POSTAGE BETWEEN NEW SOUTH WALES
AND VICTORIA.

HIS Excellency the GOVERNOR-GENERAL, having conferred with His Honor the Superintendent of Port Phillip, relative to the Postage which will become chargeable on letters, packets, and newspapers, passing between this Colony and Victoria, on the erection of the latter into a separate Dependency of the Crown, has been pleased to direct, that, pending the necessary legislation on the subject, the same charges for Postage shall continue to be made as at present on all such letters, packets, and newspapers; but it being necessary to make such arrangements, in reference to this matter, as will ensure to each Colony, so far as circumstances will permit, the benefit of its postal Revenue, it is to be understood, that the Postage Stamps of each Colony will only be available in posting letters, packets, or newspapers in the Colony in which they are issued; but they will, nevertheless, if of sufficient value, free them from further charge on delivery in the other Colony to which they may be conveyed. If not pre-paid by money or in stamps, they will nevertheless be forwarded to their destination, and in such case they will become chargeable (newspapers excepted) with double postage in the Colony in which they may be delivered. If the value of the stamps be insufficient, the difference necessary to make up the proper amount of postage, will also be charged double on delivery of the letters and packets. The amount received for postage on letters, packets, and newspapers not pre-paid will be carried to the credit of the revenue of the Colony in which the same is collected.

One thousand and thirty acres, county of Cumberland, parish of St. Luke, near Liverpool (being part of twelve thousand nine hundred acres granted to the Male Orphan School); commencing at the south-west corner, at the old Cowpasture Road, and bounded on the south by part of Cartwright's, now Bosley's, nine hundred and ten acres, being a line bearing east 102 chains 50 links (E. 102°50'); on the east by Chisholm's six hundred acres, being a line bearing north 102 chains 50 links (N. 102°50'); on the north by part of Hyland's fifty acres, Brabyn's twelve hundred acres, and Hall's fifty acres, being a line bearing west 102 chains 50 links (W. 102°50'); and on the west by George Johnston's, now Captian Weston's, land, and part of Abbott's land, being a line bearing south 102 chains 50 links (S. 102°50') to the south-west corner as aforesaid.

Twelve thousand nine hundred acres of land were granted, under the Seal of the Colony, to the Male Orphan Institution, and became vested in the Church and School Corporation, who, by an Indenture dated 4th December, 1827, sold the above described portion to the late Reverend Samuel Marsden, who sold to Edward New, who sold to claimant. The Conveyance to Marsden is defective, and a further Conveyance is to be issued, as provided for by the Act of Council, 5th Wil. 4, No. 11.

This allotment was leased by Sir Thomas Brisbane to Samuel Larkin, for 21 years, by a Lease dated 30th June, 1823, and formed the subject of the Case No. 1034; and, in the absence of any other claimant, the Commissioners, on the 8th March, 1842, reported in favor of Edgar Larken, as heir at law of the said Lessor.

Samuel Larken, deceased. Edgar Larken having failed to pay the arrears of rent due on the land, no deed issued in pursuance of the Commissioner's Report; and now Claimant alleges that he bought of the deceased, Samuel Larken. The term of the Lease has expired.

Case No. 1308.—James Houston, of Parramatta, by his Solicitors, Messrs. Minithorpe and Co.
