CROWN LANDS BEYOND THE SETTLED LANDS.

(RENEWAL OF PASTURAGE LICENSES.)

HIS Excellency the GOVERNOR, with the advice of the Executive Council, directs it to be notified for general information, that the preliminary proceedings necessary for the issue of leases for runs beyond the Settled Districts, being as yet for the most part incomplete, existing Licenses for the occupation of Crown Lands so situated, will be renewed on the 1st July next, on the same terms as licenses have been granted for the now current year, subject of course to the adjustment of the license fee, according to the quantity of stock returned by the Commissioner as pastured on every such run.

2. The Licenses must be taken out on or before the 30th day of September next.

3. If, within the year commencing on 1st July next, the Government shall be in a position to grant leases of runs under Her Majesty's Order in Council, any licensee under this notice who may obtain a lease, will receive credit in the payment of his first year's rent, for so much of the amount paid for his license, as may be proportionate to the unexpired part of the term for which the license was granted.

4. It will be understood that the licenses to be renewed under this notice, are those for pastoral runs beyond the Settled Districts only. Leases of lands held for other than pastoral purposes, and of runs or parts of runs brought within the Settled Districts by the operation of Her Majesty's Order in Council of 9th March, 1847, are provided for by the Notice issued from this Office, on the 11th February last.

By His Excellency's Command,

E. DEAS THOMSON.

Colonial Secretary's Office,

Sydney, 13th May, 1851.

QUIT RENTS.

UNDER the authority of the Right Honorable the Secretary of State, and with the advice of the Executive Council, His Excellency the GOVERNOR directs it to be notified, that on the expiration of the year ending on the 31st December next, all Quit Rents on Country Lands of higher annual amount than two shillings for each one hundred acres will be reduced to that uniform rate, provided that the holders of the lands shall have made the four annual payments, according to the rates fixed in their respective Grants, which will then have become due under the Regulation of the 9th of October 1846, and provided that the future Rents be punctually paid until the claim to them on the part of the Crown, shall have been extinguished by the completion of twenty annual payments, or by an equivalent payment in cash, according to the scale laid down in the said Regulation. It is to be understood, that parties having made the four annual payments at the present rate, in the manner above directed, will be entitled to redeem at the reduced rate of two shillings per one hundred acres, the further payments necessary to complete twenty years rent, according to the scale set forth in the notice above referred to.

2. It is further notified, that the Quit Rents on allotments in Country Towns will be reduced to one fourth of the rates fixed in the Deeds of Grant, but in all other respects the same principle is to be applied to them as is laid down in this notice respecting Country lands.

By His Excellency's Command,

E. DEAS THOMSON.

Colonial Secretary's Office,

2.
