SEALD Tenders will be received at this Office, until noon of Tuesday, the tenth of August next, from persons desirous of advancing the whole or any portion of the sum of Fifty Thousand Pounds on the following security, and subject to the undermentioned terms and conditions, viz.:—

(1.) Each Tender must be for an even sum of hundreds of Pounds, and must be endorsed, "Tender for Debentures."

(2.) If the Tender be accepted, Land and Immigration Debentures for £100 each, secured upon the Territorial Revenue of New South Wales, will be issued for the sum advanced, and will bear interest at the rate of $3\frac{1}{4}$ per diem, or £4 18s. 10 $\frac{1}{2}$ d. per £100 per annum, payable half-yearly on the first of January and first of July.

(3.) They will be receivable as cash at any time for the purchase of Crown Lands in this Colony, or for any other payment due on account of the Territorial Revenue within the same.

(4.) The principal will not otherwise be payable for a period of less than three years from the date of the Debenture, but it will be redeemable at par at any time thereafter at the option of the Government, but not of the holder, on three months' notice to that effect being given in the New South Wales or London *Gazette*, according as the same may be payable in the Colony or in England.

(5.) The principal will also be redeemable at par, at the option of the holder for the time being, after the expiration of five years from the date of the Debenture, on his giving three months' notice to that effect to the Colonial Agent General, in London, or the Colonial Treasury, in Sydney, as the case may be.

(6.) At the expiration of the three months' notice given either by the Government or the holder, the interest on the Debenture to which such notice shall apply, will cease and determine.

(7.) The principal and interest of each Debenture will be payable at the option of the holder for the time being, either in Sydney or London; any change which it may be desired to make in this respect, being previously registered at the Colonial Treasury, in Sydney, and in the office of the Colonial Agent General, in London, and endorsed upon the Debenture, which must be presented accordingly at both these Offices for that purpose.

(8.) Whenever a Debenture may be made payable in London, a Duplicate thereof will be transmitted by the Colonial Treasurer to the Colonial Agent General, by such opportunity as the holder may desire, in order that the same may be available on proof of the loss of the original.

(9.) The Debentures will be transferable if made out in blank, in the same manner as Exchequer Bills; but if made payable to any individual or firm, then by endorsement, as in the case of Bills of Exchange.

(10.) Any number of Debentures will, for the convenience of the holders, be consolidated into one or more of the aggregate amount, on application at the Colonial Treasury, provided that such consolidated Debentures shall be issued for even sums of £500 or £1,000 only.
