IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Officer administering the Government of Victoria, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition to His Excellency, hereinafter set forth, signed by two hundred and eleven householders resident within the district of Brunswick, in the county of Bourke, as defined in the said petition.

By His Excellency's Command,
 WILLIAM C. HAINES.

The petitioners state that the inhabitants of the district of Brunswick, as hereinafter defined, will be greatly benefited by its being constituted a municipal district, and propose the following boundaries for the same, viz:—Commencing at the bridge on the Merri Creek, at the village of Northcote, and bounded on the south by a line bearing west to the eastern boundary of the Prince's Park reserve; by the said reserve northerly and westerly to the Sydney-road; thence westerly along the northern boundary of the Royal Park reserve to the Moonee Ponds; by the said ponds north-westerly to the north-western corner of Section 126, parish of Jika Jika; thence easterly along the northern boundary of the said section and northern boundary of Section 127, parish of Jika Jika, to the Merri Creek, and by the said creek south-easterly to the point of commencement.

They further state the area of such proposed district does not exceed nine square miles, and contains a population of householders exceeding five hundred, and that no one point in the area of such district is distant more than six miles from any other point.

And the petitioners pray as follows:—

“Your petitioners therefore pray that the said district may be declared by your Excellency's Proclamation a municipal district, pursuant to the provisions of the said Act, by the name of ‘The Municipal District of Brunswick,’ and that the limits and boundaries of such district may be declared by such Proclamation.”

PETITION FOR MUNICIPAL INSTITUTIONS, VICINITY
OF EMERALD HILL.

THE substance and prayer of a Petition addressed to His Excellency the Officer administering the Government, and signed by forty-seven householders (purporting to be the majority resident in the portion of Macarthur Ward, in the city of Melbourne, comprised within boundaries described below, and adjoining to the municipal district of Emerald Hill), are hereby published in accordance with the 3rd clause of the Act of Council 18 Victoria No. 15.

By His Excellency's Command,
WILLIAM C. HAINES.

The petitioners state that they constitute the majority of the householders resident in a certain area, being the portion of Macarthur Ward, of the city of Melbourne, lying within the boundaries hereinafter specified, and are desirous that such area may be united with and form part of the municipal district of Emerald Hill, that is to say: Commencing from a point at the junction of the southern fence of the Melbourne and Hobson's Bay Railway Company with the River Yarra, along the said fence to the post marking the north-western angle of the boundary of the municipal district of Emerald Hill, thence in a right line to that point on the left bank of the River Yarra forming the limits of the boundary of the city of Melbourne, thence along the left bank of the River Yarra to the commencing point:

That there are on an average over thirty-six resident householders to each square mile of the said area:

That their interests and wants have been completely neglected by the Council of the city of Melbourne:

That their district is separated from the city on the north by the Yarra, and from the other portions of Macarthur Ward by a large and swampish tract of unalienated Crown Land, and that it has no community of interest or communication with the other inhabited portions of Macarthur Ward, whereas the petitioners are in close connection and constant communication with the municipal district of Emerald Hill, with which they have a common boundary line:

That they have viewed with much pleasure the rapid improvements effected and in progress within the municipal district of Emerald Hill under the direction of the local Council, and are desirous of participating in the advantages conferred upon that district by having their own district united to and made part of it:

That they have procured the acquiescence of the Municipal Council in the prayer of their petition.

And the petitioners pray as follows:—

"May it therefore please your Excellency to exercise the powers vested in your Excellency by the 3rd clause of the 18th Victoria No. 15, and to cause the said portion of Macarthur Ward to be united with and form part of the municipal district of Emerald Hill."

**REVISED REGULATIONS AND SCALE OF CHARGES
FOR TRANSMISSION OF MESSAGES BY ELECTRIC
TELEGRAPH.**

HIS Excellency, with the advice of the Executive Council, has been pleased to approve of the following revised regulations and scale of charges for transmission of messages by Electric Telegraph, which will take effect from 1st January, 1857, in lieu of all former rules and regulations, fees and rates, under the provisions of the Act of Council 17 Victoria No. 22.

By His Excellency's Command,
HUGH C. E. CHILDERS.

RULES AND REGULATIONS.

1. No charge will be made for the date, address, or signature to any message.
2. Messages must be written with ink, in a clear and legible manner, and bear a proper date, address, and genuine signature.
3. Messages will be delivered free of charge within one mile of the office; over that distance, portorage will be charged;

and for messages to be delivered on shipboard, an extra charge to cover boat expenses will be made.

4. Messages will be transmitted in the order of their reception, and no precedence will be allowed in transmission, except for Government Despatches, the Police Service, and in cases of sickness or death.

5. All messages will be held strictly confidential.

6. Payment of charges in advance will be required, except for replies to interrogatory messages on which may have been written the words "Reply paid for."

7. To lessen as much as possible any liability to error in the transmission of messages from defective manuscript, it is desirable that the use of figures should be avoided, and that words at length be substituted; and the public, in using the Electric Telegraph, are requested to be particular in giving a full and correct address to every message, so that no delay in delivery may occur.

8. The offices will be kept open for the transmission of messages by the public generally between the hours of 8.30 a.m. and 8 p.m.
