HIS Excellency the Lieutenant Governor has been pleased to direct the publication of the following communication received from the Government of South Australia.

By His Excellency's Command,
JOHN FOSTER.

Colonial Secretary's Office,
Adelaide, 7th December, 1853.

The Lieutenant Governor directs it to be notified for general information that after the return to Adelaide of the Gold Escort under Inspector Wyndham (now *en route*), the Adelaide Gold Escort will be discontinued.

His Excellency has approved of the following Regulations for the future transmission of Gold from Victoria.

By His Excellency's Command,
B. T. FINNISS,
Colonial Secretary.

1. Gold dust intended for transmission to Adelaide, from the Gold Fields of Victoria, may be deposited in future with the Assistant Gold Commissioners at the several Gold Fields; and the Escort Fee, charged by the Victorian Government, paid at the same time, together with any gold duty leviable by law.

2. The gold thus deposited should be addressed to the Colonial Treasurer in South Australia; and receipts will be given to the depositor, payable, in Adelaide, by the Colonial Treasurer, to the parties producing the receipt and order for delivery to them.

3. The gold will be sent, by the Commissioners of Gold Fields, to Melbourne, and there shipped to the Government, with a schedule of the packages, to the address of the Colonial Treasurer, in Adelaide, under proper arrangements to secure its safe transport and delivery.

4. Parties claiming the gold will obtain it from the Colonial Treasury, in Adelaide, on production of the receipt or order, and on payment of the same charges as at present, viz., Sixpence an ounce.

5. The days at present fixed for the delivery of gold, by the Colonial Treasurer, in Adelaide, are Wednesdays and Saturdays.

6. If receipts are lost, parties claiming delivery of gold can only obtain it by entering into a bond, jointly with two respectable persons—being owners of real property in the Colony to an adequate amount—to the extent of the value of the gold, to secure the Government against any other claimant.
