WHEREAS by an Act of the Governor and Legislative Council of New South Wales, passed in the fourteenth year of the Reign of Her Majesty Queen Victoria, called "*The Victoria Electoral Act of 1851*," it was amongst other things enacted, that such other Polling Places should be Polling Places for the several Electoral Districts in the said Act more particularly mentioned, as should be appointed for that purpose by the Governor by Proclamation, to be issued by him and published in the *Government Gazette* of the Colony: Now therefore I, the Lieutenant Governor aforesaid, in pursuance of the power and authority so vested in me by the said recited Act, do by this my Proclamation hereby appoint that the following shall be a Polling Place for the Electoral District specified in connexion therewith, in addition to the Polling Places appointed by the said Act, that is to say: THE UNITED COUNTIES OR REPUTED COUNTIES OF TALBOT, DALHOUSE, AND ANGLESEY—Melbourne.

FORFEITED RUN.

IT is hereby notified that application having been made for the purchase of the Lease of the Run of Crown Lands hereunder described, which, after having been occupied, has become forfeited, Tenders in the prescribed printed form will be received at this Office until noon of Wednesday, the third day of August next, from the applicant, and from any other person desirous to enter into competition with him, for the purchase of the lease of the said Run.

2. Every such Tender must state the term of years (not exceeding eight) for which it is proposed to take the Run, and whether, in addition to the minimum rent required by Her Majesty's Order in Council, it is intended to offer any, and if any, what amount of yearly premium per thousand sheep, or equivalent number of cattle, for the Lease.

3. As the grazing capabilities of the Run have not yet been determined, it will be necessary that each Tender contain an estimate of the sheep or cattle that the Run will carry, which must in no instance be less than four thousand sheep, or six hundred and forty head of cattle.

4. Until the Run has been regularly surveyed, and its grazing capabilities determined, the future lessee will be required to pay rent according to his own estimate as given in his Tender; and in the event of the rent so paid proving to have been less than that determined by valuation, he will be required to make up the difference previously to the issue of the Lease.

5. It is also to be distinctly understood that the Government reserves to itself the right of excluding from the Lease of the said Run any land which it may be deemed proper to reserve for any of the purposes referred to in the 9th section of chapter 2 of Her Majesty's Order in Council, dated 9th March, 1847.

6. Forms of Tender can be obtained from this Office, and also from the Crown Commissioner of the District.
