Published by Authority.

WEDNESDAY, DECEMBER 17, 1851.

PROCLAMATION,

By His Excellency Charles Joseph La Trobe, Esquire, Lieutenant Governor of the Colony of Victoria and its Dependencies, &c. &c., &c.

I, Charles Joseph La Trobe, Esquire, the Lieutenant Governor, aforesaid, do by this my proclamation, publicly notify and declare, that Her Most Gracious Majesty the Queen has been pleased by the Order in Council hereto annexed, to make and establish the additional Rules and Regulations therein contained, for regulating the occupation of Waste Lands of the Crown, in the Colony of New South Wales.

Given under my hand, and seal at Melbourne, this ninth day of December, in the Year of Our Lord one thousand eight hundred and fifty-one and in the fifteenth year of Her Majesty's reign.

(L. s.) C. J. LA TROBE.

By His Excellency's Command,
W. LONSDALE.

GOD SAVE THE QUEEN!

At the Court of Buckingham Palace, the 19th June, 1850.

THE QUEEN'S MOST EXCELLENT MAJESTY,
His Royal Highness PRINCE ALBERT.

Lord President.	Earl Grey.
Lord Privy Seal.	Lord John Russell
Duke of Norfolk.	Viscount Palmerston
Lord Steward.	Sir John Hobhouse, Bart.
Lord Chamberlain.	Sir George Grey, Bart.
Marquis of Abercorn.	Chancellor of the Exchequer.

WHEREAS by an act passed in the Session of Parliament held in the ninth and tenth years of Her present Majesty, intituled, "*An Act to amend an Act for regulating the sale of Waste Land belonging to the Crown in the Australian Colonies, and to make further provisions for the management thereof,*" after reciting that it was expedient that various rules and regulations should be made respecting the more effectually making demises or licenses for any term of years, not exceeding fourteen, of any such Waste Lands as were within mentioned, and respecting any right of pre-emption which it might be proper to give to the holders of any such demise or license, it was enacted that it should be lawful for Her Majesty, by any Order in Council, to make and establish all such rules and regulations as to Her Majesty shall seem meet for the purposes aforesaid

And whereas in pursuance of the said Act of Parliament, certain rules and regulations have already been made, and it is expedient that further regulations should be made for the above purposes, with regard to the Colony of New South Wales, it is hereby ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Privy Council, that it shall be competent for the Governor for the time being of the said Colony, or other officer for the time being administering the Government of the said Colony, to grant leases of Land, for periods not exceeding one year, for pastoral or other purposes, in any part of the said Colony.

And it is further ordered that it shall be competent for the said Governor, or other Officer aforesaid, to sell to the holder of any Lease granted in virtue of this Order in Council any part of the land comprised in any such Lease, for its fair value in an unimproved state, not being less than the minimum upset price prescribed by the Government Regulations for the time being.

And the Right Honorable Earl Grey, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

WILLIAM L. BATHURST.

Colonial Secretary's Office,
Melbourne, 9th December, 1851.

CROWN LANDS.

Leases for other than Pastoral Purposes, and for Runs brought within the Settled Districts.

REFERRING to Her Majesty's Order in Council, dated 19th June, 1850, and published in the *Government Gazette* of this date, which renders it competent for the Governor to grant Leases of Lands, for periods not exceeding one year, for pastoral or other purposes, and also to sell to the holder of such Lease any part of the land comprised therein for its fair value in an unimproved state, not being less than the minimum upset price prescribed by the Government Regulations for the time being, His Excellency desires to intimate to the public, that the powers conferred by this Order in Council were given for the purpose of enabling His Excellency to allow the value of their improvements to those licensed occupants of Crown Lands beyond the Boundaries of Location, on whom Her Majesty's Order in Council, of 9th March, 1847, did not confer the right of demanding leases, and who thus lost the privilege appertaining to lessees of purchasing land on which they had made improvements at its estimated value in an unimproved state; and it is not His Excellency's intention to use the powers conferred upon him in any other cases than those which, as above explained, it was intended to meet, name'y:—

(1). The cases of persons who hold land beyond the boundaries of location under license, or under the express authority of the government, for other than pastoral purposes.

(2). The cases of persons whose holdings or parts of them, though previously beyond the boundaries of location as then existing, were, by the Order in Council of 9th March, 1847, brought within the Settled Districts.

