All persons to whom the notice applies are hereby cautioned that unless they forthwith register themselves as spirit merchants, and pay the fee as required by the above recited Act, they will be proceeded against as the law directs.

TRANSFERABLE DEBENTURES.—PRINCIPAL, AND INTEREST PAYABLE ONLY IN MELBOURNE.

HIS Excellency the Governor, with the advice of the Executive Council, has been pleased to direct that sealed tenders be invited, to be received at the Treasury, Melbourne, until Noon of the 28th instant, from persons desirous to advance the whole or any portion of the sum of Thirty-three thousand pounds sterling, secured by debentures to be issued by the Treasurer, under authority of the Act of Council 15 Victoria No. 40, as follows:—

200 due 1st January, 1867.
133 due 1st January, 1868.

These debentures were originally redeemable in 1857 and 1858 respectively, but as they had remained unsold, and had for the most part lapsed through effluxion of time, the dates have been extended to 1867 and 1868, and the debentures now form the final issue of the Water Works Loan.

1st. Each tender must be for an even sum of hundreds of pounds, and must state the year in which the tenderer wishes the debentures he tenders for to be payable.

2nd. The tenders must be sealed, and endorsed, "Tender for Government Debentures," and addressed to the Treasurer.

3rd. Should the tender be accepted, debentures in the form set forth in the schedule A to the said Act will be issued for One hundred pounds (£100) each, secured upon the revenue of the colony of Victoria, and made a first charge thereon, and will bear interest from the 1st July, 1857, at the rate of Six pounds (£6) per centum per annum, payable half-yearly, on the 1st January and the 1st July, the first payment of such interest being due on the 1st January, 1858.

4th. The debentures will be made payable to the holders, and will pass by delivery without assignment or endorsement.

5th. The amount tendered, if accepted, together with the accrued interest from the 1st July, 1857, must be paid in cash within forty-eight hours after acceptance shall have been notified to the tenderers.

6th. No tender below par will be entertained, and the Government will not necessarily accept the highest nor indeed any tender.

7th. The tenders will be opened publicly at the time and place above specified, before the Chief Secretary, the Treasurer, and such members of the Legislature as may desire to attend.

TROOP HORSES REQUIRED FOR INDIA.

THE attention of breeders of horses, and dealers, is drawn to the following extracts from a despatch received on the 4th instant.

By His Excellency's Command,
WILLIAM C. HAINES.

EXTRACTS FROM DESPATCH DATED "COUNCIL CHAMBER, FORT
WILLIAM, 20TH JULY, 1857."

"The Right Honorable the Governor General of India will be much obliged to His Excellency the Captain General and Governor-in-Chief of Victoria, if he will cause enquiries to be made with respect to powerful horses about five years of age, suited to carry men of the Dragoon Guards, two of which corps it is understood have been ordered to India.

"An officer will be despatched by the next steamer to Sydney to select the horses, and it would be a great convenience if the parties having horses could be induced to have the horses ready for selection at that time.

"From three to four hundred horses, at least, will be required from each of the colonies of New South Wales, Victoria and Van Diemen's Land.

(Signed) "R. J. H. BIRCH, Colonel,

SEA MOUTH OF THE MURRAY.

THE accompanying Notice to Mariners, which has been received in this department, is published for general information.

By His Excellency's Command,
JAMES McCULLOCH.

Chief Harbor Office,

Port Adelaide, South Australia, 12th September, 1857.

NOTICE TO MARINERS.—SEA MOUTH OF THE RIVER MURRAY. Notice is hereby given to masters of vessels navigating the sea mouth of the River Murray, that a rapid and important change has taken place very recently in the direction of the channel over the bar of that estuary.

Immediate steps will be taken to ascertain the precise nature of the change by actual survey, when further information will be made public.

In the meantime masters of vessels will only be acting with common prudence by securing the services of a pilot before attempting to pass the bar, as the leading beacons, until shifted, lead over the end of a shoal spit on the eastern side of the channel, which is supposed to be extending itself to the westward, thus diverting the passage, as shewn on the charts, to a more westerly direction.

B. DOUGLAS,
Naval Officer and Harbor Master,
South Australia.

The Commissioner of Trade and Customs,

EAST COLLINGWOOD MUNICIPALITY.

THE THIRD HALF-YEARLY REPORT OF THE MUNICIPAL COUNCIL OF EAST COLLINGWOOD.
 (Made pursuant to the provisions of the Municipal Institutions Act, 18 Victoria No. 15, sec. 43.)

EXTENSION OF MUNICIPAL BOUNDARIES.

THE boundaries of East Collingwood were extended by proclamation, dated the 8th of January, 1857, from the line of houses therein to the centre of the following streets or roads, namely, Smith street, Heidelberg road, and Victoria

No. 109.—SEPTEMBER 25TH, 1857.—3.

street, thirty-three feet from the said line of houses of Victoria parade.

The petition of the municipal council, and that from about six hundred ratepayers, the latter presented by a deputation from the council to His Excellency General Macarthur, have not been complied with. The prayer of this petition solicited the extension of the municipal boundaries of East Collingwood, so as to include therein the Studley Park reserve, in trust to the council for the purposes of health and recreation to the inhabitants of East Collingwood in particular, and the people of Victoria in general.

The petition referred to the duty which would, in compliance with its prayer, devolve upon the municipal council to preserve the fine timber of the park, and efficiently to maintain it as a public reserve.

A counter-petition was subsequently presented, signed by one hundred and twenty landholders, &c., of Kew, Boroondara and Hawthorn, against the petitions from East Collingwood. The council, by resolution, stated that "this petition contained gross misrepresentations, altogether at variance with the substance and prayer of the petition from East Collingwood."

