MONDAY, JULY 11.

[1853.

Colonial Secretary's Office,
Melbourne, 11th July, 1853.

£600 R E W A R D .

WHEREAS it has been represented to the Government that about two o'clock in the afternoon of the 8th instant, Mr. FRANCIS HINSBY and Mr. BUCKHURST were attacked and robbed near Mr. Orr's Station, on the Coliban, by a party of armed Bushrangers, by one of whom Mr. HINSBY was shot in the face : Notice is hereby given that a Reward of Two Hundred Pounds will be paid to any person or persons who shall give such information as may lead to the apprehension and conviction of any of the said Bushrangers.

By His Excellency's Command,
W. LONSDALE.

DESCRIPTION OF THE MEN.

1. (The Man who shot Mr. Hinsby.)—Full face, light whiskers, fair complexion, had on long boots, and rode a chesnut horse.
2. (The Man who robbed Mr. Hinsby after he was shot.)—Middle height, 22 or 23 years of age, fair complexion, little whiskers, rode a chesnut horse, had blankets on the saddle.
3. Had on a light great coat ; he rode away with the other two.

No. 40.—JULY 11TH, 1853.—1.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for ensuring transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It highlights the need for a systematic approach to data collection and the importance of using reliable sources of information.

3. The third part of the document focuses on the analysis and interpretation of the collected data. It discusses the various statistical and analytical tools that can be used to identify trends, patterns, and relationships within the data.

4. The fourth part of the document discusses the importance of communicating the results of the analysis to the relevant stakeholders. It emphasizes the need for clear and concise reporting that provides a comprehensive overview of the findings and their implications.

5. The fifth part of the document discusses the various challenges and limitations associated with data collection and analysis. It highlights the need for a thorough understanding of the data and the importance of using appropriate methods and techniques to overcome these challenges.

6. The sixth part of the document discusses the various applications and uses of the collected data. It highlights the importance of using the data to inform decision-making and to identify areas for improvement and optimization.

7. The seventh part of the document discusses the various ethical considerations and best practices associated with data collection and analysis. It emphasizes the need for transparency, accountability, and respect for the privacy and rights of the individuals whose data is being collected and analyzed.

8. The eighth part of the document discusses the various future trends and developments in the field of data collection and analysis. It highlights the importance of staying up-to-date with the latest research and technology in this field.

9. The ninth part of the document discusses the various conclusions and recommendations based on the findings of the analysis. It emphasizes the need for a comprehensive and holistic approach to data collection and analysis that takes into account all relevant factors and stakeholders.

10. The tenth part of the document discusses the various acknowledgments and thanks to the individuals and organizations that provided support and assistance throughout the research process.
