PETITION FOR MUNICIPAL INSTITUTIONS.

KILMORE.

IN pursuance of the Act of Council, 18 Victoria, No. 15, His Excellency the Officer administering the Government, with the advice of the Executive Council, has directed the publication of the substance and prayer of a Petition to His Excellency, hereinafter set forth, signed by One hundred and eighty landowners and householders of the Town of Kilmore, in the County of Dalhousie.

By His Excellency's Command,

V.4296. W. C. HAINES.

The Petitioners state that they are deeply impressed with the opinion that it would tend greatly to the improvement and good government of the town of Kilmore, that it should be incorporated as a Municipal District, the boundaries to comprise only the old and new townships of Kilmore, leaving the farmers of the rural districts to avail themselves of the Act, or otherwise, as may seem to them best.

And the Petitioners pray as follows:—

"Your petitioners therefore humbly pray your Excellency to proclaim the said town a Municipal District, under the provisions of the Municipal Act, 18 Victoria, No. 15."

PARTIES applying for Letters at the General Post Office are particularly requested to give the correct number of the letter and also the date and number of the list in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the letter, and the date and number of the list, are requested to state where they expect their letters from, and any information which may tend to prevent an unnecessary transmission of letters.

Application to be made at the General Delivery Department, corner of Elizabeth and Bourke-streets. The next List will contain all letters received by Ship up to the 8th July, 1856.

N.B.—Letters posted in any part of the Colony of Victoria are not advertised. The Lists contain only Letters received by Smr from England, Foreign Countries, and the neighbouring Colonies.

A. McCRAE,
Postmaster General.

GENERAL ORDER.

5.—BY MAJOR GENERAL EDWARD MACARTHUR.

Where is the soldier serving within the "Australian Command," with whom the respected name of "Florence Nightingale" is not as familiar as the cherished household words of his native land?

Who has not heard of the gentle being, who, nursed in luxury, quitted its lap without one lingering thought, in order that by her presence and example, the sick, wounded, and afflicted of the British army, who have gloriously served in the Crimea, might have a compassionate hand to bind their wounds, restore their strength, and kindle anew in their minds the ardour with which they had fought in their country's cause?

The mission of this honored lady has been fulfilled with a bright and more than ordinary success; but in order to hand down to posterity the memory of her feminine devotion, and, by her own request, to obtain for soldiers in after times the succour and consolation which British troops have received at her hands, it has been resolved, with the entire concurrence of Her Majesty, and that of the Field Marshal Viscount Hardinge, Commanding in Chief, to found an Institution "for the training, sustenance, and protection of nurses and hospital attendants."

The Field Marshal wishes that all ranks should be invited to contribute towards a fund for so great and worthy an object.

It is therefore requested that Officers commanding Companies "will read this Order to Non-Commissioned Officers and men, and take upon themselves the honorable trouble of collecting whatever is given by them freely, and of their own accord."

The Major General himself subscribes one day's pay.

EAST COLLINGWOOD MUNICIPALITY.

THE first Half-yearly Report of the Municipal Council of East Collingwood, made pursuant to the provisions of the Municipal Institutions Act, 18 Victoria, No. 15, section 43.—Adopted by Council, 6th May, 1856.

FORMATION OF MUNICIPALITY.

The District of East Collingwood was duly constituted a municipality by Proclamation to that effect, by His late Excellency Sir Charles Hotham, and a public meeting of the resident householders and of the landowners within the said district was convened on the 9th of October, 1855, for the purposes prescribed in the Municipal Institutions Act. His late Excellency appointed John Pascoe Fawkner, Esq., M.L.C., to preside at such meeting.

The meeting elected Messrs. Thomas Hood and Richard Samuel Norton to act as Assessors, decided that the Council should consist of seven members who should not receive pecuniary remuneration, and elected by voting cards the following resident ratepayers members of the said Council, namely:—Messrs. Samuel Turner, Francis Murphy, M.L.C., William Coleman, John Owen, John Myers, Alexander Carnie, and Charles Curtis.

At the first meeting of the Council, held on the 12th October, 1855, councillor John Owen, Chairman for the time being, Francis Murphy, Esq., M.L.C., was elected Chairman, and on motion to that effect councillor Curtis, who complied therewith was requested to act as Honorary Secretary.

The Council occupied for a short time a room in Smith-street; but afterwards accepted the liberal offer of Major Hodgson to have the gratuitous use, for one year, from 24th November, 1855, of the commodious rooms now in their possession, as a Council Chamber and Police Court.

BOUNDARIES OF MUNICIPALITY.

The boundaries of the municipality, when first proclaimed on the 23rd April, 1855, were comprised within the limits of Victoria-parade, the Yarra River, Smith-street and Reilly-street; but the inhabitants declining the responsibility and expense of municipal government with so small an area, the boundaries were enlarged by His late Excellency Sir Charles Hotham, so as to include therein the additional area extending to the south side of Heidelberg Road.

The enlarged boundaries, as proclaimed 14th September, 1855, are the north-east corner of Smith-street, along the northern side of Victoria-parade and Victoria-street to the west bank of the Yarra Yarra River; thence on the western bank thereof to its junction with the Merri Creek, and along the north-western bank thereof to the southern side of the Heidelberg-road; thence on the western side of Smith-street to north-western corner of the intersection of Reilly-street by Smith-street, thence on the eastern side of Smith-street to its junction at Victoria-parade.

A subsequent application has been addressed to His Excellency for a further extension, so as to include the Studley Park Reserve. To this application no definite reply has as yet been received, but the Council have every hope that their application will be favourably entertained by Her Majesty's Government.

