IMMIGRATION REMITTANCES.

HIS EXCELLENCY the Lieutenant Governor with the advice of the Executive Council, has been pleased to direct the publication of the following revised Regulations, for facilitating the remittance of any sums of money which persons settled in the Colony may desire to send to their relatives or friends, or others in the United Kingdom, for the purpose of enabling them to emigrate to this Colony.

1. In the Country Districts, the Clerks of Petty Sessions throughout the Colony will receive, on every public day during the sitting of the Court, but at no other time or place, any sums which residents in the District may desire to remit to the Colonial Land and Emigration Commissioners, for the purpose of being applied to the provision of steerage passages to this Colony for their friends or relatives, or others. In Melbourne, such sums will be received at the Treasury, where they can be paid in at any time, during the usual office hours.

2. The Clerks of Petty Sessions, on receiving sums under this notice, will enter in the printed form of application annexed (Schedule A) the name and address of the Depositor; the amount of the Deposit, distinguishing the objects to which it is to be applied (see clauses A, B); the name, age, condition, calling, and residence of the person or persons in the United Kingdom towards whose immigration the Deposit is made; and the names and residences of such persons of note as

the Depositor may refer to, for the purpose of answering any queries which the Land and Emigration Commissioners may have to make; and will write, at the foot of the same, receipts for the amounts paid into their hands. These forms will, in each case, be filled up in triplicate; and the three copies having been certified by one or more Magistrates present, one of them will be handed to the Depositor, another will be forwarded to the Colonial Secretary, and the third will be retained as a record in the office of the Clerk of Petty Sessions.

3. For Depositors in Melbourne, the forms will be filled up at the Immigration Office; but the Deposits must be paid, and the receipts signed at the Treasury.

4. The Clerks of Petty Sessions will be required to forward to the Colonial Treasurer, in Melbourne, on the 1st and 16th days of every month, all sums received by them under this notice during the preceding half month, with a list of the names and addresses of the persons by whom the payments were made. The amounts thus forwarded will be remitted to the Colonial Land and Emigration Commissioners, who will apply them towards providing passages for the nominees of Depositors.

5. Certificates will be furnished at the Colonial Secretary's Office (within one month after the receipt of the application) to Depositors, for transmission to the persons nominated by them. These must be produced to the Commissioners in London, within twelve months from their date.

6. Remittances may be paid for either of the following objects:—

(A.) To assist the nominees in paying the expense of their passage and outfit.

(B.) To secure a preference for the nominees.

(A.)

7. For the information of persons who may desire to make remittances under this system, it is hereby notified that the cost of steerage passages to the Colony, under the Commissioners' contracts, will not be likely to exceed fourteen pounds for persons above the age of fourteen years. For persons under the age of fourteen years, half price only is charged. The cost of outfit for the voyage, besides the expense of reaching the port of embarkation is estimated as follows:—

	£	s.	d.
For a single manabout	4	10	0
For a single woman "	5	0	0
For a married couple "	9	0	0

The cost of an outfit for children varies with their size.

8. In cases in which it may be expected that the persons intended to emigrate may be enabled themselves to raise from their own resources, or by the assistance of others, a portion of their passage money, their friends in the Colony may not consider it necessary to remit a sum sufficient to pay the whole cost of their passage. In all such instances, it must be understood that the Commissioners will only undertake to apply to the best advantage, for the benefit of the parties, such sums as may be furnished to them, either by remittances from the Colony, or by contributions in the Mother Country, and not to provide passages in cases where the money placed in their hands is insufficient for that purpose.

9. In any case in which the amount remitted may exceed that required for the payment of the Emigrant's passage, the balance will either be paid to the Emigrant, or returned to the person who made the remittance, according to the directions which may be given by the latter. But in order to prevent this arrangement being used for the purpose of making remittances unconnected with Emigration, it is necessary to state that the Commissioners will not undertake to make payments of money, in England, to any persons but those for whom they have provided passages to the Colony.

(B.)

10. Residents in this Colony may secure a preference for such of their own relatives or friends as may be in every respect qualified, under the Commissioners' general regulations for free passages, provided they belong to any of the following classes:—

Agricultural labourers,
Shepherds,
Herdsmen,
Miners,
Gardeners,
Country blacksmiths,
" bricklayers,
" carpenters,
" sawyers,
" masons,
" wheelwrights,
Female domestic servants,
" farm servants;

by contributing and remitting, in the manner above provided for the undermentioned sums:—

	Male.	Female.
For each person between } 1 and 14..... }	£. 4	£. 2
" " 14 and 45...	8	4
" " 45 and 60...	12	6

The remainder of the cost of passage (except the contribution for bedding and cooking utensils,) will be defrayed by the Government, but the expense of reaching the port of embarkation must be paid by the Emigrant.

11. The subjoined notice (Schedule B) will show the description of persons who are eligible under the Commissioners' Regulations, and who will be entitled to the benefit of the Rule laid down in the above clause.

