His Royal Highness PRINCE ALBERT.

Lord President.	Earl Grey.
Lord Privy Seal.	Lord John Russell
Duke of Norfolk.	Viscount Palmerston
Lord Steward.	Sir John Hobhouse, Bart.
Lord Chamberlain.	Sir George Grey, Bart.
Marquis of Abercorn.	Chancellor of the Exchequer.

WHEREAS by an act passed in the Session, of  
Parliament held in the ninth and tenth years of  
Her present Majesty, intituled, "*An Act to amend  
an Act for regulating the sale of Waste Land  
belonging to the Crown in the Australian Colo-  
nies, and to make further provisions for the man-  
agement thereof*," after reciting that it was  
expedient that various rules and regulations should  
be made respecting the more effectually making  
demises or licenses for any term of years, not  
exceeding fourteen, of any such Waste Lands as  
were within mentioned, and respecting any right  
of pre-emption which it might be proper to give  
to the holders of any such demise or license, it was  
enacted that it should be lawful for Her Majesty, by  
any Order in Council, to make and establish all  
such rules and regulations as to Her Majesty  
shall seem meet for the purposes aforesaid

And whereas in pursuance of the said Act of  
Parliament, certain rules and regulations have  
already been made, and it is expedient that further  
regulations should be made for the above purposes,  
with regard to the Colony of New South Wales,  
it is hereby ordered by the Queen's Most Excellent  
Majesty, by and with the advice of Her Privy  
Council, that it shall be competent for the Gover-  
nor for the time being of the said Colony, or other  
officer for the time being administering the  
Government of the said Colony, to grant leases  
of Land, for periods not exceeding one year, for  
pastoral or other purposes, in any part of the  
said Colony.

And it is further ordered that it shall be com-  
petent for the said Governor, or other Officer  
aforesaid, to sell to the holder of any Lease  
granted in virtue of this Order in Council any  
part of the land comprised in any such Lease, for  
its fair value in an unimproved state, not being  
less than the minimum upset price prescribed by  
the Government Regulations for the time  
being.

And the Right Honorable Earl Grey, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

WILLIAM L. BATHURST.

Colonial Secretary's Office,  
Melbourne, 9th December, 1851.

#### CROWN LANDS.

*Leases for other than Pastoral Purposes, and for Runs brought within the Settled Districts.*

REFERRING to Her Majesty's Order in Council, dated 19th June, 1850, and published in the *Government Gazette* of this date, which renders it competent for the Governor to grant Leases of Lands, for periods not exceeding one year, for pastoral or other purposes, and also to sell to the holder of such Lease any part of the land comprised therein for its fair value in an unimproved state, not being less than the minimum upset price prescribed by the Government Regulations for the time being, His Excellency desires to intimate to the public, that the powers conferred by this Order in Council were given for the purpose of enabling His Excellency to allow the value of their improvements to those licensed occupants of Crown Lands beyond the Boundaries of Location, on whom Her Majesty's Order in Council, of 9th March, 1847, did not confer the right of demanding leases, and who thus lost the privilege appertaining to lessees of purchasing land on which they had made improvements at its estimated value in an unimproved state; and it is not His Excellency's intention to use the powers conferred upon him in any other cases than those which, as above explained, it was intended to meet, namely:—

(1). The cases of persons who hold land beyond the boundaries of location under license, or under the express authority of the government, for other than pastoral purposes.

(2). The cases of persons whose holdings or parts of them, though previously beyond the boundaries of location as then existing, were, by the Order in Council of 9th March, 1847, brought within the Settled Districts.

2. In order to carry out this intention, His Excellency, with the advice of the Executive Council, has been pleased to establish the following Regulations:—

Colonial Secretary's Office,  
Melbourne, 8th December, 1851,  
CROWN LANDS.

LEASES for other than pastoral purposes, and for runs brought within the settled districts.

#### *I.—Lands held for other than Pastoral Purposes.*

(1.) Existing licenses for lands beyond the settled districts, held for other than pastoral purposes, will not be renewed in their present form, except in special cases, but leases for one year under the above mentioned Order in Council will be granted for such lands to the authorised occupants, provided that application be made for them not later than the 28th February next.

(2.) The year for which the new leases will date will be from 1st January to 31st December, and they will not be renewed. The rent will be the same as that now paid.

(3.) During the currency of these leases, the tenants will be allowed to purchase at the price fixed by the government such portions of their

holdings as may contain valuable improvements, provided they make due application for such purchase at the time of applying for their leases as above directed, if they have not already done so prior to the issue of this notice.

(4.) This privilege will be strictly confined to those portions of land upon which the valuable improvements are erected, and will only be conceded in cases where they may have been placed upon land set aside as a township reserve.

(5.) The valuable improvements above alluded to are to be understood to be dwelling houses, with their immediate out offices, and do not extend to fencing, or sheds and huts easily moveable.

#### *II.—Lands brought within the Settled Districts.*

(6.) As respects lands held for pastoral purposes which have been brought within the settled districts by the operation of the Order in Council, the leases granted under the regulations of the 29th March, 1848, for the current year, will be allowed to run out, and on their expiration leases for the ensuing year, 1852, will be granted under the new Order in Council, so as to afford to the occupants the privilege of purchasing at the price fixed by the government, such portions of such crown lands containing valuable improvements as they have hitherto retained under the special provisions made in their favor in the 24th clause of the Settled Land Regulations of the 29th March, 1848.

(7.) It is to be fully understood that the pre-emptive right of purchase will be confined to the section, or a portion thereof, on which the homestead is placed, and that no homestead erected after the date of this notice, will convey any right of purchase under the pre-emptive right.

