BYE-LAWS OF THE MUNICIPAL COUNCIL OF BALLAARAT.

BYE-LAW No. 1.

STANDING ORDERS OF THE MUNICIPAL COUNCIL OF BALLAARAT.

WHEREAS an Act of the Governor and Legislative Council of Victoria was passed in the eighteenth year of the Reign of Her Majesty Queen Victoria, No. 15, intituled "An Act for the establishment of Municipal Institutions in Victoria," whereby it was amongst other things enacted, "That it should be competent for the Council of any Municipal District to make Bye-Laws for the Regulation of their own proceedings," and that no such Bye-Laws should have any force or effect until the Lieutenant Governor should under his hand have signified his assent thereto, and when such Bye-Law should have been consented to the Lieutenant Governor should cause publicity to be given thereto in such manner as he should see fit; And whereas it is expedient to make regulations for conducting the proceedings and business of the said Municipal Council, and a copy of the standing rules passed by the said Council was transmitted to His Excellency the Acting Governor of the said Colony; And whereas the said standing rules were approved of by His Excellency, and His Excellency has caused the same to be duly published in the *Government Gazette*: And whereas the formalities required by the said recited Act of Council have been duly complied with: Be it therefore enacted by the Council of the said Municipality in Council assembled, that the following shall be and are the Standing Orders of the Council of the Municipality of Ballaarat.

CHAP. I.—Order of Proceedings.

1. That the business of the Council shall be conducted on all ordinary occasions with open doors; but any one member present may require the exclusion of strangers until it shall have been decided by the Council whether the question proposed to be introduced shall be discussed with open doors.
2. The Council shall commence business so soon after the time stated in the summons as there is a sufficient number of members in attendance to constitute a quorum; but if at the expiry of twenty minutes from the time specified in the summons there is not a quorum present, no business shall be transacted by the Council at that meeting.
3. At all meetings of the Council, when there is not three of the members present, or when the Council is counted out, such circumstance, together with the names of the members then present, shall be recorded in the minute book.
4. The minutes of any preceding meeting, not previously confirmed, shall be read as the first business at all meetings of the Council, in order to their confirmation; and no discussion shall be permitted thereupon, except as to their accuracy as a record of their proceedings.
5. At all meetings of the Council the reading of the correspondence unconnected with the Orders of the Day, the presentation of petitions by members of the Council, and the bringing up of reports of Committees, shall have precedence of the regular business.
6. Every communication addressed to the Council shall be in proper form and presented by one of its members, who shall be responsible for its being respectfully worded.
7. On the presentation of a petition no debate shall take place thereon until notice has been given in the usual manner, and the only questions that shall be entertained on the occasion of its presentation shall be that the petition be received, and, if necessary, that it be referred to a committee.
8. No report of a committee shall be considered or adopted on its presentation, nor until due notice shall be given; all such

No. 80.—JUNE 30th, 1856.—1.

reports shall be read and received (*pro forma*), and, if ordered by the Council, printed for distribution among the members.

9. If in the report of a Committee there are distinct recommendations contained, such report shall not be adopted until the sense of the Council has been taken separately on each.

10. The Orders of the Day shall include all matters arising out of the proceedings of former meetings of the Council and any business which the Chairman may think fit to bring under consideration; any member of the Council may, however, bring forward such business as he may consider advisable in the form of a notice of motion, such notice to be given in writing to the Town Clerk; if the Council meet twice a week, then two days notice is to be given; if the Council meet once a week, then four clear days notice previous to the meeting at which the same is to be taken into consideration; and all such notices of motion shall be considered in the order in which they were given.

11. No motion entered on the notice paper shall be proceeded with unless the member who has given such notice, or some one authorised by him be present when the business is called in order; notices not so proceeded with shall be struck out of the paper.

12. No bye-law shall be finally passed or adopted at the meeting at which it shall have been first proposed, nor until the next meeting of the Council regularly convened, and every such bye-law shall, in the interim, remain open for the inspection of any of the burgesses, in the town Clerk's office, free of charge.

13. No motion proposing any petition, address, bye-law, or standing order shall be entertained, unless the mover shall submit therewith a draft of such petition, address, bye-law, or standing order; and the draft so submitted shall in no case be taken into consideration until it shall have been referred to the Legislative Committee, who shall report thereon, and the mover of every such proposition shall be (*pro hac vice*) a member of such committee.

14. The mover of any motion which may be referred to any Committee shall be (*pro hac vice*) a member of such Committee.

CHAP. II.—Order of Debate.

15. Any member desirous of proposing a motion or amendment, or of discussing any matter under consideration, must rise and address the Chairman or the presiding Chairman, and no member when speaking shall be interrupted, unless called to order, when he shall sit down; in which case the member calling to order shall be heard thereon in preference to any other speaker, and the question of order shall be disposed of before the subject is resumed, or any other subject entered upon.

