NOVEMBER LIST OF UNCLAIMED DEAD LETTERS.

LIST of Unclaimed Dead Letters which have been received at the Country Offices during the month of November, 1854.

Parties applying for Letters at the Dead Letter Office are particularly requested to give the correct number of the Letter, and also the date and number of the List in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the Letter, and date and number of the List, are requested to state where they expect their Letters from, what Office the Letters were originally addressed to, and any information which may tend to prevent an unnecessary transmission of Letters.

A. McCRAE, Postmaster General.

PETITION FOR MUNICIPAL INSTITUTION.
EMERALD HILL.

IN pursuance of the Act of Council, 18 Victoria, No. 15, the Lieutenant Governor, with the advice of the Executive Council, has been pleased to direct the publication of the substance and prayer of a Petition to His Excellency, signed by three hundred and eighty-seven householders, resident in the district commonly called and known as "Emerald Hill," South Melbourne, in the County of Bourke, setting forth—

"That the Petitioners are all householders within the meaning of the said Act, are more than one hundred and fifty in number, and are all resident within an area not exceeding nine square miles, containing a population of more than three hundred householders.

"That the locality generally known as Emerald Hill, within which the Petitioners reside, is a locality presently included within the corporate limits of the Corporation of the City of Melbourne.

"That your Petitioners are desirous that said locality should cease to be a portion of, or to be or be deemed to be within, the corporate limits of the Corporation of the said City of Melbourne, and have resolved to avail themselves of the provisions of the Act partly above recited to have the same effected; and also to have the said district of Emerald Hill, with an area of nine square miles, constituted a Municipal District, governed by a Council, to be created a Body Corporate in manner, and with and under the several powers, provisions, and conditions prescribed by and contained in the said Act."

And praying His Excellency, with the advice of the Executive Council,

"To cause the substance and prayer of this Petition to be published in the *Government Gazette* in terms of the Act partly above recited; and thereafter, and as soon as the provisions and terms of the said Act will permit—the consent of the Council of the Corporation of Melbourne being first had and obtained—to constitute, by proclamation, the locality generally known as Emerald Hill, with so much of the adjacent localities in the district as shall form an area of nine square miles, into a Municipal District by name, in such proclamation to be declared; and also by the same, or any other proclamation, to define the limits and boundaries of such Municipal District, the same to be a Municipal District under and in terms of, and having a Council created a Body Corporate, for the purposes and with the powers contained in the Act above described."
