TROOP HORSES REQUIRED FOR INDIA.

THE attention of breeders of horses, and dealers, is drawn to the following extracts from a despatch received on the 4th instant.

By His Excellency's Command,
A.6283. WILLIAM C. HAINES.

EXTRACTS FROM DESPATCH DATED "COUNCIL CHAMBER, FORT WILLIAM, 20TH JULY. 1857."

"The Right Honorable the Governor General of India will be much obliged to His Excellency the Captain General and Governor-in-Chief of Victoria, if he will cause enquiries to be made with respect to powerful horses about five years of age, suited to carry men of the Dragoon Guards, two of which corps it is understood have been ordered to India.

"An officer will be despatched by the next steamer to Sydney to select the horses, and it would be a great convenience if the parties having horses could be induced to have the horses ready for selection at that time.

"From three to four hundred horses, at least, will be required from each of the colonies of New South Wales, Victoria and Van Diemen's Land.

(Signed) "R. J. H. BIRCH, Colonel,
"Secretary to the Government of India
in the Military Department."

PETITION FOR MUNICIPAL INSTITUTIONS.
KYNETON.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition to His Excellency hereinafter set forth, signed by one hundred and fifty-six householders of the town of Kyneton, in the county of Dalhousie.

By His Excellency's Command,
A.5832. WILLIAM C. HAINES.

The petitioners state that the town of Kyneton has of late vastly increased in population and importance, and may now be classed among the most flourishing inland towns in Victoria.

That it is contained within an area of nine square miles, and comprises a population of householders of one hundred and fifty and upwards, and that no one point in such area is distant more than six miles from any other point.

That several local improvements and institutions are being introduced into the said town, as lighting it with gas, and the petitioners believe that it would tend materially to the stability, progress and improvement of the town if it were constituted a municipal district.

That a considerable portion of the roads and streets of the town are still unformed, and owing to the rich alluvial soil are almost impassable in the wet season, and the petitioners are desirous of metalling, lighting and draining the same.

And the petitioners pray as follows:—

"Your petitioners therefore humbly pray that Your Excellency may be pleased to take into your favorable consideration the subject matter of this petition, and to declare by Your Excellency's proclamation the town a municipal district, according to the proclaimed boundary of the town of Kyneton, under the name of 'The Kyneton Municipal District,' pursuant to the provisions of the Act of Council 18 Victoria No. 15."

CITY COUNCIL OF MELBOURNE

WHEREAS by an Act of the Governor and Legislative Council of New South Wales 14 Victoria No. 20, intitled, "An Act for regulating the formation, drainage, and repair of streets, courts and alleys, on private property within the city of Melbourne," it is amongst other things enacted, That where any street, court, or alley, on private property in the city of Melbourne, shall not be, or shall not have been, sufficiently paved, flagged, macadamised, levelled, drained, and sewered, or otherwise completed or repaired, to the satisfaction of the council of the said city, it shall be lawful for the said council, at any time, and from time to time, by any order under the hand of the mayor or town clerk of the said city, for the time being respectively, to order that any such street, court, or alley, or any part thereof, shall be freed from obstruction, paved, flagged, macadamised, levelled, drained, and sewered, or otherwise completed or repaired, in such manner and within such time as to the said council may appear expedient, and thereupon the owners of the tenements adjoining or abutting upon such street, court, or alley, on each side thereof, shall, in such manner, and within such time as shall be expressed in such order, at their respective costs, charges, and expenses, remove all obstructions, and well and sufficiently pave, flag, macadamise, level, drain, and sewer, or otherwise complete or repair so much of the said street, court, or alley, to the centre thereof, as may be opposite to and co-extensive with their respective tenements, adjoining or abutting on such streets, courts, or alleys respectively.

And whereas the streets, courts, and alleys enumerated in the schedule to this order annexed, marked A, have not been sufficiently paved, flagged, macadamised, levelled, drained, and

sewered, or otherwise completed or repaired to the satisfaction of the council of the city of Melbourne:

Be it now ordered by the council of the said city, that the streets, courts and alleys, enumerated in the schedule to this order annexed, marked A, shall within forty days from the date of this order coming into operation be freed from obstruction, paved, flagged, macadamised, levelled, drained and sewered, in such manner as is expressed in the schedule to this order annexed and marked B; and it is hereby notified to the owners respectively of the tenements adjoining or abutting upon the streets, courts and alleys, enumerated in the schedule to this order annexed marked A, that if they or any of them shall neglect or omit to remove the obstructions, and pave, flag, macadamise, level, drain and sewer, or otherwise complete and repair the street, court or alley, on which their respective tenements adjoin or abut, in the manner and within the time expressed in this order, then the council of the said city will remove all obstructions in the said streets, courts and alleys, and pave, flag, macadamise, level, drain, sewer and otherwise complete or repair the same, or such parts thereof as shall not have been so done pursuant to this order, and will thereupon ascertain, determine and charge such respective owners with their several proportionate parts of the costs, charges and expenses thereof, according to and co-extensive with their respective tenements adjoining or abutting on such street, court or alley, having regard in such apportionment to the state and condition of pavement, flagging, macadamising, levelling, drainage and sewerage in which such streets, courts or alleys respectively, or any part thereof, shall or may be at the time of making this order.

