NOTICE is hereby given that the Government Assay Office, in La Trobe-street west, Melbourne, is now open to receive Gold for smelting and assay, subject to the following regulations:—

8. According to the decimal system, fine gold is expressed as 1000-0, and standard gold of 22 carats as 916-6; gold of 12 carats would be 500-0; gold of 23 carats 958-3, and so on.

9. Upon each parcel of gold deposited, if not exceeding 50 oz. in weight, the Government charge will be 5 dwts. of gold taken from the bar: upon all parcels exceeding 50 oz., the charge will be one-half per cent.

10. Deficits will be allowed for at the rate of £3 17s. per ounce standard.

It is amongst other things enacted in the Sec. 76: "That it shall be lawful for the Judge of any County Court from time to time to make and prescribe such Rules and Regulations touching and concerning the forms of process and pleading, the taking the examination of witnesses and allowing the same as evidence, the mode of executing all process of the Court, the admission of counsel and attorneys, the fees to be lawfully demanded in such Court or by the attorneys practising therein, and the practice and manner of proceeding in all actions to be brought therein, and all other matters and things whatsoever for the conduct and dispatch of business in such Court as he may deem applicable and advantageous, and such Rules from time to time to amend, alter, or revoke: Provided however that every such Rule shall be forwarded by the said Judge to the Prothonotary or other proper officer of the Supreme Court of the said Colony, to be by him laid before the Judges of such Court, who shall have power to allow or disallow the same; and no such Rule or Regulation shall have effect until it shall have been published in the 'Government Gazette'; and every Rule when so allowed and published as aforesaid, shall have the like force and effect as if the same had been inserted in this Act."