The municipal district of East Collingwood was on the 23rd December, 1856, appointed by His Excellency the officer administering the government, "to be a district for the inspection of slaughter-houses and of cattle intended for slaughter within the meaning of the 4th clause of the Act of Council 3 William IV. No. 1.

ADDITIONAL APPOINTMENTS.

14th October, 1856: Municipal solicitor, H. G. Freame, Esq., 17, Swanston street, Melbourne.

23rd December, 1856: Inspector of slaughter-houses, nuisances, and weights and measures, Sergeant Nimon.

MUNICIPAL CONFERENCE.

The changes in the Government and the adjournments of Parliament consequent thereupon, with other causes, have prevented the introduction into the Legislative Assembly this session of a Bill to amend the Municipal Institutions Act; but the necessity for such Bill becomes more urgent from increased experience of the working of the present Act. The council have supplied Captain Clarke, R.E., M.L.A., with an analytical and alphabetical list of the subjects discussed by the municipal conference, with their decisions respectively thereon, and also with a supplemental list of suggestive amendments of the Act not considered by such conference. Captain Clarke has announced his intention of availing himself of all these suggestions, when practicable and desirable, in the Bill he proposes to introduce during the ensuing session of the Legislative Assembly.

BYE-LAWS.

The following bye-laws have been adopted by council, with the exception of No. 11., under re-consideration, from suggestions by Law Officers of the Crown:—

No. 11.—To enforce compulsory payment of municipal rates.

No. 12.—To impose a rate of One shilling in the pound on the rateable property of the municipal district of East Collingwood for the year 1857.

No. 13.—To amend bye-law No. 4, for the regulation and government of nightmen plying for hire within the municipal limits of East Collingwood.

EAST COLLINGWOOD STREETS.

Proclaimed. See Government Gazette, 27th April and 11th May, 1857.

EAST COLLINGWOOD IMPROVEMENT BILL.

A select committee has been appointed, and held numerous meetings for the purpose of preparing an Improvement Bill, based on the Fitz Roy Ward Improvement Act, to be introduced into Parliament, to empower the council to form new and extend present streets, with a view to the more efficient drainage of the district, and the further promotion of public convenience. The erection of public baths is also part of these proposed improvements.

The municipal district comprises an area of 1065 acres, with 25 miles of streets laid out thereon. It is the recipient of the surface drainage of a large portion of Fitz Roy Ward, and of about 800 acres of Crown lands; yet, exclusive of Reilly street drain, it contains but two main drainage lines to the Yarra, namely, Johnston street, requiring alteration of level in part, and Gipps street, the latter about to be formed on its permanent level.

The necessity to open up new streets through narrow lanes and thoroughfares, as well as by intersecting other lines of communication, the council deem urgent as respects public health, interest, and convenience. To effect the projected improvements, a legislative grant in aid would be requisite.

VALUATION OF THE MUNICIPALITY.

The rateable property of East Collingwood was valued by Mr. C. Le Cren, and the appeals against such valuation were heard and decided on by non-resident magistrates, who made a considerable reduction in the valuation, chiefly of unoccupied lands. The net amount of value of the rateable property of the said municipality is £76,943 10s., producing, at 1s. in the pound, the sum of £3817 3s. 6d for 1857.

PUBLIC WORKS IN THE MUNICIPALITY COMPLETED OR IN PROGRESS BY THE GOVERNMENT.

REILLY STREET DRAIN.

This drain is just on the eve of completion. It commences at the intersection of Smith and Reilly streets, and continues along the latter street to the Yarra.

COLLINGWOOD BRIDGE.

The foundation stone of this bridge was laid by the Honorable Captain Andrew Clarke, R.E., M.L.A., Provincial Grand Master of Freemasons for Victoria, under the Grand Lodge of England, assisted by a numerous assemblage of the brethren, under the English, Irish and Scottish Grand Lodges. The ceremony was attended by sectional divisions of the Independent Order of Odd Fellows, the East Collingwood Company of the Volunteer Artillery Regiment, the Collingwood Volunteer Fire Brigade, the pupils of the schools in the district, and several thousands of spectators. The bridge is now rapidly approaching to completion.

LOCK-UP.

This building is now completed, and will be open for the reception of prisoners, on arrangements being made for daily adjudication on such cases by the magistrates.

The inspector, Sergeant Nimon, is instructed to remove all nuisances, and complaints thereof meet with the prompt attention of council.

MISCELLANEOUS.

The repeated applications of council have at last led to a sum being put on the public estimates for additional letter-carriers below Hoddle street to the Yarra, the eastern municipal boundary. This arrangement is expected to come into operation the 1st July, 1857, ensuing.

The sum of two thousand pounds, for the erection of a Police Court, is also to be placed upon the public estimates of the year.*

The council have held their meetings since 10th March last at Seven o'clock in the evening; and the large attendance of ratepayers thereat evince the interest they take in the public affairs of East Collingwood.

Gas mains have been laid on some of the principal streets of East Collingwood, and the shops of which were first lighted with gas on

* Granted.

At the request of the council, additional local magistrates are to be put in commission, with the view to a more regular despatch of bench business, and the convenience of suitors.

FINANCE.

The council have intimation of moiety of legislative grant of £66,000 to eleven municipalities, including that of East Collingwood, whose first portion of such moiety will be £3000. The second moiety will be regulated in amount by that of rates collected the first municipal year.

The numerous public works required render the ordinary income totally inadequate thereto, and the necessity of adequate endowment of the municipality with Crown lands becomes constantly more urgent.

To prevent continued misapprehensions, the council hereby intimate to ratepayers that all tenants, unless by written agreement to the contrary, can deduct half the amount of municipal rates which they may have paid, from rent payable by them thereafter; that all unpaid rates remain as a lien on the property, and must be paid by the then owner thereof or the next occupier.