16. Any member desirous of proposing either an original motion or amendment, must state the nature of such motion or amendment before addressing the Council in support thereof.

17. Any member making a motion or amendment shall put it in form, sign and deliver it to the Town Clerk, who shall add thereto the name of the seconder, and no motion or amendment so made shall be withdrawn without leave of the Council.

18. No motion or amendment shall be entertained or discussed unless it be seconded; any member may, however, require the enforcement of any Standing Order of the Council, by simply noticing that such order is disobeyed.

19. Any member moving or seconding any motion or amendment shall be held to have spoken on that motion or amendment.

20. The members in speaking shall designate each other by their respective titles of Chairman or councillor, as the case may be.

21. If two or more members rise to speak at the same time, the Chairman, or the then presiding Chairman, shall decide which is entitled to pre-audience.

22. No member shall speak twice on the same motion or amendment, except by way of explanation, or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last proposed; and the Chairman, or the then presiding Chairman, shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same motion or amendment; after the reply, the amendment or the original motion, as the case may be, shall be immediately put to the vote.

23. No member shall digress from the subject matter of the question under discussion, or impute improper motives to others, and all personal reflections upon any member shall be considered highly disorderly.

24. The Chairman, or the then presiding Chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case, without argument or comment, and his decision as to what is order or explanation shall be final (*pro hac vice*) in each case.

25. The Chairman, or the then presiding Chairman, shall stand up when addressing the Council in discussion of any question.

26. Any member who shall use any expression capable of being applied offensively to any other member or person shall, if required by the Council, withdraw such expression, and make a satisfactory apology to the Council, under a penalty, in case he refuse or neglect to do so before the rising of the Council, of not more than ten pounds.

27. Any member may require the Town Clerk to take down any particular words used by a member, immediately on the same being used.

28. Any member may of right require the production of any of the documents of the Council relating to the question or matter in discussion.

29. One amendment only shall be discussed at one time, but if lost, another may be moved before the original question is put to the vote; but upon any amendment being carried, it shall be competent for any member to move one other amendment thereon, but not more.

30. Upon the adoption of any amendment by the Council, such amendment shall be held to have quashed the original motion, and for all purposes of subsequent discussion the amendment so carried shall be acted upon as an original motion.

31. The Chairman, or the then presiding Chairman, shall, in taking the vote of any motion or amendment, put the question first in the affirmative and then in the negative; and he may do so as often as is necessary to enable him to form and declare his opinion from the show of hands as to which party has the majority.

32. The Council shall vote by show of hands, excepting in cases of election, when the vote shall be by ballot; any member of the Council may, however, call for a division upon any question, in which case the members voting in the affirmative shall first stand up, and afterwards those in the negative, until their votes are recorded.

33. No discussion shall be allowed on any motion for adjournment of the Council; but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained; but if the motion of adjournment be carried, the business then undisposed of shall have precedence at the next meeting of the Council.

34. Any member of the Council may enter his protest against any resolution of the Council, provided that such protest is not inconsistent with truth, or disrespectful to the Council. Notice of intention to protest must, however, in every case, be given on the adoption of the resolution protested against, and the protest signed by the member or members protesting, and specifying the reasons for protesting, must be entered before the next regular meeting of the Council, by the protesting member, in a book to be kept for that purpose in the Town Clerk's office, and duly referred to in the minutes of Council, the same to be considered also a part of such minutes.

35. No motion, the effect of which, if carried, would be to rescind any motion which has already passed the Council, shall be entertained during the same municipal year, unless a call of the whole Council has been duly made for that purpose; and no such motion for rescinding any resolution of the Council, which shall have been negatived by the Council, shall be again entertained during the same municipal year.

CHAP. III.—Committees.

36. There shall be four permanent Committees of the Council to be called the Public Works, the Legislative, the Finance and the Market Committees, which shall be chosen by ballot annually, at the meeting of Council next after the annual election of Chairman. The Public Works Committee shall consist of five members; the Legislative, Finance, and Market Committees shall consist of three members each; three to be a quorum at the Public Works Committee, and two to form a quorum at the Legislative, Finance, and Market Committees. Provided, nevertheless, that the Council shall be at liberty, at any time, to fill up occasional vacancies.

37. The Town Clerk shall convene every Committee within seven days of its first appointment, and at any time by order of

the Council, or the written order of the Chairman, or of any two members of such Committee.

38. The Chairman, if appointed a member of any of the permanent Committees, shall be the Chairman thereof; in Committees of which the Chairman is not a member, the Committee shall elect a Chairman. When Special Committees are appointed, the member proposing such Committee shall be the Chairman thereof.