The provisions of the following Acts of the Legislative Council, excepting No. 8, not so required, were extended by proclamation to the municipality at the dates specified:—

The Dog Act, 6 William IV., No. 4, 17th September, 1855.*

The Common Lodging Houses Act, 18 Victoria, No. 8, 1855.

The Management of Towns Act, 18 Victoria, No. 14. Sections 5 to 9, 28th December, 1854; and section 10, 3rd November, 1855.*

The Health of Towns Act, 18 Victoria, No. 13, 27th December, 1855.

ORGANISATION.

The Council accepted the tender of Mr. George Avery Fletcher, for the valuation of all the property in the municipality for assessment, which valuation was completed within two months. The result was 3500 assessments, of the aggregate annual value of £61,695 8s. Mr. Fletcher also completed, by order of Council, an enlarged plan of the municipality, with every property numbered thereon, to correspond with the number and description thereof in the valuator's book be prepared.

The following officers were appointed at the dates affixed to their respective names:—

Town Clerk, Mr. J. J. Moody, 9th November, 1855.

Rate Collector, Inspector, and Health Inspector, Mr. John Petherick, 17th January, 1856.

Surveyor (conditionally), Mr. Lloyd Tayler, 22nd April, 1856.

A Court of Petty Sessions was established on the 2nd November, 1855, and Mr. John Barlow was appointed Clerk of the Bench, November, 1855.

The Council passed a bye-law for regulating their proceedings by standing orders, which was sanctioned by the Acting Governor, on 11th January, 1856.

Also bye-laws now under consideration of His Excellency, for the licensing of porters, carters, water drawers, builders, butchers, and nightmen, and the registration of common lodging houses, bowling alleys, skittle ground keepers, and public ball rooms; and also for the preventing and extinguishing of fires, &c.

* Those to the district or country within five miles of the city boundaries.

Bye-laws for the conducting of municipal public meetings, elections, the determining the validity of disputed elections, &c., are prepared and now under consideration.

Bye-laws for the licensing abattoirs were not sanctioned by His Excellency. The Council also appointed the following permanent committees, with a prescribed summary of duties to each, namely:—

PUBLIC WORKS COMPLETED, IN PROGRESS, AND PROJECTED.

Completed.

Portable engine house, repairs of Hodgsons-road bridge, metalling streets and labour.

In Progress.

Formation and metalling of Peel and Hoddle-streets, from Johnston-street to Reilly-street.

Formation and metalling of Derby, Stanley, Otter and Perry-streets. Ordered to be so done when Council are in receipt of sufficient funds.

Projected.

A drain of large capacity on the north side of Reilly-street to the Yarra Yarra River, from the plans of the Government District Surveyor, O. Hodgkinson, Esq., C.E., the City Surveyor, M. P. Smith, Esq., C.E., at the joint expense of the Council, the City Council, and, it is hoped, the Government.

The drain will carry off the greater portion of the storm water from the Government land on the north-east part of the municipality, &c., and that from nearly the whole of Fitz Roy Ward. An additional drain to carry off the storm water of the intersecting streets with Smith and Wellington-streets, is part of the systematic plan of drainage adopted by the Council.

The Council appointed Mr. G. Hodgkinson their consulting engineer, in reference to the drain. They deem it their duty gratefully to acknowledge the invaluable services rendered by that gentleman to the municipality. Upwards of forty plans of streets, &c., have been completed under his direction, and he is also engaged in the preparation of an elaborate map of the whole district, with drainage contour lines, every building shewn, and the material of which it consists distinguished, with a mass of other valuable information thereon.

A site in Johnston-street, near Smith-street, for the erection thereon of a Court House, Lock-up and Town Hall.

The site comprises a frontage to Johnston-street and Perry-streets respectively of 100 feet, and a uniform depth of 270 feet, with ten cottages thereupon. One-half of the cost, £750, to be paid by the Government, who will, at their expense also erect court house and lock-up. The other half of the cost to be paid by the Council, out of the grant of £5000 to the municipality.

A site for a market at the corner of Wellington and Vere-streets has been conditionally selected by the Council, further proceedings thereon pending, until the return of the owner to town.

SANATORY CONDITION OF THE MUNICIPALITY.

The deep interest manifested by the Council from their election to the present time, in the sanitary importance of draining the whole of the municipality (which necessity is illustrated by the recent floods), will be apparent on a reference to their minutes, and to their correspondence with the Government, of which the following are indications:—

The Government drainage plans, with contour lines; the elaborate map of the municipality, by Mr. Hodgkinson (previously alluded to); the able report on the drainage and on the cost of forming and maintaining the streets of the municipality, by Mr. Inspector Harris, of the Central Road Board, &c.

The Health Inspector has been enjoined to cause the removal of every nuisance tending to impair the health of the rate-payers.

An important document from the Central Board of Health, on sanitary requirements and duties, is referred to the Health Committee; and the propriety of appointing one of the medical applicants as health officer (one offering his professional services gratuitously) is under consideration of Council.

PROPERTY OF THE MUNICIPALITY.

The Council have acquired, or been instrumental in obtaining for the municipality, the undermentioned property, with a conditional exception, the increase of which may be anticipated:—

- Portable engine house.
- Furniture of Council Chamber, including Government Map of Melbourne and suburbs.
- Enlarged plan of municipality.
- Blue Stone Quarry Reserve, comprising seven acres.
- Site of, and Court House and Lock-up, to be erected at the expense of Government, with ample space for Town Hall.
- Anticipated extension of municipal boundaries so as to include Studley Park.
- Grant of £5000 to municipality.
- Grant of £500 for a Mechanics' Institute, contingent upon a similar sum being raised by private subscription.

The total amount of rates paid into the Collingwood branch of the English, Scottish, and Australian Chartered Bank, by the rate collector, from that date to the 12th April instant, inclusive, is £482 4s.
