Surveyor General's Office,
Melbourne, 5th February, 1857.

* AND. CLARKE,
Surveyor General.

No. 4.

General Post Office, Melbourne.

LIST OF UNCLAIMED SHIP LETTERS FOR THE WEEK ENDING 7th FEBRUARY, 1857.

PARTIES applying for Letters at the General Post Office are particularly requested to give the correct number of the letter, and also the date and number of the list in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the letter, and the date and number of the list, are requested to state where they expect their letters from, and any information which may tend to prevent an unnecessary transmission of letters.

Application to be made at the General Delivery Department, corner of Elizabeth and Bourke streets. The next List will contain all letters received by Ship up to the 14th February, 1857.

N.B.—Letters posted in any part of the Colony of Victoria are not advertised. The Lists contain only Letters received by Ship from England, Foreign Countries, and the neighbouring Colonies.

A. McCRAE,
Postmaster General.

RICHMOND MUNICIPALITY.

PETITION FOR ALTERATION OF BOUNDARIES.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a Petition as hereinafter set forth, signed by one hundred and seventy-six householders residing within the municipal district of Richmond.

By His Excellency's Command,
WILLIAM C. HAINES.

The Petitioners state that they are desirous of maintaining in proper repair the footway and a portion of the carriageway in front of the dwellings and property of the ratepayers along the northern municipal boundary, at present limited to the front line of houses or land in Victoria street east, but through their local representatives the municipal council are unable legally to effect such object without the extension of the said municipal boundary, so as to include therein such footway and a portion of such carriageway.

And the petitioners pray as follows:—"Your petitioners therefore pray that your Excellency, with the advice of the Executive Council, will be pleased to extend the northern boundary of the municipality of Richmond, so as to include therein that portion of Victoria street east between Hoddle street and the river Yarra Yarra, comprised within a line drawn through the centre of the said Victoria street and the present northern boundary of the municipality."*

 MUNICIPAL INSTITUTIONS.

COUNTER PETITION, BRUNSWICK.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a counter petition to his Excellency as hereinafter set forth, presented on the 7th instant, and signed by two hundred and fifty-nine householders resident within the district of Brunswick, in the county of Bourke, such counter petition being in opposition to a petition previously presented from the same locality, and gazetted on the 9th ultimo.

By His Excellency's Command,
 Y.166. WILLIAM C. HAINES.

The counter petitioners state that they are informed that there was presented to His Excellency the Officer administering the Government, a petition published in the *Government No. 15.*—FEBRUARY 10TH, 1857.—3.

Gazette, of date 12th December, 1856, signed by two hundred and eleven householders resident within the district of Brunswick, in the county of Bourke, as defined in the said petition, as follows:—"Commencing at the bridge on the Merri Creek, at the village of Northcote, and bounded on the south by a line bearing west to the eastern boundary of the Prince's Park Reserve, by said reserve northerly and westerly to the Sydney road; thence westerly along the northern boundary of the Royal Park Reserve to the Moonee Ponds, by the said ponds north-westerly to the north-western corner of section 126, parish of Jika Jika; thence easterly along the northern boundary of said section and northern boundary of section 127, parish of Jika Jika, to the Merri Creek, and by said creek south-easterly to the point of commencement;" and that such petition prayed that the said district might be proclaimed a municipal district by the name of "The Municipal District of Brunswick," and that the limits and boundaries of such district might be declared by such Proclamation.

The counter petitioners further state that they are of opinion that the inhabitants of the said district of Brunswick would not be at all benefited, but would, on the contrary, be seriously prejudiced by its being constituted a municipal district, and pray as follows:—

"Your petitioners therefore humbly pray that the prayer of the said recited petition be not granted."

EAST COLLINGWOOD MUNICIPALITY.

THE SECOND HALF-YEARLY REPORT OF THE MUNICIPAL COUNCIL OF EAST COLLINGWOOD.

THE council, without being solicitous for territorial extension, have deemed it their duty to petition and to recommend the inhabitants to petition His Excellency the Acting Governor to proclaim, in accordance with the second clause of the Municipal Institutions Act, the extension of the municipal boundaries from the line of houses and land, their present limits, to the central lines of Heidelberg road, Smith and Victoria streets, and thirty-three feet (including foot and carriage ways) of Victoria parade; also the extension of such boundaries eastward, so as to include therein the Studley Park reserve, which the council desire to hold in trust for the inhabitants of East Collingwood in particular, and the people of Victoria in general. It is believed that the granting such trust to the council as an incorporated body having perpetual succession, would tend to the preservation of the fine timber of the park, and insure its efficient maintenance for purposes of public health and recreation.

BYE-LAWS.

Bye-laws Nos 3 to 10 inclusive have been adopted by the council, and proclaimed by their Excellencies the late Acting and present Governor.

OPINIONS OF LAW OFFICERS OF THE CROWN.