12. If any of the persons nominated under either of the above systems do not come forward to take the passages secured to them (provided that due notice has been given to the Commissioners of their intention not to proceed;) or if the Commissioners decline to grant passages to them on account of ineligibility, the money which has been paid for them will be returned to the Depositor in the Colony.

13. These Regulations will take effect from the present date, and the Government Notices of the 22nd December, 1848, and 20th March, 1850, are hereby cancelled.

By His Excellency's Command,
W. LONSDALE.

Certified to be correct,

J. P.
J. P.

Clerk of Petty Sessions.

(SCHEDULE B.)

Regulations for the selection of Emigrants, and Conditions on which Passages are granted.

QUALIFICATIONS OF EMMIGRANTS.

1. The Emigrants must be of those callings which from time to time are most in demand in the Colony. They must be sober, industrious, and of general good moral character; of all of which decisive certificates will be required. They must also be in good health, free from all bodily or mental defects; and the adults must in all respects be capable of labour, and going out to work for wages. The candidates most acceptable are young Married Couples without children.

2. The separation of husbands and wives, and of parents from children under 18, will in no case be allowed.

3. Single women cannot be taken without their parents, unless they go under the immediate care of some near relatives. Single women with illegitimate children can in no case be taken.

4. Single men cannot be taken except in a number not exceeding that of the single women by the same ship.

5. Widowers and widows with young children, persons who intend to buy land, or to invest capital in trade, or who are in the habitual receipt of parish relief, or who have not been vaccinated, or had the small pox, or whose families comprise more than 4 children under 12 years of age, cannot be admitted.

APPLICATION AND APPROVAL.

6. Applications must be made to the Commissioners in the Form annexed. The filling up of the Form, however, confers no claim to a passage; and implies no pledge that the candidates, though apparently within the Regulations, will be accepted.

7. If approved of, the applicants will receive a printed "Approval Circular," calling for the Contribution for Bedding and Mess Utensils for the voyage, and pointing out how the money is to be paid. After it is paid, they will, as soon as practicable, receive an Embarkation Order (which is not transferable,) naming the ship in which they are to embark, and the time and place of joining her. They must not leave their homes before the receipt of this Order.

CAUTIONS TO APPLICANTS.

9. No preparations must, on any account, be made by the applicants, either by withdrawing from employment or otherwise, until they receive the "Approved Circular." Applicants who fail to attend to this warning will do so at their own risk, and will have no claim whatever on the Commissioners.

10. The Selecting Agents of the Board have no authority to promise passages in any case, nor to receive money. If, therefore, applicants wish to make their payments through the Agents, instead of in the manner pointed out in the "Approved Circular," they must understand that they do so at their own risk, and that the Commissioners will in no way be responsible.

11. Should any signatures attached to an applicant's paper prove to be not genuine, or should any false representations be made in the papers, not only will the application be rejected, but the offenders will be liable, under the Passengers' Act,

12 and 13 Vic. cap. 38, to a penalty not exceeding £50.

12. Should any applicants be found, on personal examination at the depôt, or on board, to have made any mis-statement in their papers, or to have any infectious disorder, or otherwise not to be in a fit state of health to embark, or to have any mental or bodily defect likely to impair their usefulness as labourers, or to have left any of their young children behind, or to have brought with them more children than are mentioned in their Application Form, or expressly sanctioned by the Commissioners, or to have attempted any deception whatever, or evasion of these Rules, they will be refused admission on board the ship, or, if embarked will be landed, without having any claim on the Commissioners. If, after embarkation, Emigrants are guilty of insubordination or misconduct, they will be re-landed, and forfeit their contributions.

13. If applicants fail to attend at the appointed time and place for embarkation, without having previously given to the Commissioners timely notice and a satisfactory reason, or if they fail to proceed in the ship, or are rejected for any of the reasons specified in the preceding article, they will forfeit their contributions, and will have no claim to a passage at any future time.

OUTFIT, &c.

14. The Commissioners supply provisions, medical attendance, and cooking utensils, at their depôt and on board the ship. Also, new mattresses, bolsters, blankets, and counterpanes, canvas bags to contain linen, &c., knives and forks, spoons, metal plates, and drinking mugs, which articles will be given, after arrival in the Colony to the Emigrants who have behaved well on the voyage.

15. The Emigrants must bring their own clothing, which will be inspected at the port by an officer of the Commissioners; and they will not be allowed to embark unless they have a sufficient stock for the voyage; not less, for each person than—

For Males.	For Females.
Six shirts	Six shifts
Six pairs stockings	Two flannel petticoats
Two ditto shoes	Six pairs stockings
Two complete suits of exterior clothing	Two ditto shoes
	Two gowns

with sheets, towels and soap. But the larger the stock of clothing, the better for health and comfort during the voyage, which usually lasts about four months; and as the Emigrants have always to pass through very hot and very cold weather, they should be prepared for both. Two or three serge shirts for men, and flannel for women and children, are strongly recommended.