39. The Standing Orders of the Council shall be observed in Committees of the whole Council, except the rule limiting the number of times of speaking.

40. The Finance Committee shall be at liberty, without the express authority of the Council, to authorise disbursements for current expenses, to an amount not exceeding five pounds in any one week, and report the same to the Council at its next sitting.

41. The Chairman of Committees shall have their reports fairly written out, on paper of uniform size, provided by the Council, so as to admit of their being bound up at convenient intervals.

CHAP. IV.—Elections.

42. No election to any office at the disposal of the Council shall take place until six clear days public notice shall have been given by advertisement in one or more of the local newspapers, inviting applications from candidates properly qualified.

43. The salary or allowance attached to all offices and places at the disposal of the Council, excepting the office of Chairman, shall be fixed for the municipal year, in all cases, before proceeding to the election.

44. At all elections for officers at the disposal of the Council, the voting shall take place by ballot, on cards, to be provided for the purpose, signed by the voter, and containing the name or names of the person or persons voted for; and no voting card shall be received at any election which is not signed by the member voting; and such voting cards shall be kept in the Town Clerk's Office for the twelve months next ensuing the day of election.

45. No member of the Council, nor any auditor of the Town, nor any officer of the Council, holding office under the Council, shall be received as surety for any officer appointed by the Council, or for any work done for the Council; and in all cases in which security for the due and faithful performance of any duty or contract is required, the expense of preparing such security shall be borne by the party giving the same.

CHAP. V.—Miscellaneous Regulations.

46. For the consideration of any bye-law, or for the raising or appropriating of money, or for the objects contemplated in Standing Order No. 33, it shall be competent for any member, without previous notice, to move for a call of the whole Council, for the consideration of any such subject at the next or any subsequent meeting, and upon such motion being carried, due notice thereof shall be given in the notice paper for the day when the order of the day, or notice of motion, for which such call is made is set down for consideration; and any member not in attendance when such order of the day, or notice of motion comes under consideration, or not in attendance at the voting upon such question, or any amendment thereof, whether of adjournment or otherwise, shall be liable to a penalty of not more than One pound, unless reasonable cause for such absence be shewn to the satisfaction of the Council.

47. The Town Clerk shall have charge of the Common Seal of the Municipality, and shall be responsible for the safe custody and proper use of the same, each impression thereof being duly verified with the signature of that officer.

48. The Town Clerk shall not affix the Common Seal to any corporate document without the express order of the Council, nor unless such document bears the signature of the Chairman; but in the case of Powers of Attorneys and other legal instruments, not relating to the Municipality, the signatures to which require to be verified by declaration before the Chairman, the said Seal shall and may be affixed by the Town Clerk to the Chairman's certificate accompanying the same, on the receipt of a fee of a half a guinea for each attestation.

49. Any one or more of the Standing Orders of the Council may be suspended, *pro tempore*, in case of emergency, provided that five of the members present shall deem such suspension necessary, but not otherwise, except Nos. 35 and 46.

51. That the Bye-Laws now formed for the guidance of the Council be adopted, and all previous resolutions that are not embodied in the present Standing Orders, to be considered null and void.

52. In case of death, absence, or other lawful impediment preventing the Chairman from calling meetings of the Council, any five members of Council shall, in such circumstances, have power to call a meeting of the Council.

BYE-LAW No. 2.

A BYE-LAW FOR REGULATING THE DEPOSIT OF NIGHT SOIL, OFFAL, OR OTHER OFFENSIVE REFUSE.

WHEREAS an Act of the Governor and Legislative Council of Victoria was passed in the eighteenth year of the Reign of Her Majesty Queen Victoria, No. 15, intitled, "An Act for the Establishment of Municipal Institutions in Victoria," whereby it was amongst other things enacted, "That it shall be competent for the Council of any Municipal District to make Bye-Laws for the suppression of nuisances, and the preservation of the public health," and that no such Bye-Law should have any force or effect until the Lieutenant Governor should

under his hand have signified his assent thereto, and when such Bye-Law should have been consented to the Lieutenant Governor should cause publicity to be given thereto in such manner as he should see fit; And whereas it is expedient to make a Bye-Law for regulating the deposit of night soil, offal, or other offensive refuse, within the Municipality of Ballaarat, and public thoroughfares therein; And whereas the said Bye-Law was approved of by His Excellency, and His Excellency has caused the same to be duly published in the *Government Gazette*; And whereas the formalities of the said recited Act of Council have been duly complied with; Be it therefore enacted by the Council of the said Municipality in Council assembled, that no person shall deposit, place, or put any night soil, manure, offal or other offensive refuse or matter whatsoever upon any of the unenclosed lands, or upon any public road or way within the limit of the Municipality, except in some Public Depot appointed as hereinafter directed to be the receptacle of such night soil, manure, offal, or other offensive refuse; And any person so offending, shall upon conviction thereof before any two or more justices of the peace, forfeit and pay for every such offence a fine not exceeding Ten pounds.