The council have obtained the opinions of the law officers of the Crown upon several cases submitted to them.

MUNICIPAL CONFERENCE.

The necessity of a permanent legislative endowment of municipalities created under the Municipal Institutions Act having been generally recognised, and amendments in such Act deemed equally desirable by certain municipal councils, a circular sent to each by the Williamstown council, inviting suggestions upon these topics, led to the formation of a municipal conference, composed of a delegate from each municipal council.

The report of the proceedings of the conference is now published.

PUBLIC WORKS.

In progress or about to be commenced by the Government in the municipality:—

COLLINGWOOD BRIDGE.

In Johnston street, over the river Yarra Yarra, in progress; the foundation stone proposed to be laid with Masonic honors by Captain A. Clarke, R.E., M.L.A., the Hon. the Surveyor General, and T. W. Provincial Grand Master of Freemasons for Victoria, under the Grand Lodge of England.*

From Smith street along Reilly street to the Merri Creek. This drain will divert from the sold lands of the municipality the drainage of about eight hundred acres, largely charged with deleterious sewerage matter, resulting from Fitz Roy Ward, &c.

This work is to be commenced forthwith by Mr. Henry Roberts, the contractor. The Government, through the Honorable the Commissioner of Public Works, undertook to commence the drain in Nicholson street, on condition of receiving £850 from the city council and East Collingwood council. The latter paid £350, the former promised £500 on conditions which were not accepted by the Government, hence the work was commenced at the municipal boundary, Smith street.

A skeleton map of the municipality, supplying amongst other details a description of the material of which every building is composed, &c., also prepared under the direction and superintendence of Mr. Hodgkinson, is now being engraved in the offices of the Honorable the Surveyor General.

On the 30th September, 1856, Andrew C. Livingston, M.D., was appointed by the Council Honorary Officer of Health under the Health of Towns Act, and his appointment has been confirmed by the Central Board of Health.

PROPERTY OF THE MUNICIPALITY.

A lock-up and police court are to be erected on the municipal site in Johnston and Perry streets, the site purchased jointly by the Government and the municipal council. On the completion of these buildings they and the moiety of the site are to be conveyed by the Government, with stipulations for the use of the building, for the purposes designed, to the municipal council in trust for the municipality.

PETITIONS AND MEMORIALS FROM RATEPAYERS.

Twenty-six petitions and memorials containing the aggregate number of 530 signatures have been received by the council during the past half-year, the prayer of each of which, it is believed, as far as the council were able, have been complied with.

MISCELLANEOUS.

The Ratepayers Roll was printed for the recent municipal election, and the council were then grieved to observe how many ratepayers were under the mistaken impression that though they had neglected to claim in the Municipal Revision Court to have their names inserted on the Roll (by which neglect they will be deprived of the municipal franchise until the next annual Revision Court), yet that by their merely paying rates they became qualified to vote at the said election.

The annual municipal election took place on the 6th of October by poll, and on the 8th of October the presiding deputy returning officer, Councillor Jno. Owen, declared Messrs. Thos. Turner A'Beckett, Thomas Greenwood and Alexander Carnie duly elected members of the municipal council, to supply the vacancies occasioned therein by the retirement by rotation of Councillors Carnie, Myers and Curtis.

On the 14th October the council elected Thomas Turner A'Beckett, Esq., their chairman for the ensuing year.

The Census Commissioners have issued circulars to the council for information respecting the taking the census of East Collingwood, and the council, through the Legislative Committee, have promised their cordial co-operation in the execution of this important work.

ATTENDANCE OF MEMBERS AT MEETINGS OF COUNCIL FROM 15TH APRIL TO 7TH OCTOBER INCLUSIVE, 1856.—

There have been twenty-six meetings of council, two of which lapsed for want of a quorum:—

The chairman, A. Carnie, Esq., was present at 24 meetings.	
Councillor Owen	24
Councillor Turner	23
Councillor Curtis	23
Councillor Finlay, from his appointment, meeting	21
Councillor Myers	20
Councillor Coleman	19

FINANCE.

The council refer with confidence to the numerous public works and improvements, and the economical cost of the same, which they have effected since March last, when they received the first proceeds from rates.

The small rate levied has been in general promptly paid.

One Court of Appeal (the closing one) against the valuation for assessments has been held, and some reductions made, chiefly on one description of property.

The legislative grant to the municipality of £5000, less the moiety of cost, namely £375, reserve of municipal site in Johnston street, jointly purchased by the government and council, has been duly received and applied in the grant towards the formation of Reilly street drain, and in the execution of works completed and in progress, and in one case ordered as severally enumerated in the schedule of works annexed to by-law No. 5.

Chairman of Council.

MUNICIPALITY OF SANDHURST.

REPORT OF THE PROCEEDINGS OF THE MUNICIPAL COUNCIL OF SANDHURST FOR THE HALF-YEAR ENDING 10TH JANUARY, 1857.