2. In order to carry out this intention, His Excellency, with the advice of the Executive Council, has been pleased to establish the following Regulations:—

Colonial Secretary's Office,
Melbourne, 8th December, 1851,

CROWN LANDS.

LEASES for other than pastoral purposes, and for runs brought within the settled districts.

I.—Lands held for other than Pastoral Purposes.

(1.) Existing licenses for lands beyond the settled districts, held for other than pastoral purposes, will not be renewed in their present form, except in special cases, but leases for one year under the above mentioned Order in Council will be granted for such lands to the authorised occupants, provided that application be made for them not later than the 28th February next.

(2.) The year for which the new leases will date will be from 1st January to 31st December, and they will not be renewed. The rent will be the same as that now paid.

(3.) During the currency of these leases, the tenants will be allowed to purchase at the price fixed by the government such portions of their

holdings as may contain valuable improvements, provided they make due application for such purchase at the time of applying for their leases as above directed, if they have not already done so prior to the issue of this notice.

(4.) This privilege will be strictly confined to those portions of land upon which the valuable improvements are erected, and will only be conceded in cases where they may have been placed upon land set aside as a township reserve.

(5.) The valuable improvements above alluded to are to be understood to be dwelling houses, with their immediate out-offices, and do not extend to fencing, or sheds and huts easily moveable.

II.—Lands brought within the Settled Districts.

(6.) As respects lands held for pastoral purposes which have been brought within the settled districts by the operation of the Order in Council, the leases granted under the regulations of the 29th March, 1848, for the current year, will be allowed to run out, and on their expiration leases for the ensuing year, 1852, will be granted under the new Order in Council, so as to afford to the occupants the privilege of purchasing at the price fixed by the government, such portions of such crown lands containing valuable improvements as they have hitherto retained under the special provisions made in their favor in the 24th clause of the Settled Land Regulations of the 29th March, 1848.

(7.) It is to be fully understood that the pre-emptive right of purchase will be confined to the section, or a portion thereof, on which the homestead is placed, and that no homestead erected after the date of this notice, will convey any right of purchase under the pre-emptive right.

(8.) The exact amount of land on portion of a section which may be purchased under this notice, will be principally determined by the proximity of the section to a township, and will be decided by His Excellency the Lieutenant Governor, with the advice of the Executive Council, as soon as possible after the application has been made.

(9.) This pre-emptive right of purchase will not extend to any land situated within the five mile boundary of the City of Melbourne, or within the two-mile boundary of the Town of Geelong, or within two miles of the Towns of Portland, Belfast, Warnambool, or Alberton.

Rule as to Measurement.

The measurement of the lands will also be made in accordance with the general rules laid down in section 7 of cap. II of the said Order in Council.

IV.—Town Lands—Measurement and Extent.

(8.) In towns and their suburbs, the lands must be purchased in allotments according to the general plan of the town, as laid out by the Surveyor General, and no allotments can be sold to the present holders in such cases, under the pre-emptive privilege now conferred upon them, but such as actually contain valuable improvements.

V.—Price.

(9.)—The price at which sales, without competition, will, in ordinary cases, be made to the lessees, will be that fixed by the government in the usual manner as the minimum upset price for lands in the same locality, but wherever any portions applied for may be considered to possess more than ordinary value, the price will be fixed

by the assessment of valuers, in the same manner as if the sale were to be effected under section 8 of chap II. of Her Majesty's Order in Council of 9th March, 1847. The price will, of course, be independent of the cost of the survey, where chargeable on the tenants according to notice.

By His Excellency's Command,
W. LONSDALE.

Colonial Secretary's Office,
Melbourne, November 26th, 1851.

3. The upset price is ten shillings per section of 640 acres, for one year, commencing from 1st January, 1852.

PUBLIC WORSHIP.

Colonial Secretary's Office,
Melbourne, 16th December, 1851.

HIS Excellency the Lieutenant Governor, with the advice of the Executive Council, has been pleased to establish the following regulations under which grants from the amount set apart for Public Worship, under the Statute 13th and 14th Victoria, chapter 59, will be made in accordance with the provisions of the Act of the Governor and Council 7 William 4 No 3, in aid of the payment of Ministers' Stipends, and of the erection of Churches, Chapels, and Ministers' Dwellings.