16. The Emigrants should take out with them the necessary tools of their trades, that are not bulky. But the whole quantity of baggage for each adult must not measure more than twenty cubic or solid feet, nor exceed half a ton in weight. It must be closely packed in one or more boxes; but no box must exceed in size ten cubic feet. Large packages and extra baggage, if it can be taken at all, must be paid for. Mattresses and feather beds will in no case be taken.

17. On arrival in the Colony, the Emigrants will be at perfect liberty to engage themselves to

any one willing to employ them, and to make their own bargain for wages; but if they quit the Colony within four years after landing, they must repay to the Colonial Government a proportionate part of their passage money, at the rate of £3 per adult for each year wanting to complete four years' residence.

18. All applications should be addressed, post-paid, to S. Walcott, Esq., No. 9, Park-street, Westminster.

By order of the Board,
STEPHEN WALCOTT,
Secretary.

COMMITTAL OF PRISONERS & ATTENDANCE OF WITNESSES IN CRIMINAL CASES.

HIS Excellency the Lieutenant Governor has been pleased to direct the publication for general information of the following Circular Letter addressed to the several Benches of Magistrates throughout the Colony, relative to the Committal of Prisoners, and the mode of procuring the Attendance of Witnesses at the Criminal Sessions of the Supreme and Circuit Courts of the Colony.

By His Excellency's Command,
W. LONSDALE,
Colonial Secretary.

[CIRCULAR.]

Colonial Secretary's Office,
Melbourne, 22nd May, 1852.

GENTLEMEN,

I have the honor to inform you, that as the mode of binding over Witnesses to appear and give evidence at Criminal Sessions, heretofore existing in this country, involves a necessity in most cases for the subsequent service on each Witness of a Writ of Subpœna and is found to be attended with inconvenience, His Excellency the Lieutenant Governor has determined to adopt the practice which obtains in England and the adjacent Colony of New South Wales, where Prisoners are committed for trial at particular Courts, and the Witnesses bound over to appear at stated times and places to give evidence. I have therefore, the honor to request, that after the First day of June next, in Committals before your Bench, you will comply with the following Instructions.

1. You will commit each Prisoner for Trial to the Gaol of the District within which the offence has been perpetrated; thus you will select the Gaol at Portland, Geelong, or Melbourne; according as the crime has been committed within the limits of the Portland Circuit District, the Geelong Circuit District, or in any part of the Colony of Victoria not included in those limits. The boundaries of each Circuit District have been
No. 22.—JUNE 2ND, 1852.—2.

published in the *Government Gazette* of the 18th day of March, A. D. 1852., and are sent herewith.

2. You will bind in a separate Recognizance every material Witness, as well those examined for the Defence as for the Prosecution, absolutely to appear on the First day of the Sittings of the Supreme or Circuit Court as the case may be, at which the Prisoner is to be tried, and thence to attend from day to day until duly discharged, without any further notice by Subpœna or otherwise.

3. You will at the same time give a written notice to each Witness of the time and place, at which the Court he is bound to attend will be held. The forms of Recognizances to be in future used by you, and of the notice are subjoined, and shall be supplied to you when required. You will observe that all Blanks are carefully filled up in words at length, particularly the name, residence, and occupation, of each Witness in the Recognizance, and you will cause the Recognizance to be explained to, and when fully understood, to be duly acknowledged by each Witness in your presence.

4. You will observe the Calendar of the Criminal Sessions for the year; calculate the probable time of the arrival of each Prisoner at the Gaol, to which he is committed; and bind over each Witness to appear at the next or the succeeding Sessions, as the case may be; but so as to allow in City cases of two, and in Country cases of five days intervening between the arrival of the Prisoner at the Gaol, and the first day of the Sessions, at which the Witness is required to attend. This will claim your particular attention, as the object is two-fold; that should no Information be found against the accused, the attendance of the Witnesses may be countermanded; and also, that should additional evidence be required, sufficient time to communicate with you may be allowed. Instances may occur in which exercising a sound discretion, you may consider it advisable to deviate from this rule.

A List of the times of holding the Criminal Sessions of the Supreme and Circuit Courts for the remainder of this year is annexed, and a Calendar will be annually published in the *Gazette* or forwarded to you.

The Recognizances, Depositions and Statements, if any, of the accused, should be transmitted *immediately* to the Attorney General at Melbourne, but in cases for Trial at a Circuit Court which may be too near at hand to afford sufficient time for the purpose, you will address them to the Attorney or Solicitor General at the place of holding the Circuit Court; forwarding to the Attorney General, at Melbourne, a memorandum of the names and descriptions of the Prisoners committed, the nature of the charge, and the date of committal and the offence and the place to which the Depositions have been sent.

Should any matter arise for which these instructions do not provide, you will accommodate your proceedings to the circumstances of the particular instance, and give specific information on the subject to the Attorney General, at the time when you forward the Depositions.

I have the honor to be,

Gentlemen,

Your most obedient servant,