II. And be it further ordered directed and enacted, that an announcement in three successive numbers of the *Government Gazette*, and in three successive numbers of some public newspaper published within the said Municipal District, duly certified by the town surveyor, with the sanction of His Excellency the Lieutenant Governor, or other chief officer of the Government, shall be deemed an appointment of such public depot for night soil, manure, offal, or other offensive refuse.

BYE-LAW No. 3.

A BYE-LAW FOR THE MORE CERTAIN PREVENTION OF THE NUISANCE OCCASIONED BY PERSONS THROWING THE CARCASSES OF ANIMALS AND OTHER OFFENSIVE MATTER INTO THE SWAMP WITHIN THE MUNICIPAL BOUNDARY OF BALLAARAT, AND TO PROVIDE FOR THE REMOVAL OF THE CARCASSES OF ANIMALS THAT MAY BE DROWNED THEREIN.

WHEREAS an Act of the Governor and Legislative Council of Victoria was passed in the eighteenth year of the Reign of Her Majesty Queen Victoria, No. 15, intitled, "An Act for the Establishment of Municipal Institutions in Victoria," whereby it was amongst other things enacted, "That it should be competent for the Council of any municipal district to make bye-laws for the suppression of nuisances, the preservation of the public health, and the general good rule and government of such municipal district," and that no such Bye-Law should have any force or effect until the Lieutenant Governor should under his hand have signified his assent thereto, and when such Bye-Law should have been consented to, the Lieutenant Governor should cause publicity to be given thereto in such manner as he should see fit: And whereas it is expedient to make a Bye-Law for the more certain prevention of the nuisance occasioned by persons throwing the carcasses of animals and other offensive matter into the swamp within the municipal boundary of Ballaarat, and to provide for the removal of the carcasses of animals that may be drowned therein, and to prevent the pollution of the waters thereof, from whence the inhabitants of the said district obtain their supply; and whereas the said Bye-Law was approved of by His Excellency, and His Excellency has caused the same to be duly published in the *Government Gazette*; and whereas the formalities of the said recited Act of Council have been duly complied with: Be it therefore enacted by the Council of the said Municipality in Council assembled that from and after the date of this Bye-Law coming into operation:—

I. If any person or persons shall wilfully throw, or cause to be thrown, or negligently cause to be put, the carcass of any animal, or any rubbish or offensive matter whatsoever, into the waters of the said swamp, or in any way pollute the same, he, she, or they shall, upon conviction before two or more justices of the peace, forfeit and pay for every such offence a sum not exceeding Five pounds.

II. And whereas (sic) in the event of any horses, cows, bullocks, sheep, or other animals being drowned in, or dying near the waters of the said swamp, the owner of such horses, cows, bullocks, sheep, or other animals, or other person or persons having the same in charge shall forthwith cause the carcass or carcasses of such animal or animals to be removed to such place as the Council of the said Municipality may from time to time appoint, such appointment being publicly notified by two consecutive advertisements in one or more of the newspapers published in the said district; and if any person or persons being such owner or owners, or person or persons in charge as aforesaid, shall neglect, or being thereto required by any officer of the said Municipal Council, or police constable, shall refuse so to remove any such carcass or carcasses, or cause the same to be removed, every such person shall on conviction before any two or more justices of the peace, forfeit and pay for every such carcass a sum not exceeding One pound sterling, such penalties not to exceed on the whole the sum of Fifty pounds.

The foregoing Bye-Laws, Nos. 1, 2, and 3, made by the Municipal Council of Ballaarat, have been assented to by His Excellency the Officer administering the Government.

PETITION FOR MUNICIPAL INSTITUTIONS.

KILMORE.

IN pursuance of the Act of Council, 18 Victoria, No. 15, His Excellency the Officer administering the Government, with the advice of the Executive Council, has directed the publication of the substance and prayer of a Petition to His Excellency, hereinafter set forth, signed by One hundred and eighty landowners and householders of the Town of Kilmore, in the County of Dalhousie.

By His Excellency's Command,
W. C. HAINES.

The Petitioners state that they are deeply impressed with the opinion that it would tend greatly to the improvement and good government of the town of Kilmore, that it should be incorporated as a Municipal District, the boundaries to comprise only the old and new townships of Kilmore, leaving the farmers of the rural districts to avail themselves of the Act, or otherwise, as may seem to them best.

And the Petitioners pray as follows:—

"Your petitioners therefore humbly pray your Excellency to proclaim the said town a Municipal District, under the provisions of the Municipal Act, 18 Victoria, No. 15."
