OCTOBER LIST OF UNCLAIMED DEAD LETTERS.

LIST of Unclaimed Dead Letters which have been received at the Country Offices during the month of October, 1854.

Parties applying for Letters at the Dead Letter Office are particularly requested to give the correct number of the Letter, and also the date and number of the List in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the Letter, and date and number of the List, are requested to state where they expect their Letters from, what Office the Letters were originally addressed to, and any information which may tend to prevent an unnecessary transmission of Letters.

A. McCRAE, Postmaster General.

LICENSES TO WORK COAL FIELDS.

APPLICATION having been made to the Government by Charles Black, Esquire, on behalf of Richard Davis and John Watkins, the reputed discoverers of a workable coal field in the vicinity of Cape Paterson, for a lease of such portion of land in that locality as may lead to a thorough test of the usefulness of the discovery, and some doubt having arisen as to the power of the Local Government to grant more than annual licenses, and that such licenses should be offered by auction, the Lieutenant Governor has been pleased, pending the decision of the Right Honorable the Secretary of State (to whom application has been made respecting the leasing of mineral lands not auriferous), and with a view to determine without delay the actual benefit of this discovery, to order that annual licenses to occupy the sections of lands hereafter described and said to contain coal shall be put up to auction at an upset price of £10 per section.

The purchaser of the section now in the occupation of the said Charles Black shall pay over to the present occupant the value of his improvements, the amount whereof will be notified in the *Government Gazette* prior to sale.

At the expiration of the annual license, should the occupant be dispossessed by another licensee, an amount equal to the value of the improvements actually made by him, *bona fide* in working for coal, shall be paid by the in-coming occupant to the person so dispossessed—such amount in case of dispute to be ascertained by two competent persons, one to be appointed by the person dispossessed, and the other by the Government, and in case of their differing, to be decided by an umpire, appointed by the said arbitrators.

The Sale will be held at Twelve o'clock, on Tuesday, the second of January, 1855, by Messrs. W. M. Tennent and Co., Collins-street, Melbourne. Deposit—10 per cent.