1. The whole of such amount will be divided in the month of January in each year, into sums proportionate to the relative number, according to the latest census, of the members of each assisted denomination, and the sums so divided will be appropriated to each denomination in conformity with these regulations.

2. In order to enable the Lieutenant Governor to give the requisite sanction for the several payments from the amounts so set apart, the heads of the various assisted denominations will on or before the 1st day of February in each year, forward a return to the Colonial Secretary of the several clergymen who are entitled to receive stipends under the Act of Council, with the amount payable to each; any subsequent applications made in accordance with these regulations should be forwarded for the consideration of the Lieutenant Governor and the Executive Council.

3. Grants in aid of Ministers' Stipends will be deemed payable from the 1st of January in each year, unless the contrary be declared.

4. Every such application for aid towards the building of a church or Ministers' dwelling, under the first clause of the said Act of Council, shall be made in the annexed form marked (A), and shall set forth the particulars therein required; unless the sum of £200 have been subscribed and actually paid, the application cannot be entertained, and until the trustees have been duly named and approved, and satisfactory proof given of a valid title to the intended site, no assistance can be given in money towards the proposed building.

5. All applications for stipends towards the support of ministers under the second clause of the said Act, shall be made in the form hereunto annexed, marked (B), shall comprise all such particulars as are set forth in the said clause, and shall also contain a declaration that the persons signing it have not previously signed any other application of the same kind.

6. All special applications for ministers' stipends under the third clause of the said Act, in cases where there are not 100 proposed adult attendants, shall be made in the same form (B) last mentioned, accompanied by an explanatory letter from the Lord Bishop of Melbourne, the Right Reverend the Roman Catholic Bishop, the Presbytery of the Church of Scotland, or the Chairman of the Victoria branch of the Wesleyan Church, respectively setting forth the particular circumstances of the case for the consideration of the Lieutenant Governor and Council.

7. All applications for increase of stipends made under the fourth clause of the said Act, shall contain the several particulars required by the second clause, and set forth in form (C), hereunto annexed, with such alterations only as the case may require.

8. All applications made under the fifth clause of the said Act for stipends towards the support of ministers where there is no church or chapel, must contain the several particulars required by that clause, and be accompanied by the recommendation of the Lord Bishop of Melbourne, the Right Reverend the Roman Catholic Bishop, the Presbytery of the Church of Scotland, or the chairman of the Victoria Branch of the Wesleyan Church.

9. Pursuant to the sixth clause of the said Act, a statement shall be transmitted in the month of January of every year, to the Clerk of the Executive Council, signed by the Lord Bishop of Melbourne, the Right Reverend the Roman Catholic Bishop, the Presbytery of the Church of Scotland, or the Chairman of the Victoria Branch of the Wesleyan Church respectively, certifying that each minister of their respective churches has, during the past year, or such part thereof as he shall have been employed faithfully and diligently performed the several duties allotted to him in the district for which he shall be appointed, which statement shall be deemed sufficient proof of such performance, unless a complaint be made in writing to the Lieutenant Governor or Executive Council, who shall render further enquiry necessary, and no stipend will be issued for the current year until such certificate shall have been received, or such enquiry if instituted shall have been satisfactorily determined.

10. Previously to the issue of any sum from the Colonial Treasury under these regulations towards the erection of any church or chapel, or ministers' dwelling, the trustees thereof will be required to transmit to the Colonial Secretary an account (accompanied by the usual vouchers) of the sums actually expended in the building. Such account will then be referred to some competent architect appointed on behalf of the government, who will be required to examine the

building and certify that the workmanship and materials are good and sufficient, and conformable to the plan and elevation laid before the Lieutenant, Governor and Council, and that he believes the specified sum to have been actually laid out. One half the amount (not being less than £50) of any sums so expended and certified, will be from time to time issued by the trustees, subject to the limitation imposed by the said Act.

11. The advances alluded to in the preceding paragraph cannot be made upon materials not worked up. The number of inspections to be made on behalf of the government of any building in progress, will be confined to two intermediate, and one final, or three in the whole, and in ordinary cases the number of advances will correspond; but to obviate inconvenience, if advances are in any case urgently required more frequently, they may be made on the trustees giving their personal security that the amount shall be repaid on demand, in the event of its exceeding one half the value of the work executed, and duly approved within a reasonable time from the date of the issue of the first advance from the Colonial Treasury.

By His Excellency's Command,
W. LONSDALE.
