FEBRUARY LIST OF UNCLAIMED DEAD LETTERS.

General Post Office,
Melbourne, 18th April, 1857.

LIST of Letters received at the Country Offices during the month of February, 1857, and now lying in the Dead Letter Office.

Parties applying for Letters at the Dead Letter Office are particularly requested to give the correct number of the Letter, and also the date and number of the List in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the Letter, and the date and number of the List, are requested to state where they expect their Letters from, what Office they were originally addressed to, and any information which may tend to prevent an unnecessary transmission of Letters.

A. McCRAE,
Postmaster General.

No. 12.

General Post Office, Melbourne.

LIST OF UNCLAIMED SHIP LETTERS FOR THE WEEK ENDING 16TH APRIL, 1857.

PARTIES applying for Letters at the General Post Office are particularly requested to give the correct number of the letter, and also the date and number of the list in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the letter, and the date and number of the list, are requested to state where they expect their letters from, and any information which may tend to prevent an unnecessary transmission of letters.

Application to be made at the General Delivery Department, corner of Elizabeth and Bourke streets. The next List will contain all letters received by Ship up to the 23rd April, 1857.

N.B.—Letters posted in any part of the Colony of Victoria are not advertised. The Lists contain only Letters received by Ship from England, Foreign Countries, and the neighbouring Colonies.

A. McCRAE,
 Postmaster General.

LEGISLATIVE ASSEMBLY.

I HEREBY notify that I have this day received a return to the Writ issued by me on the twenty-fifth day of March last, for the election of a member to serve in the Legislative Assembly of Victoria for the electoral district of the Ovens, in the place of Daniel Cameron, Esquire, resigned, and that, by the return endorsed on such Writ, it appears that

JOHN DENNISTON WOOD, Esquire,
has been duly elected member for the said electoral district.

FRANK MURPHY,
Speaker.

Legislative Assembly Chambers,
Melbourne, 20th April, 1857.

No. 487.

Head Quarters,
Melbourne, 9th April, 1857.

GENERAL ORDER.

IT has been represented to the Major General commanding the Troops in Australia and New Zealand that there are, at this juncture, very many deluded men in these colonies who bitterly repent of their folly in having, on their first arrival, and, as young soldiers, deserted from their regiments, but who are afraid of surrendering themselves on account of the severe penalties which are the just and inevitable awards of desertion.

Moved by these considerations, the Major General ventures so far to interfere in their behalf, that he engages to remit the imprisonment with or without hard labor which, in this command, is the usual punishment of desertion for a first offence, when unattended with aggravated circumstances; provided, however, that offenders of this class, who have now an opportunity of surrendering themselves, shall do so before the celebration of Her most gracious Majesty's Birthday, on the 24th May next ensuing.

The once ill-advised men who so give themselves up to the authorities will again be received into their respective corps, with no other penalty than the forfeiture of the advantage of past services, which the Major General has no power to remit.

They will be restored to the companionship of those true soldiers who faithfully perform their engagements. But should they fallably for themselves otherwise determine, many such deserters may for a while, it is true, continue to elude the untiring and ever-renewing search that at all times places them in danger of being apprehended.

In this condition the consciousness of guilt, the dread of detection, and the certainty that whenever brought before a military tribunal they will assuredly incur the punishment for desertion prescribed by the Articles of War, are circumstances more than sufficient to render life a burthen.

By Command,
J. M. B. NEILL, Lt. Col.,
Deputy Adjutant General.
