoral Runs subject to that condition, His Excellency with the advice of the Executive Council, has been pleased to direct, that in regard to all leases to be issued, both for Lands held under licensed occupation previously to the promulgation of the Order in Council above referred to, and for Runs *hitherto* acquired by Tender, the maximum terms of eight years and fourteen years, as the case may be, shall commence from a future certain day, namely, 1st January, 1852, without reference to the actual date on which the Leases may issue, but, that with respect to all Runs hereafter taken up by Tender, the duration of the lease shall be computed from the date of the first payment of Rent, under the accepted Tender.

By His Excellency's Command,
E. DEAS THOMSON.

CONDITIONS.

1. All the articles required by this notice are to be of the best quality of their several kinds.

15. The Tenders for Provisions and Forage, when required by Rations, according to the scale under their respective heads, are to express the price per Ration only.

17. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed of persons named by the Government, according to the practice of the Service. But in Country districts, where such a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

18. If the Board, arbitrators, or umpire shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which, it will be procured by the Department requiring it, and the expense charged to the Contractor.

19. In the event of any unnecessary delay, or failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

20. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the Department, or Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject, at the place of delivery, such article or articles as are obviously of inferior quality—it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the meantime, he must take back the rejected article, and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

21. A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivery or replacing them when required, will also subject the Contractor, upon the report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor-General may direct. It will also be in the power of the Governor-General, upon such repetition, to terminate the Contract forthwith.

22. It will be in the power of either party to limit the duration of the Contract, by giving in writing, a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made.

23. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

24. The value of all packages to be included in the prices demanded.

25. Printed forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches of the several Districts; and at the foot of every Tender, there must be a Memorandum, signed by the party tendering, and two responsible persons as sureties, agreeing to be responsible for the due performance of the contract, in the event of the Tender being accepted, and undertaking in that event, that they will severally execute and deliver, within one month from the usual notification of acceptance, a bond to Her Majesty, for securing such performance, otherwise such Tender will not be taken into consideration.

26. The Tenders to contain the names of the Tenderers and their Sureties, and places of residence at length.

27. Each Tender must be in the form referred to in paragraph 25, and enclosed in a separate envelope, marked "*Tender for provisions, &c.*"

28. Further particulars and information may be obtained on application at this Office, to the Auditor General, and to the several Police Magistrates or Benches.

29. The Party tendering, or an Agent authorised in writing to act for him, is requested to attend at this Office, at the time appointed for receiving the Tenders, to afford such explanation or information as may be required.

By His Excellency's Command,
E. DEAS THOMSON.

10. If the arbitrators or umpire, shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which, it will be procured by the party requiring it, and the expense charged to the Contractor.

11. In the event of any unnecessary delay, or failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

12. In cases where the article is of a perishable nature, or from any other cause, injury would be sustained either by the parties to whom the Rations are due, or by the Contractor, by waiting for the decision of the arbitrators, the Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject at the place of delivery, such article or articles as are obviously of inferior quality—it being distinctly understood, that he will be responsible to the Government for so doing, and that the Contractor will have a right to appeal to the Governor-General, although, in the meantime, he must take back the rejected article, and supply good in its stead, failing of which, it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

13. A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the report of the Officer in charge of the parties, to such mulet, not exceeding one-fourth the amount of his monthly account, as the Governor-General may direct. It will also be in the power of the Governor-General, upon such repetition, to terminate the Contract forthwith.

14. It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made.

15. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the officer receiving the supplies, the same will be forwarded by the latter to the Auditor-General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

16. Printed forms of Tender may be obtained at this Office, from the Commissioners of Crown Lands, and from the Benches of the several Districts; and at the foot of every Tender there must be a memorandum signed by the party tendering, and two responsible persons as sureties, agreeing to be responsible for the due performance of the Contract, in the event of the Tender being accepted, and undertaking in that event, that they will severally execute and deliver, within two months from the usual notification of acceptance, a Bond to Her Majesty in the penal sum of One hundred pounds, for securing such performance, otherwise such Tender will not be taken into consideration.
