## NOTICE TO THE CLERGY OF ALL DENOMINATIONS.

REGISTRATION ACT, 16TH VICTORIA, No. 26.

NOTICE is hereby given to the Clergy of all Denominations, that the forms of Schedules required to be used by them under the Act of Legislative Council, 16th Victoria No. 26, are now ready, and will be furnished on application.

W. H. ARCHER,  
 Acting Registrar General.

Registrar General's Office,  
 Melbourne, 24th June, 1853.

## REGISTRATION OF BIRTHS AND DEATHS IN VICTORIA.

(UNDER THE ACT OF LEGISLATIVE COUNCIL, 16TH VICTORIA, No. 26.)

NOTICE is hereby given, that for the purpose of receiving Notices and other particulars, required by the Act of Legislative Council, 16th Victoria, No. 26, respecting Births and Deaths occurring in the City of Melbourne and its suburbs, a Deputy Registrar will be in attendance every day, except Sundays and Holidays, from the 1st July next, at the Office, 28, William-street, opposite St. James's Church, Melbourne, between the hours of Eleven and Two o'clock.

The Registrations are made, and original Certificates granted by the Deputy Registrars, *free of charge*, and the public is invited to give immediate notice of all births and deaths which have occurred since the 31st March, 1853.

All Children born on and after the 1st July, 1853, should be registered within *sixty days* from the date of birth.

Every person dying should be registered *before the funeral takes place*, so that the Deputy Registrar may give a Certificate of Registration to the undertaker, who, after the body is buried, is required to attest *place and date of interment*. The importance of this proceeding may be estimated by section 25 of the Act, where it is enacted that certified copies of Registers, or entries of Registers, shall be received as *prima facie* evidence in any Court of Justice, "pro-  
 No. 38.—JULY 6TH, 1853.—4.

*vided that no entry of the register of any death shall be received as evidence of the fact of such death, unless there shall also be an entry of the register of the burial."*

As every inhabitant of the Colony may, at some time or other, be interested in knowing the precise time of some Birth or Death; and, as a complete system of registration will prevent much litigation in future years, and otherwise protect individual rights of property; besides throwing light on many social questions, as to duration of life among children and the upgrown population, to the increase of statistical science, and the general advantage of the inhabitants of Victoria: it is of the utmost importance that they should be well acquainted with the nature and provisions of the Act of Legislative Council, 16th Victoria, No. 26, under which the New Registration System has been formed.

All Letters or Packets, addressed on Registration business only, to the REGISTRAR GENERAL, or any of the DEPUTY REGISTRARS, provided the sides are open, pass through the Post Office *free of charge*.

Any additional information necessary, will be promptly furnished on application.

W. H. ARCHER,  
 Acting Registrar General.