Made and passed by the council of the city of Melbourne thirty-first day of August, 1857.

SCHEDULE B, REFERRED TO IN THIS ORDER.

Manner in which the streets, courts, and alleys, enumerated in schedule A, referred to in this order, are ordered to be freed from obstruction, paved, flagged, macadamised, levelled, drained and sewered.

The natural soil is to be reduced or made up as the case may require, so that the longitudinal section of the whole right-of-way shall in no part have an inclination of less than 1 in 120, and, where practicable, the entire length is to form one incline. In laying on any stuff it is to be spread in layers of not more than one foot thick. The transverse sections of the right-of-way is to shew a roadway whose crown shall be one inch above the kerbs of the footways, and in the fall from the crown of the water channels is to be at the rate of 1 in 25.

On either side of the roadway there is to be a water channel eighteen inches wide, consisting of two rows of bluestone pitchers, nine inches deep, and not less than nine inches by fourteen inches on the surface, with upright sides, set in loam and rammed with a rammer weighing forty pounds, so as to subside four inches.

The bottom of the channel is to be seven inches below the top of the kerbs.

On either side of the roadway there is also to be a footway not more than three feet wide, and these are to be separated from the roadway by a red gum plant or kerb ten inches by three, set on edge, and fastened with five-inch spikes to piles four inches by four of red gum three feet long, driven into the soil.

The footways are to be covered with a coat of gravel three inches thick, and the surface is to fall towards the channel at the rate of 1 in 10. The roadway is to be covered with a coat of broken metal, broken to a two and a half inch gauge, and laid on seven inches thick at the channels and eight inches at the crown, and this when necessary is to be covered with a coat of loam one and a half inches thick.

Wherever private entrances lead from the right-of ways they are to be paved to the full width with bluestone pitchers in the same manner as the channels. The paving is to extend from the channels towards the line of houses or fences, so as to cross the entire footway.

The whole of the work must be done under the inspection and subject to the approval of the City Surveyor, who is authorised to order any deviation from these general principles which the particularities of any case may require.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith.

To the Sheriff for the Colony of Victoria, or his lawful Deputy.
WHEREAS upon the petition to the Honorable the Judges of the Supreme Court of the Colony of Victoria of Edmund Westby, William Henry Tuckett, and Robert Ker, trading under the style or firm of "Edmund Westby and Company," against Edward Brown, late of Sandridge, in the county of Bourke, in the colony of Victoria, licensed victualler, but now in parts beyond the seas, it appears to us that Edward Brown is justly and truly indebted to the said Edmund Westby and Company in the sum of One hundred and ten pounds twelve shillings and sixpence, upon two several promissory notes bearing date respectively the twenty-second day of April, One thousand eight hundred and fifty-seven, whereby the said Edward Brown promised to pay to Edmund Westby and Company, or order, the several sums of Forty pounds on the tenth day of May then next ensuing, and Seventy pounds twelve shillings and sixpence on the tenth day of June then next ensuing, both of which said promissory notes were payable at the Chusan Hotel, Sandridge, but were dishonored when they severally became due: And whereas it further appears that the said Edward Brown carried on business as a licensed victualler in Sandridge aforesaid, and is possessed of property in the colony of Victoria, and has committed an act of insolvency by absconding from the colony of Victoria with intent to defraud, defeat and delay his creditors in payment of their just debts to them due and owing: And whereas it further appears to us in our said court that his Honor Edward Eyre Williams, Esquire, judge of the said court, did by order under his hand, bearing date the eighth day of September, in the year of Our Lord One thousand eight hundred and fifty-seven, place the estate of the said Edward Brown under sequestration in the hands of the Chief Commissioner of Insolvent Estates for the said colony of Victoria, at Melbourne, until the twenty-fourth day of September instant: Now therefore we command you that you summons the said Edward Brown that he be before the judges of the Supreme Court aforesaid, on the twenty-fourth day of September instant, at Ten o'clock in the forenoon, to shew cause, if he have any, why the estate of the said Edward Brown should not, by sentence of the said court, be adjudged to be sequestrated for the benefit of the creditors of the said Edward Brown, and return you then and there this writ whatsoever you have done thereupon.

Witness His Honor WILLIAM FOSTER STAWELL, Esquire, Chief Justice of the Supreme Court of the colony of Victoria, at Melbourne, the ninth day of September, in the year of Our Lord One thousand eight hundred and fifty-seven, in the twenty-first year of our Reign.
(L.S.) FREDERICK WILKINSON,
Chief Commissioner of Insolvent Estates.

To Edward Brown, of Sandridge, in the county of Bourke, licensed victualler.

Take notice that within four days after the service of this summons you must deliver to Frederick Wilkinson, Esquire, Chief Commissioner of Insolvent Estates for the colony of Victoria, at Melbourne, if your residence is within twenty-five miles of such commissioner's residence, and if at a greater distance, then you must, within the same time, put into the nearest post office addressed to such commissioner, a statement in writing, signed by you, of any facts alleged in this summons which you intend to dispute; and all facts no notice of which shall be so given, will, upon the hearing of the case, be taken to be admitted by you, and the petitioning creditors will not be required to prove the same.

8, Great Collins street east, Melbourne,
Solicitor for the petitioning creditors.