(8.) The exact amount of land on portion of a section which may be purchased under this notice, will be principally determined by the proximity of the section to a township, and will be decided by His Excellency the Lieutenant Governor, with the advice of the Executive Council, as soon as possible after the application has been made.

(9.) This pre-emptive right of purchase will not extend to any land situated within the five mile boundary of the City of Melbourne, or within the two-mile boundary of the Town of Geelong, or within two miles of the Towns of Portland, Belfast, Warnambool, or Alberton.

#### *Rule as to Measurement.*

The measurement of the lands will also be made in accordance with the general rules laid down in section 7 of cap. II of the said Order in Council.

#### *IV.—Town Lands—Measurement and Extent.*

(8.) In towns and their suburbs, the lands must be purchased in allotments according to the general plan of the town, as laid out by the Surveyor General, and no allotments can be sold to the present holders in such cases, under the pre-emptive privilege now conferred upon them, but such as actually contain valuable improvements.

#### *V.—Price.*

(9.)—The price at which sales, without competition, will, in ordinary cases, be made to the lessees, will be that fixed by the government in the usual manner as the minimum upset price for lands in the same locality, but wherever any portions applied for may be considered to possess more than ordinary value, the price will be fixed

by the assessment of valuers, in the same manner as if the sale were to be effected under section 8 of chap II. of Her Majesty's Order in Council, of 9th March, 1847. The price will, of course, be independent of the cost of the survey, where chargeable on the tenants according to notice.

By His Excellency's Command,  
W. LONSDALE.

Colonial Secretary's Office,  
Melbourne, 8th December, 1851.

**H**IS Excellency the Lieutenant Governor directs it be notified that under the 11th section of the Act of Council 7th Victoria No 14 all applications for the admission into the lunatic Asylum, Merri Creek, of persons who are insane must be accompanied by the following document viz:—

(2.) An application from one or more of the relatives or guardians of the insane person, in the form annexed (B) which must be sanctioned by the Resident Judge of the Supreme Court. For this purpose, the application must be taken to the Deputy Registrar of the said Court.

2nd, In all applications of this nature the relationship in which the applicants stand to the insane person, must be distinctly stated; but in cases where the insane person has no relations or guardians, the application may proceed from a Justice of the Peace, or from the Directors or Principal Officers of any public charity.

3rd. The applications when sanctioned by the Resident Judge are to be forwarded to the Colonial Secretary.

4th, The charge for the maintenance in the Lunatic Asylum, of an insane person, male or female, is one shilling and fourpence per diem; and unless in the case of a pauper, the person seeking the admission of the insane person, will be required to furnish to the Visiting Justice of the Lunatic Asylum, an engagement from two responsible persons for the regular payment of this sum.

5th, If the application be for the admission of the insane person, as a pauper, a certificate will be required from some respectable person, known to the Government, to the effect, not only that such insane person is without funds for his or her maintenance, but that he or she is also without friends who can reasonably be expected to maintain him or her.

By His Excellency's Command,  
W. LONSDALE.

(A.)

(Form of Medical Certificate.)

We the undersigned being legally qualified medical practitioners, do hereby certify that we have examined (AB) of (state residence, trade or calling &c.) and that we find (him, or her as the case may be,) to be of unsound mind, and a fit and proper object for reception into the Lunatic Asylum; and we further certify, that in our opinion the said (AB) would be benefited by treatment in such Asylum.

(signed) O. D.  
E. F.

(B.)

Form of application to His Excellency the  
Lieutenant Governor.

The petition of (GH) of (state residence and trade or calling) (husband, wife, father &c, as the case may be) of (AB) who is of unsound mind.

Respectfully sheweth, that the said (AB) has been examined, and found to be of unsound mind as will appear by the annexed certificate; and that your petitioner is desirous of procuring his or her admission into the Lunatic Asylum, in order that (he or she) may then have such medical care and attendance as may be most likely to ensure (his or her) eventual recovery.

(Add any circumstance requiring explanation, and whether the insane person is proposed to be maintained by the petitioner or by the public.)

Your Petitioner therefore prays that Your Excellency will be pleased to direct that the said (AB) may be received in'o the said Lunatic Asylum.

And your Petitioner, &c., &c.

NOTE.—If the insane person is sought to be admitted at the public cost, the following certificate should be added.

I (GH) of (state residence &c.) do hereby certify, that to the best of my knowledge and belief (AB) who is described in the foregoing petition, has not the means of paying for (his or her) maintenance in the Lunatic Asylum, and that (he or she) has not any relations or friends who can be reasonably expected to maintain (him or her.)

1. The first part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a constant function, and its value is determined by the initial condition  $f(0) = 1$ . The second part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a constant function, and its value is determined by the initial condition  $f(0) = 1$ . The third part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a constant function, and its value is determined by the initial condition  $f(0) = 1$ . The fourth part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a constant function, and its value is determined by the initial condition  $f(0) = 1$ . The fifth part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a constant function, and its value is determined by the initial condition  $f(0) = 1$ . The sixth part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a constant function, and its value is determined by the initial condition  $f(0) = 1$ . The seventh part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a constant function, and its value is determined by the initial condition  $f(0) = 1$ . The eighth part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a constant function, and its value is determined by the initial condition  $f(0) = 1$ . The ninth part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a constant function, and its value is determined by the initial condition  $f(0) = 1$ . The tenth part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a constant function, and its value is determined by the initial condition  $f(0) = 1$ .
