By His Excellency's Command,

*Colonial Secretary's Office,
Melbourne, 24th July, 1851.*

His Excellency the Lieutenant-Governor directs the following Notice to be published for general information.

By His Excellency's Command,
W. LONSDALE.

NOTICE TO MARINERS.

A knoll of hard sand has formed nearly in the centre of the Western Channel, opposite the "Swan Ponds." A Buoy, chequered RED and WHITE, will

be placed upon it; a small black Buoy temporarily marks its position. The bearings of the sand are—

The knoll is nearly conical in shape, and not more than six feet across at the top. At low water and easterly weather there is scant twelve (12) feet water over the sand, with from nineteen (19) to twenty-one (21) feet within an oar's length on all sides. Vessels running or working through the channel have plenty of room and deep water on either side of the buoy.

Harbour Master.

CONVEYANCE AND ESCORT OF GOLD.

HIS Excellency the GOVERNOR-GENERAL directs it to be notified, with reference to the notice of the 17th ultimo, that arrangements have been made for the conveyance of Gold, under the charge of an armed escort, from Ophir and Sofala to Bathurst or Sydney, and from Bathurst to Sydney, once in each week.

2. The Gold intended to be sent under this arrangement from Ophir or Sofala to Bathurst, or to Sydney, is to be delivered to the Commissioner of Crown Lands or Assistant Commissioner on the spot, to be transmitted in the Chests or Safes provided for the purpose, to the Police Magistrate at Bathurst, who will deliver the Bags addressed to that place to the persons or agents appointed to receive them, and forward the Packages for Sydney by the Mail by which the escort proceeds to the Colonial Treasurer, at whose Office they may be obtained by the persons duly authorised for the purpose.

3. The Gold, whether received at Ophir or Sofala or at Bathurst, is to be placed in bags sealed, marked, &c., in the manner pointed out in the Notice of the 17th July, 1851; and the receipts to be granted and the authorities to be produced to the Police Magistrate at Bathurst, or to the Colonial Treasurer, Sydney, for obtaining the packages, are to be those required by that Notice.

4. A charge will be made for Gold, forwarded under this arrangement, from Ophir or Sofala to Bathurst, of one-half per cent., and from any of these places to Sydney, of one per cent. on its value, estimated at £34s. per ounce for washed Gold, and £2 8s. for Gold obtained by amalgamation; and payment is to be made to the Police Magistrate at Bathurst for Gold forwarded to that place, and to the Colonial Treasurer for that sent to Sydney.

5. The Mails, with escort, will leave Ophir and Sofala every Tuesday morning, and Bathurst every Wednesday, arriving in Sydney at 11 o'clock on Thursday forenoon.

6. It is to be understood that in the event of a loss, notwithstanding the protection afforded by the escort, the Government will not, as explained in the Notice of the 17th ultimo, be responsible for it.

By His Excellency's Command,
E. DEAS THOMSON.

TENDERS FOR RUNS.

EXPORT OF GOLD.—CUSTOMS NOTICE.

IT being considered important that correct accounts should be kept of the Export of Colonial Gold, with a view to the preparation of general Returns for the information of the Legislature and Public; and as some difficulty is at present experienced, in preparing such accounts, in consequence of the prevailing impression, that the precious metals are exempt from the usual regulations under which other goods are shipped, the attention of the Public is directed to the provisions of the 39th section of the Act of Council 9th Victoria, No. 15, from which it will appear that all goods intended for exportation, must be entered at the Custom House by Bill of Entry; and as no proviso is contained in any subsequent clause of the Act in favour of precious metals, it is requested that this regulation may be adhered to; but in order to avoid all apprehension that might be entertained of any risk consequent upon immediately making public the quantities exported in any particular ship, the information so obtained will be held to be confidential, and subject to be used only for the purpose of preparing the general Returns above referred to.