PUBLIC WORKS.

THE council have used their best endeavors with the funds at their disposal to improve, both for use and in appearance, the streets of the town. In carrying out these works priority has been given to the most frequented and central portions.

The council have been most anxious to carry out the curbing and channelling along the Murray road (High street and Bridge street), but the delay of the Road Board in forming and raising to its permanent level the roadway, has rendered it impossible. Now that this is about to be done, no time will be lost in performing their portion of the work.

The following works have been completed or are in progress:—

Sundry crossings for foot passengers.
Forming a drain at the back of Bridge street, from the old cemetery.

Cleaning water table and repairing footpaths in Bridge street, from Harney's bridge to Commissioner's Gully.
Making crossings over water courses at White Hills.
Repairing Mount Korong road (View Place and Forest street).

Removing stumps sundry streets at White Hills.
Formations in earth of Mitchell street, filling holes, &c.
Curbing, channelling, making footpaths, and part roadway in portions of Williamson street, Bull street, Munday street, McCrea street and Bridge street.

Formation in earth in Hargreaves street.
Making earthen footpath across the mouth of Commissioner's Gully in Bridge street.
Supplying paving blocks and curbing for High street and Bridge street.

Levelling the earth in Market square, and cutting water tables, and forming earthen footpaths in parts of Munday street, Bull street, and Williamson street.

Forming a part of the Melvor road, removing stumps, &c.
Making roadway in Oak street, portion A.
Earthwork of High street footpath.

The following works have been resolved upon, and will be performed as soon as possible:—The completion of High street, Bridge street footpaths, &c., the formation of earthen footpath from Kangaroo Flat to Golden square, metalling Hargreaves street and part Munday street, cutting water-tables and making footpaths in Rowan and other streets of portion B.

In addition to the works abovenamed, the council had the bridges and other used crossings swept during the winter months; have the water channels kept clean and available have provided pumps in various localities; trenched out manure depot; are having the Botanic Garden reserve fenced; provided a public clock; and carried out other minor works of public utility.

APPLICATIONS TO THE GOVERNMENT.

The council has made many applications to the Government in furtherance of the interests of the municipality. The following have been acceded to:—

The taking of levels throughout the whole municipality, preparing sections, &c., so that the best system of drainage, &c., may be laid down.

The payment of second moiety of endowment.
The removal of Junction Camp to White Hills Hamlet.
The grant of reserve for Botanic Garden at White Hills.

A site for a Benevolent Asylum.
The erection of a new Gaol.
Naming the Bendigo district a county, under the name of Bendigo.

The commencement of the railway at the Sandhurst end, simultaneously with the commencement at Melbourne.

Repeated applications for a new channel to be cut for the Creek.

Proclamation of street of westerly side, sec. 12, 13 and 14 White Hills.

The erection of a suitable powder magazine.
The sale of lands at Irishtown.

The establishment of branch Post Offices at White Hills and portion A, subject to the money being voted by the House.

The answers to the following have been deferred:—
A share of the prison labor.

The grant of the Camp reserve to the town.
A money grant for the establishment and maintenance of a Benevolent Asylum.

The erection of a Municipal Court House.
The constituting Market square the site for public buildings.

The appointment of additional magistrates.
The following applications have been refused:—

To erect the new sub-treasury in the town.
To place the money for the public roads, when voted, at the disposal of the municipal council, as they would then (in October) have at once had the necessary works commenced.

To remove the stagnant water lying by the Murray road.
The repair of the Melvor road.

BYE-LAWS.

The bye-laws passed for the better regulation of the town, alluded to in the last report, have, after much correspondence with the Government, been assented to with some slight alterations.

MISCELLANEOUS.

The Health of Towns Act was proclaimed in force for the municipality in July, and the town inspector, Mr. Townsend, was appointed by the council, that officer to carry out its provisions.

The office of honorary treasurer has been abolished, and the town clerk engaged to keep the accounts of the municipality, all the monies being paid into and through the bank.

In August a resignation of office was received from Councillor Haycock, and in September Mr. W. H. Neale was elected as councillor in his stead.

In November a court of Petty Session was proclaimed, for all police cases occurring within the municipality, to be presided over by the chairman of the municipal council.

At the request of Government, the council gave consideration to and made suggestions for the taking of the census and amendment of the Public Health Act.

The council has given much attention to the amendment of

the Municipal Act, and was most ably represented by Councillor Sullivan, at the municipal conference held in Melbourne. Many subjects of minor importance have necessarily arisen during the past half year, and had due consideration from the council, but which would needlessly prolong this report to name.

ATTENDANCE.

There have been twenty four general meetings of the council during the past half year, and the attendance of the several members has been as follows:—

Councillor Sullivan,	19 "
Councillor Harvey,	15 "
