THIRD HALF-YEARLY REPORT OF THE MUNICIPAL COUNCIL OF PRAHRAN, PURSUANT TO THE PROVISIONS OF THE MUNICIPAL INSTITUTIONS ACT 18 VICTORIA No. 15.

ELECTIONS.

Councillors Izett, Snodgrass and Oliver, retired by rotation. The nomination of candidates took place on the 20th February, when Messrs. Smith, Palmer, Stephen, Oliver, Walker, Berry, Campbell and King, were duly proposed, and a poll demanded, which was carried out on the 21st February. In accordance with the bye-law for regulating elections of councillors, three polling places were opened. No. 1 in Gardiner's Creek road, No. 2 in Chapel street, and No. 3 in Windson. The chairman presided at No. 2, councillor Crews at No. 1, and councillor Pye at No. 3. The following was the result:—For Mr. Wm. Smith, 337; Mr. John Palmer, 314; Mr. F. J. S. Stephen, 216; Mr. Wm. Oliver, 208; Mr. Alexr. Walker, 160; Mr. G. Berry, 129; Mr. John Campbell, 72; Mr. P. A. King, 35. The declaration of the poll was made by the chairman, at the court house, on Monday, the 23rd February, as follows:—Mr. Wm. Smith, elected for three years, and Messrs. Palmer and Stephen, for two years.

At the first meeting, F. J. Sargood, Esq., M.P., was unanimously elected chairman.

The council have held 27 meetings, of which the chairman has attended 26, councillor Mason 26, councillor Palmer 26, councillor Crews 25, councillor Pye 22, councillor Stephen 17, and councillor Smith 14.

The finance committee have held 12 meetings, of which councillor Mason has attended 10, councillor Smith 9, and councillor Pye 8.

The Public Works Committee have held 29 meetings, of which councillor Crews attended 28, councillor Palmer 26, and councillor Smith 20.

The Legislation and Rate committee have held 8 meetings, of which councillor Crews has attended 8, councillor Mason 8, and councillor Stephen 2.

MUNICIPAL MAGISTRATES.

William Smith and George Rolfe, Esqrs., have been appointed magistrates for this municipal district.

BYE-LAWS PASSED AND ASSENTED TO BY HIS EXCELLENCY THE GOVERNOR.

A bye-law to enforce the cleansing of chimney flues.

A bye-law for the better prevention of fire.

A bye-law has also been passed by the council to prevent nuisances arising from suffering cattle to be at large in the streets and unenclosed places within the municipal district of Prahran, which has not yet received the assent of the Governor in consequence of an amendment being required.

EXTENSION OF BOUNDARY.

A petition has been prepared, and is in course of signature, praying His Excellency the Governor to extend the boundary of the municipality to the centres of the boundary road on the east, the Dandenong road and Wellington street on the south, and the Pant road on the west, instead of the building line as at present fixed.

PROCLAMATION OF STREETS.

Fifty-seven streets have been proclaimed in accordance with the Act of Council 18 Victoria No. 14, a list of which may be seen at the council rooms, containing the width of street, carriage and footways.

PUBLIC WORKS.

During the half-year 83 chains of the Commercial road has been formed, kerbed and metalled; 80 chains of High street have been metalled, and 40 chains kerbed; Chapel street kerbed at the entrance of the principal streets running therefrom, the channels have been pitched and the corners kerbed with bluestone korbings. The Central Road Board have metalled the entire length, 100 chains, £6000 having been voted by the Legislative Assembly for that purpose. £2052 9s. 4d. of this amount has been paid to the council for contracts already carried out by them for forming the said street.

York street, 27 chains formed and pitched.
Channel on the east side of Chapel street, from Gardiner's Creek road to High street, pitched with bluestone.
Argo street, Ralston street, Princes street, Kent street and part of Greville street, formed and drained.
Stone culvert placed in Williams road, and the wood culvert removed to another part of the same road.
Culvert placed in Sargood street, 38 chains of channelling pitched in Commercial road and High street.

The importance of an efficient drainage has occupied the serious consideration of the council from the establishment of the municipality, and they have succeeded in carrying out this object, acting under the advice of C. Hodgkinson, Esq., C.E. and district surveyor. The large flow of surface water which used to accumulate in Chapel street is now divided, and carried off by two courses; and when Union street is formed and the channel pitched (which it is the intention of the council to carry out immediately), the principal outlets will be completed. To the present time above five miles of the principal thoroughfares have been formed on the permanent level, and three miles and a quarter metalled, and it will be satisfactory to the ratepayers to know that this great and permanent improvement has been made without injury to the drainage of scarcely any private property in the district; and it is worthy of observation that there is no property which drained into the public thoroughfares before any improvements were made but what may still be drained by a very small outlay.

The council have succeeded in obtaining a promise from the Central Road Board to erect footways over the bridge leading to Richmond, so as not to interfere with the carriage-way.
The council have also urged upon the Road Board the necessity of pitching the channel on the north side of Gardiner's Creek road, opposite to Murphy's Paddock, and completing the forming and metalling of the road from Toorak to the eastern boundary. The forming and metalling is now being proceeded with, and the Board have promised to carry out the channelling so soon as they have funds in hand.

The use of the loam ground on the south reserve, being within the municipality of St. Kilda, has been withdrawn, and another site granted beyond the eastern boundary.

POSTAL DELIVERY.

The council have to regret that the Post Office authorities have only partially carried out their wishes, expressed at an interview with Mr. Watts, the inspector. The council requested that the delivery should extend to the River Yarra on the north, the Dandenong road and Wellington street on the south, Williams road on the east (taking both sides of the road), and the Pant road on the west.

BOARD OF HEALTH.

The council, as the District Board of Health, have to report the continued willingness on the part of the inhabitants to remove any nuisances that have been brought under their notice; and it will be found, on reference to the weekly abstracts of births and deaths, that this district is second to none as regards the health of its inhabitants.

The municipality contained, on the 1st April last, according to the return of the enumerator:—

4118 males, 4054 females; total, 8172.
1954 houses; number of rooms, 6923.

The assessment of the district, for 1857, amounts to above £95,000; gross amount of rate at 1s. in the pound, £4750.
