UNCLAIMED DEAD LETTERS.

LIST of Unclaimed Dead Letters which have been received in the Country Offices during the month of August, 1854.

Parties applying for Letters at the Dead Letter Office are particularly requested to give the correct number of the Letter, and also the date and number of the List in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the Letter, and date and number of the List, are requested to state where they expect their Letters from, what Office the Letters were originally addressed to, and any information which may tend to prevent an unnecessary transmission of Letters.

A. McCRAE, Postmaster General.
