LICENSES TO CUT TIMBER ON CROWN
LANDS.

NOTICE is hereby given that the Regulations dated the 21st May, 1839, relating to the issue of Licenses for Cutting Timber on Crown Lands, are hereby held to be cancelled, and the following substituted in lieu thereof, to take effect upon and after the 1st July, 1852.

Applications to be made to the Commissioners.

I. Applications for Licenses to Cut Timber on the vacant Crown Lands to be addressed to the Commissioner of Crown Lands for the district in which they will be made use of.

Recommendation required.

II. Every such application must be supported by the recommendation of at least two respectable persons to the satisfaction of the Commissioner.

Directions given to issue Licenses.

III. The Crown Commissioners are authorised to exercise a full discretion in the giving or withholding the Licenses applied for according to the merits of each case.

Applications to be filed.

IV. Applications for Licenses shall be filed for record by the Commissioner to whom they may have been addressed, for the convenience of future reference if need be.

Return of Applications—how to be made

V. A return of all applications granted or refused is to be made monthly to the Colonial Treasurer by the Commissioners. These returns should briefly state the grounds of the decision in any case where the Commissioner may have seen fit to refuse the License applied for.

License personal.

VI. The License will be personal, and will entitle no one but the actual holder to any privilege whatsoever; neither will it be transferable, except by the authority of the Commissioner.

A separate License must be taken out by every person actually employed in felling, cutting, sawing, splitting, or removing timber from Crown Lands; as well as dead timber, underwood, or roots cut for fuel, or growing timber cut for other purposes.

Lessees may cut timber for certain purposes without License.

VII. The preceding regulation does not apply to the Lessee, or licensed occupant of Crown Lands beyond the Settled Districts, who is at liberty to cut any timber growing thereon for domestic uses, firebote, fencing, or other convenience for the enjoyment of the land; but not for sale or barter.

No such privilege however is or can be conceded as a matter of right to the Lessee of the Crown within the Settled District.

Fees.

VIII. The Fee for a License to cut and remove firewood, shall be £4 per annum, and for a sawyer or splitter £5; which must be paid to the Crown Commissioner previous to the issue of the License.

The sums paid to the Crown Commissioners are to be accounted for, and paid over to the Colonial Treasurer monthly.

Operation of License.

IX. The Licenses shall be operative only within the Commissioners district for which they are granted.

How available in another District.

X. Licenses granted for one district may be made available in another without the payment of any additional Fee, provided that the Licensee obtain the written consent of the Commissioner of such last mentioned district; to be endorsed on the License, and recorded in the office.

Duration of License.

XI. The License shall be in force for six months, from the 1st of January in each year. Licenses taken out on, or after the 1st July shall, in like manner, determine on the 31st December; but they will be charged only half the regulated Fee.

Licenses to be notified.

XII. A return will be published from time to time, in the *Government Gazette*, of all Timber Licenses issued, and also of forfeiture, if any, on account of infringement of these regulations.

Licenses to extend only to vacant Crown Lands.

XIII. It is to be distinctly understood that Licenses granted under these regulations will extend only to the vacant Crown Lands in the districts for which they are granted; and that they do not extend to any lands which have been or may hereafter be reserved by public notification to that effect.

Renewal of Licenses.

XIV. Persons holding Licenses under these regulations may renew them annually, on payment of the regulated fee, without any fresh recommendation, unless the Crown Commissioner may be aware of any assignable reason for declining a renewal of License in any particular case.

The Commissioners of Crown Lands within and beyond the Settled Districts are charged with the prosecution of persons illegally cutting timber on Crown Lands.

Seizure of Timber.

XV. The Crown Commissioner or constables shall seize all timber cut by unlicensed persons, and all cut timber lying on Crown Lands, which they may have cause to believe has not been cut by a person duly authorised to cut the same.

To avoid misapprehension it is further stated, that the local Act 9th Vict., No. 14, commonly called the "Dead Wood Act," is held applicable to the removal of fallen timber, whether dead or green, from Crown Lands; and that under the 7 and 8 Geo. IV. ch. 29, a warrant is not necessary for the apprehension where a man is taken in the fact of cutting, or removing wood already severed from the freehold of the Queen.

To be sold.

XVI. All such timber, when seized, is to be marked with the broad arrow, sold, and the proceeds duly accounted for.

Forfeiture of License.

XVII. Any breach of these regulations by persons holding Licenses, will involve the forfeiture of the same.

A.
